ARTICLE II

TERMS OF BONDS

Section 2.01. Issuance. Bonds may be issued in one or more Series under and subject to the terms of this 1991 Resolution from time to time as the issuance thereof is authorized by the Commission hereby or by Supplemental Resolution for any purposes of the Commission now or hereafter permitted by law. The maximum principal amount of Bonds which may be issued hereunder is not limited by this 1991 Resolution.

Section 2.02. Terms. The Issue 1 Bonds are authorized hereby, and the terms and provisions with respect thereto are set forth herein. The Bonds of each additional Series shall be authorized by a Supplemental Resolution which shall provide, among other things: (a) the authorized principal amount or Authorized Amount of such Bonds and the Series designation □therefor; (b) the general purpose or purposes for which such Bonds are being issued, and the deposit and disbursement of the proceeds thereof; (c) the dated date or dates of and Principal Payment Dates for such Bonds, and the principal amounts maturing or subject to redemption on each Principal Payment Date or the means of determining such amounts; (d) the interest rate or rates on such Bonds (which may be a rate of zero) and the Interest Payment Dates □therefor, and whether such interest rate or rates shall be fixed or variable, or a combination thereof, and, if necessary, the manner of determining such rate or rates; (e) the currency or currencies in which such Bonds shall be payable; (f) the authorized denominations of and manner of dating and numbering such Bonds; (g) the Record Date or Dates and the place or places of payment of the principal, redemption price, if any, purchase price, if any, of and interest on such Bonds; (h) the form or forms of such Bonds and any coupons attached thereto, which may include but shall not be limited to registered form as to principal and/or interest, bearer form with or without coupons, and book-entry form, and the methods, if necessary, for the registration, transfer and exchange thereof; (i) the terms and conditions, if any, for the optional or mandatory redemption of such Bonds prior to maturity, including but not limited to the redemption date or dates, the redemption price or prices and any mandatory sinking fund payments with respect thereto; (j) the terms and conditions, if any, for the optional or mandatory tender of such Bonds for purchase prior to

maturity, including but not limited to the tender date or dates and the purchase price or prices; (k) the authorization of and terms and conditions with respect to any Credit Facility for such Bonds; (l) the Authenticating Agent or Agents for such Bonds, if any, and the duties and obligations thereof; (m) the Paying Agent or Agents for such Bonds, if any, and the duties and obligations thereof; (n) the tender agent or agents for such Bonds, if any, and the duties and obligations thereof; (o) the remarketing agent or agents for such Bonds, if any, and the duties and obligations thereof; (p) the Registrar or Registrars for such Bonds, if any, and the duties and obligations thereof; (q) the manner of sale of such Bonds, whether public or private and with or without a premium or discount, and any terms and conditions necessary with respect thereto; and ® any other provisions which the Commission deems necessary or desirable with respect to the authorization and issuance of such Bonds.

All Bonds shall be sold by competitive sale; provided, however, that the Commission may authorize the negotiated sale of refunding Bonds to be issued pursuant to Section 2.12 hereof upon the written recommendation of the Director of Airports to the effect that such sale is necessary in order either (i) to accomplish the timely sale of such refunding Bonds, or (ii) to achieve the lowest possible interest, issuance and other costs to the Commission with respect to such refunding Bonds. The Commission shall include a specific finding to the effect of (i) or (ii) above in the Supplemental Resolution authorizing the issuance of such refunding Bonds.

[The following paragraph was amended by Section 14 of Resolution No. 02-0241 adopted on November 19, 2002, by replacing the words "Independent Auditor" with the words "Airport Consultant or Financial Consultant." Subsequently, the following two paragraphs were deleted by Section 15 of Resolution No. 03-03-0221 adopted on October 21, 2003: "Refunding Bonds may be sold by negotiated sale only if the net present value of the debt service savings on the refunding Bonds, after deducting any refunding escrow deposits or contributions, redemption premiums, costs of issuance, escrow fees and related expenses of the Commission not paid from the proceeds of such refunding Bonds, is at least equal to five percent (5%) of the Principal Amount of the 1973 Resolution Bonds, 1991 Resolution Bonds or Subordinate Bonds to be refunded, as certified in writing by an Airport Consultant or Financial Consultant. Net present value savings may be calculated after taking into account payments to be made to or by the Commission as part of a transaction or series of transactions to be entered into in conjunction with and as a part of such refunding, including without limitation Swap Payments or Swap Receipts pursuant to an Interest Rate Swap, if and to the extent recommended in writing by a Financial Consultant. Net present value savings shall be calculated using a discount rate with respect to the refunding Bonds which is consistent with then current municipal finance industry standards, as certified in writing by a Financial Consultant.

Refunding Bonds may be sold by negotiated sale without regard to present value savings (i) upon a finding and determination by the Commission, based upon the written recommendation of the Director of Airports, that a financial or other emergency exists with respect to the Airport which requires the issuance of refunding Bonds for purposes other than to achieve debt service savings, or (ii) as part of a plan or program adopted by the Commission to refund and defease all of the 1973 Resolution Bonds then Outstanding."]

Section 2.03. Limited Obligation; Recitals on Bonds. (a) The Bonds shall be special, limited obligations of the Commission, and shall be payable as to principal, purchase price, if any, redemption premium, if any, and interest, out of the Net Revenues of the Airport, and not out of any other funds or moneys of the Commission not pledged thereto, as further provided in Section 5.01 hereof. No Holder of the Bonds shall have the right to compel any exercise of the taxing power of the City to pay the principal or purchase price, if any, of or the redemption premium, if any, or interest on the Bonds.

(b) Each of the Bonds shall bear a certification and recital that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the incurring of the indebtedness evidenced by that Bond, and in the issuing of said Bond, do exist, have happened and have been performed in due time, form and manner, as required by the Constitution and statutes of the State of California and the Charter of the City and County of San Francisco, and that said Bond, together with all other indebtedness of the Commission pertaining to the Airport, is within every debt and other limit prescribed by the Constitution and statutes of the State of California and said Charter. From and after the issuance of the Bonds of any Series the findings and determinations of the Commission respecting that Series shall be conclusive evidence of the existence of the facts so found and determined in any action or proceeding in any court in which the validity of such Bonds is at issue.

Section 2.04. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Trustee or if the Commission, the Registrar, if any, and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Trustee such security or indemnity as may be required by them to hold the Commission, the Registrar, if any, and the Trustee harmless, then, in the absence of notice to the Commission, the Registrar, if any, or the Trustee that such Bond has been acquired by a bona fide purchaser and upon the Holder paying the reasonable expenses of the Commission, the Registrar, if any, and the Trustee, then the Commission, the Registrar, if any, and the Trustee shall cause to be executed and the Authenticating Agent, if any, shall authenticate and deliver, in exchange for such mutilated Bond or in lieu of and substitution for such destroyed, lost or stolen Bond, a new Bond of the same Series, interest rate and maturity date. If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, then the Trustee and any Paying Agent may, in its discretion, pay such Bond when due instead of delivering a new Bond. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and redelivered to, or upon the order of, the Commission. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen shall be equally and proportionately entitled to the benefits of this 1991 Resolution and any Supplemental Resolution authorizing the issuance thereof with all other Bonds of the same Series secured thereby. Neither the Commission nor the Trustee shall be required to treat both the original Bond and any substitute Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and substitute Bond shall be treated as one and the same.

Section 2.05. Execution and Authentication of Bonds. All of the Bonds shall be executed in the name and on behalf of the Commission, with the signature of its President and the countersignature of its Secretary. All of the Bonds shall have affixed the seal of the City.

Such signatures may be printed, lithographed, engraved or otherwise reproduced, but at least one of such signatures shall be manually affixed to the Bonds (unless such Bonds shall have endorsed thereon a certificate of authentication, as hereinafter provided). The seal of the City may be impressed or reproduced by facsimile on the Bonds.

In case any such officer whose signature appears on the Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated or delivered, such signature shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until the delivery of the Bonds, and such Bonds shall be issued and Outstanding hereunder and shall be as binding upon the Commission as though the person who signed such Bonds had been such official on the date borne by the Bonds and on the date of delivery. Any Bond may be signed and sealed on behalf of the Commission by such person as at the actual date of execution of such Bond shall be its President or Secretary, as the case may be, although on the date borne by such Bond such person shall not have been such official.

The Commission may provide at any time prior to the issuance of any Series of Bonds that such Bonds shall bear a certificate of authentication executed by the Authenticating Agent. In the event the Commission shall require the authentication of any Bond issued under this 1991 Resolution, then there shall be included in the text of such Bonds a statement to the following effect: "This Bond shall not be entitled to any benefit under the 1991 Resolution, or become valid or obligatory for any purpose, until the certificate of authentication endorsed hereon shall have been signed by the Authenticating Agent."

In the case of Bonds requiring authentication, only such Bonds as shall bear thereon a certificate of authentication in the form provided, executed by the Authenticating Agent, shall be or become valid or obligatory for any purpose or entitled to the benefits of this 1991 Resolution. Such certificate of the Authenticating Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this 1991 Resolution.

Section 2.06. Exchange of Bonds. Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same Series, interest rate and maturity date in authorized denominations upon presentation and surrender thereof to the Trustee or the Registrar, as the case may be, together with written instructions satisfactory to the Trustee or the Registrar, and duly executed, in the case of registered Bonds, by the Holder or the Holder's attorney duly authorized in writing.

Section 2.07. Transfer of Bonds. (a) All bearer Bonds shall be negotiable instruments transferable by delivery. The Commission, the Trustee and any Paying Agent may treat the Holder of any bearer Bond or any coupon as the absolute owner of such Bond or coupon for the purpose of receiving payment thereof and for all other purposes, and the Commission, the Trustee and any Paying Agent shall not be affected by any notice or knowledge to the contrary.

(b) The Commission shall appoint a Registrar or Registrars with respect to each Series of Bonds issued in registered form to act as Registrar of the Bonds. Each Registrar will keep or cause to be kept sufficient records for the registration, transfer and exchange of the Bonds of such Series, which shall at all times be open to inspection by the Commission; and,

upon presentation for such purpose, each Registrar shall, under such reasonable regulations as it may prescribe, register, transfer or exchange, or cause to be registered, transferred or exchanged, on said records, the Bonds of such Series as herein provided.

(c) Any fully registered Bond may, in accordance with its terms, be transferred, upon the records required to be kept by the Registrar, by the person in whose name it is registered, in person or by the Holder's attorney duly authorized in writing, upon surrender of such fully registered Bond for cancellation, accompanied by a written instrument of transfer in a form approved by the Registrar, duly executed. Whenever any fully registered Bond or Bonds shall be surrendered for transfer, the Commission shall execute and the Authenticating Agent shall authenticate and deliver in the name of the transferee a new fully registered Bond or Bonds in authorized denominations of the same Series, interest rate and maturity date and for a like aggregate principal amount.

(d) As to any fully registered Bond, the person in whose name such Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal of, premium, if any, and interest on any Bond shall be made, as provided herein or in the applicable Supplemental Resolution, only to or upon the written order of the Holder thereof. Such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the amount so paid.

Section 2.08. Provisions with Respect to Transfers and Exchanges. (a) All Bonds surrendered for exchange or transfer shall forthwith be cancelled by the Registrar.

(b) In connection with any such exchange or transfer of Bonds, the Holder requesting such exchange or transfer shall, as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee or the Registrar, as the case may be, an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(c) The Supplemental Resolution authorizing the issuance of a Series of Bonds may provide such additional provisions or limitations on the exchange or transfer of such Bonds prior to an Interest Payment Date, redemption date or otherwise as the Commission shall deem appropriate.

Section 2.09. Conditions for Delivery of Bonds. Whenever the Commission determines to issue any additional Series of Bonds under the terms of this 1991 Resolution, the Commission shall adopt a Supplemental Resolution authorizing the issuance thereof.

Before the delivery of any Series of Bonds to the purchaser or purchasers thereof, the Commission shall deliver the following to the Trustee:

(a) Certified copies of this 1991 Resolution and any Supplemental Resolution authorizing the issuance of such Series of Bonds and containing the terms and provisions thereof.

(b) A certificate of the Director of Airports or Deputy Director, Business and Finance, or their respective successors, to the effect that the Commission is not then in default under the terms and provisions of this 1991 Resolution or any Supplemental Resolution.

(c) The amounts specified herein or in the Supplemental Resolution for deposit to the respective Funds and Accounts created hereunder or thereunder.

(d) An Opinion of Bond Counsel to the effect that such Series of Bonds has been duly authorized in conformity with law and all prior proceedings of the Commission, and such Bonds constitute valid and binding obligations of the Commission.

(e) The certificate required pursuant to Section 2.11 of this 1991 Resolution.

(f) If the Series of Bonds to be issued are to be refunding Bonds, the certificate required pursuant to Section 2.12 of this 1991 Resolution.

(g) If the Series of Bonds to be issued are to be Special Facility Bonds, the certificate required pursuant to Section 2.16 of this 1991 Resolution.

(h) Written instructions executed by an Authorized Commission Representative directing the Trustee (or any other Person designated to act as Authenticating Agent) to authenticate the Bonds and/or to deliver the Bonds to one or more designated Persons.

(i) Such other documents as required hereby or by the Supplemental Resolution or as the Commission or the Trustee reasonably may specify.

Section 2.10. Temporary Bonds. (a) Until definitive Bonds are prepared, the Commission may execute and deliver, or, in the case of registered Bonds, upon request by the Commission, the Authenticating Agent shall authenticate and deliver, temporary Bonds which may be typewritten, printed or otherwise reproduced in lieu of definitive Bonds subject to the same provisions, limitations and conditions as definitive Bonds. The temporary Bonds shall be dated as provided herein or in the applicable Supplemental Resolution, shall be in such denomination or denominations and shall be numbered as the Commission shall determine, and shall be of substantially the same tenor as the definitive Bonds of such Series, but with such omissions, insertions and variations as the officers of the Commission executing the same may determine. The temporary Bonds shall only be issued in fully registered form, and may be issued in the form of a single Bond.

(b) Without unreasonable delay after the issuance of any temporary Bonds, the Commission shall cause the definitive Bonds to be prepared, executed and delivered. Any temporary Bonds issued shall be exchangeable for definitive Bonds of such Series upon surrender to the Trustee or, in the case of registered Bonds, to the Registrar of any such temporary Bond or Bonds, and, upon such surrender, the Commission shall execute and deliver, or, in the case of registered Bonds, upon request by the Commission, the Authenticating Agent shall authenticate and deliver to the Holder of the temporary Bond or Bonds, in exchange therefor, a like principal amount of definitive Bonds of such Series in authorized denominations of the same interest rate and maturity date. Until so exchanged the temporary Bonds shall in all respects be entitled to the same benefits as definitive Bonds of such Series executed and delivered pursuant hereto.

(c) All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall forthwith be cancelled by the Trustee or the Registrar.

[The following section was amended by Section 2-22.03.]

Section 2.11. Additional Bonds. Except as set forth in Section 2.12 hereof, the Commission shall not issue any additional Series of Bonds unless the Trustee has been provided with either:

(a) a certificate of an Airport Consultant dated within 30 days prior to the date of delivery of the Bonds stating that:

(i) for the period, if any, from and including the first full Fiscal Year following the issuance of such Bonds through and including the last Fiscal Year during any part of which interest on such Bonds is expected to be paid from the proceeds thereof, projected Net Revenues, together with any Transfer, in each such Fiscal Year will be at least equal to 1.25 times Annual Debt Service; and

(ii) for the period from and including the first full Fiscal Year following the issuance of such Bonds during which no interest on such Bonds is expected to be paid from the proceeds thereof through and including the later of: (A) the fifth full Fiscal Year following the issuance of such Bonds, or (B) the third full Fiscal Year during which no interest on such Bonds is expected to be paid from the proceeds thereof, projected Net Revenues together with any Transfer, if applicable, in each such Fiscal Year will be at least sufficient to satisfy the rate covenants set forth in subsection (a) of Section 6.04 hereof; or

(b) a certificate of an Independent Auditor stating that Net Revenues together with any Transfer, in the most recently completed Fiscal Year were at least equal to 125% of the sum of (i) Annual Debt Service on the 1973 Resolution Bonds and the 1991 Resolution Bonds in such Fiscal Year, plus (ii) Maximum Annual Debt Service on the Bonds proposed to be issued.

For purposes of subsections (a) and (b) above, the amount of any Transfer taken into account by the Airport Consultant or the Independent Auditor, as the case may be, shall not exceed 25% of Maximum Annual Debt Service in such Fiscal Year.

In determining projected Net Revenues for purposes of subsection (a) above, the Airport Consultant may take into account any reasonably anticipated changes in Revenues and Operation and Maintenance Expenses over such period, which assumed changes shall be referenced in the certificate. In determining Annual Debt Service for purposes of (a) or (b) above, (i) 1973 Resolution Bonds and 1991 Resolution Bonds that will be paid or discharged immediately after the issuance of the Series of Bonds proposed to be issued from the proceeds thereof or other moneys shall be disregarded, and (ii) Variable Rate Bonds shall be deemed to bear interest during any period after the date of calculation at a fixed annual rate equal to 1.25 times the rate determined pursuant to paragraphs (ii) and (iii), as the case may be, of the definition of Annual Debt Service in Section 1.01 hereof.

In the event that the Commission proposes to assume any indebtedness for borrowed money in connection with assuming the possession, management, supervision and control of any airport or other revenue-producing facilities, such indebtedness may constitute additional Bonds under this 1991 Resolution entitled to an equal pledge of an lien on Net

Revenues as the Bonds provided that the requirements of this Section 2.11 are satisfied with respect to the assumption of such indebtedness.

Section 2.12. Refunding Bonds. The Commission may issue Bonds for the purpose of refunding any 1973 Resolution Bonds, 1991 Resolution Bonds or Subordinate Bonds on or prior to maturity or thereafter. Refunding Bonds may be issued in a principal amount sufficient to provide funds for the payment of the following:

(a) The principal of all 1991 Resolution Bonds, 1973 Resolution Bonds or Subordinate Bonds to be refunded by such refunding Bonds;

(b) All expenses incidental to the calling, retiring or payment of the 1991 Resolution Bonds, 1973 Resolution Bonds or Subordinate Bonds and the issuance of the refunding Bonds;

(c) Any amount necessary to be made available for the payment of interest upon the refunding Bonds from the date of their sale to the date of maturity, payment or redemption of the 1991 Resolution Bonds, 1973 Resolution Bonds or Subordinate Bonds to be refunded out of the proceeds thereof; and

(d) The premium, if any, necessary to be paid in order to call or retire the 1991 Resolution Bonds, 1973 Resolution Bonds or Subordinate Bonds and also the amount of the interest accruing on the 1991 Resolution Bonds, 1973 Resolution Bonds or Subordinate Bonds to the date of the call or retirement thereof.

The Commission shall issue refunding Bonds only (i) upon compliance with the conditions set forth in Section 2.11 hereof, or (ii) if the Commission shall deliver to the Trustee a certificate of an Airport Consultant or Financial Consultant to the effect that (A) aggregate Annual Debt Service in each Fiscal Year with respect to all 1991 Resolution Bonds and 1973 Resolution Bonds to be Outstanding after the issuance of such refunding Bonds shall be less than aggregate Annual Debt Service in each such Fiscal Year in which 1991 Resolution Bonds and 1973 Resolution Bonds are Outstanding prior to the issuance of such refunding Bonds, and (B) Maximum Annual Debt Service with respect to all 1991 Resolution Bonds and 1973 Resolution Bonds to be Outstanding after issuance of such refunding Bonds shall not exceed Maximum Annual Debt Service with respect to all 1991 Resolution Bonds and 1973 Resolution Bonds Outstanding immediately prior to such issuance.

Section 2.13. Subordinate Bonds. Nothing in this 1991 Resolution shall prevent the Commission from issuing at any time while any of the Bonds issued hereunder are Outstanding Subordinate Bonds with a pledge of, lien on, and security interest in Net Revenues which are junior and subordinate to those of the Bonds, whether then issued or thereafter to be issued. The principal and purchase price of and interest, redemption premium and reserve fund requirements on such Subordinate Bonds shall be payable from time to time out of Net Revenues only if all amounts then required to have been paid or deposited hereunder from Net Revenues with respect to principal, purchase price, redemption premium, interest and reserve fund requirements on the Bonds then Outstanding or thereafter to be Outstanding shall have been paid or deposited as required in this 1991 Resolution and any Supplemental Resolution.

Section 2.14. Non-Presentation of Bonds. (a) If any Bond is not presented for payment when the principal thereof becomes due (whether at maturity or call for redemption or otherwise), all liability of the Commission to the Holder thereof for the payment of such Bond shall be completely discharged if funds sufficient to pay such Bond and the interest due thereon shall be held by the Trustee for the benefit of such Holder, and thereupon it shall be the duty of the Trustee to hold such funds subject to subsection (b) below, without liability for interest thereon, for the benefit of such Holder, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature under this 1991 Resolution or on, or with respect to, such Bond.

(b) Notwithstanding any provisions of this 1991 Resolution to the contrary, any moneys deposited with the Trustee or any Paying Agent in trust for the payment of the principal of, or interest or premium on, any Bonds and remaining unclaimed for one (1) year after the same has become due and payable (whether at maturity or upon call for redemption or otherwise), shall then be repaid to the Commission upon its written request, and the Holders of such Bonds shall thereafter be entitled to look only to the Commission for repayment thereof, and all liability of the Trustee or any Paying Agent with respect to such moneys shall thereupon cease. Before the repayment of such moneys to the Commission, the Trustee or Paying Agent, as the case may be, shall (at the cost of the Commission) first publish at least once in Authorized Newspapers a notice, in such form as may be deemed appropriate by the Trustee or such Paying Agent, in respect of the Bonds so payable and not presented and in respect of the provisions relating to the repayment to the Commission of the moneys held for the payment thereof, or in the case of registered Bonds shall send a written notice to the Holders of such Bonds at their last known addresses as shown on the records maintained by the Registrar. In the event of the repayment of any such moneys to the Commission, the Holders of the Bonds in respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the Commission for amounts equivalent to the respective amounts deposited for the payment of such Bonds and so repaid to the Commission (without interest thereon).

[The following section was amended by Section 32-78.07 (Issue 32F Sale Resolution, Resolution No. 05-0181) to read as follows.]

Section 2.15. Repayment Obligations as Bonds. If so provided in the applicable Supplemental Resolution and in the written agreement between the Commission and the Credit Provider or Liquidity Provider, as applicable, a Repayment Obligation may be accorded the status of a Bond solely for purposes of this 1991 Resolution, provided, however, that the Credit Facility or Liquidity Facility, as applicable, with respect thereto shall not constitute a bond for any other purpose, including without limitation for purposes of the Charter. The Credit Provider or Liquidity Provider, as applicable, shall be deemed to be the Holder of such Bond, and such Bond shall be deemed to have been issued as of the original date of the Bond or Bonds for which such Credit Facility or Liquidity Facility, as applicable, was provided. Notwithstanding the stated terms of the Repayment Obligation, the Bond deemed to be held by the Credit Provider or Liquidity Provider, as applicable, shall be deemed to be amortized on a level debt service basis at the Index Rate over a period equal to the lesser of (a) 20 years, or (b) the period ending on the later of (i) the final maturity date of the Bonds payable from or secured by such Credit Facility or Liquidity Facility, as applicable, or (ii) the date the Repayment Obligation is due under the terms of the written agreement with respect thereto, with principal payable annually commencing on

the next Principal Payment Date with respect to such Bonds and interest payable semiannually commencing on the next Interest Payment Date with respect to such Bonds. Such Bond shall be deemed to bear interest at the rate provided in the written agreement with respect to the Repayment Obligation. Any amount which becomes due and payable on the Repayment Obligation under the written agreement with respect thereto and which is in excess of the amount deemed to be principal of and interest on a Bond shall be junior and subordinate to the Bonds. The rights of a Credit Provider or Liquidity Provider, as applicable, under this Section 2.15 shall be in addition to any rights of subrogation which the Credit Provider or Liquidity Provider, as applicable, may otherwise have or be granted under law or pursuant to any Supplemental Resolution. Notwithstanding anything herein to the contrary, a Bond and an unreimbursed Repayment Obligation arising with respect to such Bond shall not be deemed to be Outstanding at the same time.

Section 2.16. Special Facilities and Special Facility Bonds. The Commission from time to time, subject to the terms and conditions of this Section 2.16, may (a) designate an existing or planned facility, structure, equipment or other property, real or personal, which is at the Airport or part of any facility or structure at the Airport as a “Special Facility,” (b) provide that revenues earned by the Commission from or with respect to such Special Facility shall constitute “Special Facility Revenues” and shall not be included as Revenues, and (c) issue Special Facility Bonds primarily for the purpose of acquiring, constructing, renovating or improving, or providing financing to a third party to acquire, construct, renovate or improve, such Special Facility. The Special Facility Bonds shall be payable as to principal, purchase price, if any, redemption premium, if any, and interest from and secured by the Special Facility Revenues with respect thereto, and not from or by Net Revenues. The Commission from time to time may refinance any such Special Facility Bonds with other Special Facility Bonds.

No Special Facility Bonds shall be issued by the Commission unless there shall have been filed with the Trustee a certificate of an Airport Consultant to the effect that:

(i) The estimated Special Facility Revenues with respect to the proposed Special Facility shall be at least sufficient to pay the principal (either at maturity or by mandatory sinking fund redemptions) or purchase price of and interest on such Special Facility Bonds as and when the same shall become due, all costs of operating and maintaining such Special Facility not paid by a party other than the Commission, and all sinking fund, reserve fund and other payments required with respect to such Special Facility Bonds as and when the same shall become due; and

(ii) The estimated Net Revenues calculated without including the Special Facility Revenues and without including any operation and maintenance expenses of the Special Facility as Operation and Maintenance Expenses will be sufficient so that the Commission will be in compliance with Section 6.04(a) of this 1991 Resolution during each of the five Fiscal Years immediately following the issuance of such Special Facility Bonds; and

(iii) No Event of Default then exists under Article VII of this 1991 Resolution.

At such time as the Special Facility Bonds issued for a Special Facility, including Special Facility Bonds issued to refinance such Special Facility Bonds, are fully paid or

otherwise discharged, the Special Facility Revenues with respect to such Special Facility shall be included as Revenues.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Right to Redeem. Bonds of a Series may be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein and in any Supplemental Resolution authorizing the issuance thereof.

Section 3.02. Sinking Fund Redemption. Bonds of a Series may be subject to mandatory sinking fund redemption and shall be redeemed at such times, to the extent and in the manner provided herein and in any Supplemental Resolution authorizing the issuance thereof.

Section 3.03. Notice of Redemption. (a) If less than all Bonds of a Series are to be redeemed, and subject to the provisions of subsection (b) hereof, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, serial numbers and maturity dates. Each notice of redemption shall specify: (i) the date of such notice and the date fixed for redemption, (ii) the principal amount of Bonds or portions thereof to be redeemed, (iii) the applicable redemption price, (iv) the place or places of payment, (v) that payment of the principal amount and premium, if any, shall be made upon presentation and surrender to the Trustee or Paying Agent, as applicable, of the Bonds to be redeemed, unless provided otherwise herein or in the applicable Supplemental Resolution, (vi) that interest accrued to the date fixed for redemption shall be paid as specified in such notice, (vii) that on and after said date interest on Bonds called for redemption shall cease to accrue, and (viii) the designation, including Series, and the CUSIP and serial numbers, if any, of the Bonds to be redeemed and, if less than the face amount of any such Bond is to be redeemed, the principal amount to be redeemed. Notice of redemption of any Bonds shall be mailed at the times and in the manner set forth in subsection (b) of this Section.

(b) Except as may otherwise be provided herein or in any Supplemental Resolution authorizing the issuance of the Bonds to be redeemed, any notice of redemption shall be sent by the Trustee not less than 30 nor more than 60 days prior to the date set for redemption by first class mail (i) with respect to each Bond to be redeemed which is in registered form, to the Holder of such Bond at his or her address as it appears on the records maintained by the Registrar, (ii) to all organizations registered with the Securities and Exchange Commission as securities depositories, and (iii) to at least two information services of national recognition which disseminate redemption information with respect to municipal securities. In preparing such notice, the Trustee shall take into account, to the extent applicable, the prevailing municipal securities industry standards and any regulatory statement of any federal or state administrative body having jurisdiction over the Commission or the municipal securities industry, including without limitation Release No. 34-23856 of the Securities and Exchange Commission, or any subsequent amending or superseding release. Failure to give any notice specified in (i), or any defect therein, shall not affect the validity of any proceedings for the redemption of any Bonds with respect to which no such failure has occurred and failure to give any notice specified in (ii)

or (iii), or any defect therein, shall not affect the validity of any proceedings for the redemption of any Bonds with respect to which the notice specified in (i) is given correctly.

(c) Notice of redemption may also be given by publication at the direction of the Commission at least once prior to the redemption date in Authorized Newspapers, each such publication to be not less than 30 nor more than 60 days before each redemption date, but no failure to give any such notice or any defect therein shall affect the validity of the proceedings for redemption of any Bonds.

(d) Notice of redemption shall be given by the Trustee for and on behalf of the Commission, at the written request of the Commission (which request shall be given to the Trustee at least 45 days prior to the date fixed for redemption). The Commission shall deposit with, or otherwise make available to, the Trustee the moneys required for payment of the redemption price of all Bonds then to be called for redemption at least one Business Day before the date fixed for such redemption. Any notice of redemption may be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default hereunder.

Section 3.04. Selection of Bonds to be Redeemed. Except as otherwise provided herein or in any Supplemental Resolution authorizing the issuance thereof: (a) if less than all Bonds of a Series are to be redeemed, the maturities to be redeemed or the method of their selection shall be determined by the Commission, and (b) if less than all such Bonds of a single maturity are to be redeemed, such Bonds to be redeemed shall be selected by lot in such manner as the Trustee shall determine.

[The following paragraph was added to Section 3.04 by Section 23-57.01]

Except as otherwise provided herein or in any Supplemental Resolution authorizing the issuance thereof, if less than all of the term Bonds of a single maturity of a Series are optionally redeemed or purchased and cancelled by the Commission prior to maturity, the principal amount of such term Bonds redeemed or purchased shall be credited against the mandatory sinking fund payments and redemptions and maturity amount of such term Bonds otherwise due as follows: (x) with respect to Bonds issued before November ____, 1998, to the extent possible on a pro-rata basis, and (y) with respect to Bonds issued on or after November ____, 1998, in such manner as shall be determined by the Commission.

Section 3.05. Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Commission shall execute, the Authenticating Agent shall authenticate, if applicable, and the Trustee shall deliver to the Holder thereof, at the expense of the Commission, a new Bond or Bonds, of the same Series, interest rate and maturity date, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

Section 3.06. Effect of Redemption. Notice of redemption having been duly given and moneys for payment of the redemption price being held by the Trustee, the Bonds to be redeemed shall, on the date designated in such notice, become due and payable at the

redemption price specified in such notice, and from and after the date designated interest on the Bonds to be redeemed shall cease to accrue, and the Holders of such Bonds shall have no rights in respect thereto, except to receive payment of the redemption price thereof. Upon surrender for payment of any Bonds to be redeemed, such Bonds shall be paid by the Trustee or the Paying Agent, as the case may be, at the applicable redemption price.

Section 3.07. [Disposition of Redeemed Bonds](#). All Bonds redeemed pursuant to the provisions of this Article III shall be delivered to and cancelled by the Trustee and shall thereafter be delivered by the Trustee to, or upon the order of, the Commission, and no Bonds shall be issued in place thereof.

ARTICLE IV

Section 4.01. [Construction Fund](#). The Airport Construction Fund is hereby created as a separate fund to be maintained and accounted for by the Treasurer, and the moneys in said fund shall be used for the purposes for which the Bonds are authorized to be issued, including but not limited to the payment of principal and purchase price of and interest and redemption premium on the Bonds and the costs of issuance and sale thereof. A separate account shall be created within the Construction Fund with respect to each Series of the Bonds.

[The following Section 4.02, was added by the Resolution No. 03-0110, adopted on June 3, 2003.]

A separate account shall be created within the Costs of Issuance Fund with respect to each Series of Bonds. Monies deposited in each Costs of Issuance Account shall be paid on the order of an Authorized Commission Representative only for the authorized costs of issuing such Series of Bonds. An Authorized Commission Representative shall by written order direct such amounts to be paid, or any balance remaining in any Costs of Issuance Account to be transferred to the Airport Construction Fund, no later than one year following the date of issuance of each such Series of Bonds, and the Trustee is hereby authorized and directed to act forthwith upon each such written order.

[The following Section 4.03, was added by the Resolution No. 05-0125, adopted on July 5, 2005.]

Section 4.03. [Debt Service Holding Fund](#). The Trustee is hereby authorized and directed to create and hold in trust a separate fund designated as the Debt Service Holding Fund which shall not be pledged to the payment of the Bonds, but shall be established for the convenience of the Commission in the administration and investment of monies delivered to the

Trustee prior to the time the Commission is required to make deposits into the Debt Service Fund and the Series Principal and Interest Accounts therein as required by the 1991 Resolution, including by Section 30-65.25. The Commission may at any time, deliver to the Trustee monies for deposit in the Debt Service Holding Fund, to be held and invested therein as directed by an Authorized Commission Representative. Upon the order of an Authorized Commission Representative, monies in the Debt Service Holding Fund and investment earnings thereon may be invested in any Permitted Investment, transferred to the Debt Service Fund and the Series Principal and Interest Accounts therein, or returned to the Commission.

ARTICLE V

REVENUES AND FUNDS

Section 5.01. Revenues; Pledge of Net Revenues; Trust Estate. The Bonds shall be payable as to principal, purchase price, if any, premium, if any, and interest exclusively from, and shall be secured by a pledge of, lien on and security interest in the Net Revenues. The Net Revenues shall constitute a trust fund for the security and payment of the principal of, purchase price, if any, premium, if any, and interest on, the Bonds. The Commission hereby grants a lien on and security interest in, assigns, transfers, pledges and grants and conveys to the Trustee and its successors and assigns forever, for the benefit of the Bondholders, the following property:

(a) Amounts on deposit from time to time in the Funds and Accounts created pursuant to this 1991 Resolution, including the earnings thereon, subject to the provisions of this 1991 Resolution permitting the application thereof for the purposes and on the terms and conditions set forth herein; provided, however, that there expressly is excluded from any pledge, assignment, lien or security interest created by this 1991 Resolution, Revenues appropriated, transferred, deposited, expended or used for (i) the payment of Operation and Maintenance Expenses; and (ii) any required payments into the 1973 Bond Funds;

(b) Amounts constituting Net Revenues (excluding the amounts described in (ii) in the preceding paragraph); and

(c) Any and all other property of any kind from time to time hereafter by delivery or by writing of any kind specifically conveyed, pledged, assigned or transferred, as and for additional security hereunder for the Bonds, by the Commission or anyone on its behalf or with its written consent in favor of the Trustee, which is hereby authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms hereof.

The pledge of the Net Revenues and other moneys and property herein shall be irrevocable until all of the Bonds have been paid and retired. Such pledge shall be valid and binding from and after the date hereof and all Net Revenues shall immediately be subject to the lien of such pledge as and when received by the Commission, without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Commission.

All Bonds issued hereunder and at any time Outstanding shall be equally and ratably secured with all other Outstanding Bonds, with the same right, lien, preference and

priority with respect to Net Revenues, without preference, priority or distinction on account of the date or dates or the actual time or times of the issuance or maturity of the Bonds or otherwise. All Bonds of a particular Series shall in all respects be equally and ratably secured and shall have the same right, lien and preference hereunder established for the benefit of such Series of Bonds, including, without limitation, rights in any related account in the Construction Fund, the Debt Service Fund or the Reserve Fund. Amounts drawn under a Credit Facility with respect to particular Bonds and all other amounts held in Funds or Accounts established with respect to such Bonds pursuant to the provisions hereof and of any Supplemental Resolution with respect thereto shall be applied solely to make payments on such Bonds.

Section 5.03. Debt Service Fund. The Commission shall establish a separate account or accounts in the Debt Service Fund with respect to any or all of the Bonds of one or more Series. Moneys in the Debt Service Fund and the accounts therein shall be held in trust and applied to pay principal and purchase price of and interest and redemption premium on such Bonds, in the amounts, at the times and in the manner set forth herein and in the Supplemental Resolutions with respect thereto; provided, however, that each Supplemental Resolution shall require to the extent practicable that amounts be accumulated in the applicable accounts in the Debt Service Fund so that moneys sufficient to make any regularly scheduled payment of principal of or interest on the Bonds are on deposit therein at least one month prior thereto. Moneys in the accounts in the Debt Service Fund may also be applied to pay or reimburse a Credit Provider for Repayment Obligations to the extent provided herein or in the Supplemental Resolutions with respect thereto.

If and to the extent provided in any Supplemental Resolution authorizing the issuance of a Series of Bonds, Swap Payments may be paid directly out of, and Swap Receipts paid directly into, the account or accounts in the Debt Service Fund established with respect to such Series of Bonds.

Section 5.04. Reserve Fund. The Commission may establish a separate account or accounts in the Reserve Fund with respect to any or all of the Bonds of one or more Series. Moneys in the Reserve Fund and the accounts therein shall be held in trust for the benefit and security of the Holders of the Bonds to which such accounts are pledged, and shall not be available to pay or secure the payment of any other Bonds. Each account in the Reserve Fund shall be funded and replenished in the amounts, at the times and in the manner provided herein or in the Supplemental Resolutions with respect thereto, including without limitation through the use of a Credit Facility. Moneys in the respective accounts in the Reserve Fund shall be applied to pay and secure the payment of such Bonds as provided herein or in the Supplemental Resolution with respect thereto. Moneys in an account in the Reserve Fund may also be applied to pay or reimburse a Credit Provider for Repayment Obligations to the extent provided herein or in the Supplemental Resolution with respect thereto.

Section 5.05. Revenue Fund.

(b) Operation and Maintenance Account. Moneys in the Operation and Maintenance Account shall be applied to pay Operation and Maintenance Expenses as the same become due, and shall not be pledged or applied to pay or secure the payment of the Bonds.

Moneys in the Revenue Bond Account shall be applied by the Treasurer first, to make the required payments and deposits into the 1973 Bond Funds in the amounts, at the times and in the manner required by the 1973 Resolution; second, to make the required payments and deposits in the Debt Service Fund and Reserve Fund and the accounts therein in the amounts, at the times and in the manner required hereby and by the Supplemental Resolutions with respect thereto; and third, to make the required payments and deposits in any funds and accounts hereafter created to pay or secure the payment of the principal or purchase price of or interest or redemption premium on any Subordinate Bonds in the amounts, at the times and in the manner required by the resolutions and other agreements authorizing the issuance and providing the terms and conditions thereof.

(d) General Obligation Bond Account. Moneys in the General Obligation Bond Account shall be applied by the Treasurer to make the required periodic payments to the City for the payment when due of the principal of and interest on general obligation bonds of the City issued for Airport purposes.

(e) General Purpose Account. Moneys in the General Purpose Account shall be used for any other lawful purpose of the Commission, including without limitation to make Swap Payments.

(f) Contingency Account. The Commission shall deposit in the Contingency Account such amounts, if any, as the Commission may determine from time to time. Moneys in the Contingency Account shall be applied upon the direction of an Authorized Commission Representative (i) to pay Operation and Maintenance Expenses; (ii) to make any required payments or deposits to pay or secure the payment of the principal or purchase price of or interest or redemption premium on the 1973 Resolution Bonds or the 1991 Resolution Bonds; and (iii) to pay the cost of any additions, improvements, repairs, renewals or replacements to the Airport, in each case only if and to the extent that moneys otherwise available to make such payments or deposits are insufficient therefor. Moneys in the Contingency Account shall be deposited by the Treasurer in the Revenues Account as of the last Business Day of each Fiscal Year, unless and to the extent the Commission shall otherwise direct. On the first Business Day of each Fiscal Year, such moneys deposited in the Revenues Account from the Contingency Account, or such lesser amount as the Commission shall direct, shall be deposited by the Treasurer in the Contingency Account.

Section 5.06. Application of Revenues. On the first Business Day of each month, moneys in the Revenues Account shall be set aside and applied by the Treasurer for the following purposes in the following amounts and order of priority, each priority to be fully satisfied before the next priority in order:

(a) Operation and Maintenance Account. In the Operation and Maintenance Account an amount equal to one-twelfth (1/12th) of the estimated Operation and Maintenance Expenses for the then current Fiscal Year as set forth in the budget of the Airport for such Fiscal Year as finally approved by the Commission. In the event that the balance in the Operation and Maintenance Account at any time is insufficient to make any required payments therefrom, additional amounts at least sufficient to make such payments shall immediately be deposited in the Operation and Maintenance Account from the Revenues Account, and may be credited against the next succeeding monthly deposit upon the written direction to the Treasurer of an Authorized Commission Representative.

(b) Revenue Bond Account. In the Revenue Bond Account such amount as shall be necessary:

(i) to make all payments and deposits required to be made during such month into the 1973 Bond Funds in the amounts and at the times required by the 1973 Resolution;

(ii) to make all payments and deposits required to be made during such month into the Debt Service Fund and the Reserve Fund and the accounts therein in the amounts and at the times required hereby and by the Supplemental Resolutions with respect to the Bonds; and

(iii) to make all payments and deposits required to be made during such month into any funds and accounts created to pay or secure the payment of the principal or purchase price of or interest or redemption premium on any Subordinate Bonds in the amounts and at the times required by the resolutions and other agreements authorizing the issuance and providing the terms and conditions thereof.

(c) General Obligation Bond Account. In the General Obligation Bond Account an amount equal to one-sixth (1/6) of the aggregate amount of interest coming due on the next succeeding interest payment date, plus one-twelfth (1/12) of the aggregate amount of principal coming due on the next succeeding principal payment date, with respect to general obligation bonds of the City issued for Airport purposes.

(d) General Purpose Account. In the General Purpose Account an amount at least equal to the payments estimated to be made therefrom during such month.

(e) Contingency Account. In the Contingency Account such amount, if any, as shall be directed by the Commission from time-to-time.

Section 5.07. Deficiencies in Funds and Accounts. In the event that Revenues in the Revenues Account together with other available moneys are insufficient as of the first Business Day of any month to make the required payments and deposits pursuant to paragraph (b)(ii) of Section 5.06, after having made the payments and deposits required pursuant to paragraphs (a) and (b)(i) of that Section, the Treasurer shall allocate available Net Revenues to make all payments or deposits then required, first, with respect to interest on Bonds; second, with respect to principal, redemption price or purchase price of Bonds; and third, with respect to any reserve requirements for Bonds. Available Net Revenues shall be allocated within each order of priority, to the extent necessary, on a pro rata basis in proportion to the respective amounts of payments or deposits required to be made during such month with respect to principal or purchase price of, interest on or reserve requirements for Bonds, as the case may be.

Section 5.08. Investment of Moneys. (a) Moneys in all Funds and Accounts held by the Trustee shall be invested as soon as practicable upon receipt in Permitted Investments as directed in writing by an Authorized Commission Representative, or as selected by the Trustee in the absence of direction by the Commission; provided, that (i) the maturity date or the date on which such Permitted Investments may be redeemed at the option of the holder thereof shall coincide as nearly as practicable with (but in no event shall be later than) the date or dates on which moneys in the Funds or Accounts for which the investments were made will be required for the purposes thereof, and (ii) in the absence of direction from an Authorized Commission Representative, the Trustee shall select Permitted Investments in accordance with prudent investment standards. Anything herein to the contrary notwithstanding, moneys in all Funds and Accounts held by the Treasurer shall be invested in Permitted Investments in accordance with the policies and procedures of the Treasurer in effect from time to time.

(b) Investment of amounts in any Fund or Account shall be made in the name of such Fund or Account.

(c) Amounts credited to a Fund or Account may be invested, together with amounts credited to one or more other Funds or Accounts, in the same Permitted Investment; provided, however, that (i) each such investment complies in all respects with the provisions of subsection (a) of this Section as they apply to each Fund or Account for which the joint investment is made, and (ii) separate records are maintained for each Fund and Account and such investments are accurately reflected therein.

(d) The Trustee may make any investment permitted by this Section through or with its own commercial banking or investment departments, unless otherwise directed by the Commission.

(e) Except as otherwise specifically provided herein, in computing the amount in any Fund or Account, Permitted Investments purchased as an investment of moneys therein shall be valued at the current market value thereof or at the redemption price thereof, if then redeemable at the option of the holder, in either event inclusive of accrued interest.

(f) Any transfer to or deposit in any Fund or Account required by this Resolution may be satisfied by transferring or depositing an investment with a market value equal to the required transfer or deposit in lieu of transferring or depositing cash.

Section 5.09. [Limited Liability of Trustee for Investments](#). The Trustee shall not be liable for making any investment authorized by the provisions of this Article in the manner provided in this Article or for any loss resulting from any such investment so made, except for its own negligence, willful misconduct or self-dealing constituting a breach of trust under applicable law.

Section 5.10. [Purchase of Bonds](#). (a) The Commission, or the Trustee upon the written direction of the Commission, from surplus Net Revenues or other available funds, may purchase Bonds of any Series at public or private sale, as and when and at such prices as the Commission may in its discretion determine to be prudent, upon receipt of a recommendation of the Director of Airports.

(b) If authorized hereby or by the relevant Supplemental Resolution, the Trustee shall apply any or all amounts deposited in an account in the Debt Service Fund with respect to mandatory sinking fund payments to the purchase of term Bonds, at such prices and in accordance with such terms as may be prescribed hereby or by said Supplemental Resolution.

(c) Absent written directions to the contrary from an Authorized Commission Representative, all Bonds so purchased and the appurtenant coupons, if any, shall be delivered to and cancelled by the Trustee and shall thereafter be delivered by the Trustee to, or upon the order of, the Commission, and no Bonds shall be issued in place thereof.

ARTICLE VI

GENERAL COVENANTS OF THE COMMISSION

Section 6.01. [Payment of Principal and Interest; Negative Pledge; Annual No Default Certificate](#). (a) The Commission covenants and agrees that it promptly will pay or cause to be paid the principal and purchase price of, premium, if any, and interest on each Bond issued hereunder at the place, on the dates and in the manner provided herein, in any applicable Supplemental Resolution and in said Bond according to the terms thereof but solely from the sources pledged to such payment or from such other sources or revenues as may be used for such payment.

(b) The Commission covenants and agrees that it will not create any pledge of, lien on, security interest in or encumbrance upon, or permit the creation of any pledge of, lien on, security interest in or encumbrance upon, Revenues or Net Revenues except for a pledge, lien, security interest or encumbrance subordinate to the pledge, lien and security interest granted hereby for the benefit of the Bonds.

Section 6.02. Performance of Covenants. The Commission covenants that it faithfully will perform at all times any and all covenants, undertakings, stipulations and provisions on its part to be performed as provided herein, in each and every Bond executed, authenticated and delivered hereunder and in all proceedings of the Commission pertaining thereto.

Section 6.03. Instruments of Further Assurance. The Commission covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such instruments supplemental hereto and such further acts, instruments and transfers as the Trustee reasonably may require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee the Commission's interest in and to the Net Revenues and all other property that is conveyed, pledged or assigned to secure or provide for the payment of the principal, premium, if any, purchase price, if any, and interest on any Bonds in the manner and to the extent contemplated herein or therein.

(ii) Net Revenues, together with any Transfer, in each Fiscal Year will be at least equal to 125% of aggregate Annual Debt Service with respect to the 1991 Resolution Bonds and 1973 Resolution Bonds for such Fiscal Year.

(b) The Commission covenants that if Net Revenues, together with any Transfer, in any Fiscal Year are less than the amount specified in subsection (a)(ii) of this Section, the Commission will retain and direct an Airport Consultant to make recommendations as to the revision of the Commission's business operations and its schedule of rentals, rates, fees

and charges for the use of the Airport and for services rendered by the Commission in connection with the Airport, and after receiving such recommendations or giving reasonable opportunity for such recommendations to be made the Commission shall take all lawful measures to revise the schedule of rentals, rates, fees and charges as may be necessary to produce Net Revenues, together with any Transfer, in the amount specified in paragraph (a)(ii) of this Section in the next succeeding Fiscal Year.

(c) In the event that Net Revenues for any Fiscal Year are less than the amount specified in subsection (a)(ii) of this Section, but the Commission promptly has taken prior to or during the next succeeding Fiscal Year all lawful measures to revise the schedule of rentals, rates, fees and charges as required by subsection (b) of this Section, such deficiency in Net Revenues shall not constitute an Event of Default under the provisions of Section 7.01(d). Nevertheless, if after taking the measures required by subsection (b) of this Section to revise the schedule of rentals, rates, fees and charges, Net Revenues in the next succeeding Fiscal Year (as evidenced by the audited financial statements of the Commission for such Fiscal Year) are less than the amount specified in subsection (a)(ii) of this Section, such deficiency in Net Revenues shall constitute an Event of Default under the provisions of Section 7.01(e).

Section 6.05. Operation and Maintenance of Airport. The Commission covenants that it will operate and maintain the Airport as a revenue producing enterprise in accordance with the Act. The Commission will make such repairs to the Airport as shall be necessary or appropriate in the prudent management thereof. The Commission covenants that it will operate and maintain the Airport in a manner which will entitle it at all times to charge and collect fees, charges and rentals in accordance with airport use agreements, if any, or as otherwise permitted by law, and shall take all reasonable measures permitted by law to enforce prompt payment to it of such fees, charges and rentals when and as due.

The Commission will, from time to time, duly pay and discharge, or cause to be paid and discharged, any taxes, assessments or other governmental charges lawfully imposed upon the Airport or upon any part thereof, or upon the revenues from the operation thereof, when the same shall become due, as well as any lawful claim for labor, materials or supplies which, if unpaid, might by law become a lien or charge upon the Airport or such revenues, or which might impair the security of the Bonds. Notwithstanding the foregoing, the Commission need not pay or discharge any tax, assessment or other governmental charge, or claim for labor, materials or supplies, if and so long as the Commission shall contest the validity or application thereof in good faith.

The Commission will continuously operate the Airport so that all lawful orders of the Federal Aviation Administration and any other governmental agency or authority having jurisdiction in the premises shall be complied with, but the Commission shall not be required to comply with any such orders so long as the validity or application thereof shall be contested in good faith.

Section 6.06. Maintenance of Powers; Retention of Assets. (a) The Commission covenants that it will use its best efforts to keep the Airport open for landings and takeoffs of commercial aircraft using facilities similar to those at the Airport, and to maintain the powers, functions, duties and obligations now reposed in it pursuant to law, and will not at any time

voluntarily do, suffer or permit any act or thing the effect of which would be to hinder, delay or imperil either the payment of the indebtedness evidenced by any of the Bonds or any other obligation secured hereby or the performance or observance of any of the covenants herein contained.

(b) The Commission covenants that it will not dispose of assets necessary to operate the Airport in the manner and at the levels of activity required to enable it to perform its covenants contained herein, including, without limitation, the covenants contained in Section 6.04.

Section 6.07. Insurance. Subject in each case to the condition that insurance is obtainable at reasonable rates from responsible insurers and upon reasonable terms and conditions:

(a) The Commission shall procure or provide and maintain, at all times while any of the Bonds shall be outstanding, insurance or Qualified Self-Insurance on the Airport against such risks as are usually insured by other major airports. Such insurance or Qualified Self-Insurance shall be in an adequate amount as to the risk insured against as determined by the Commission. The Commission need not carry insurance or Qualified Self-Insurance against losses caused by land movement, including but not limited to seismic activity.

(b) Any Qualified Self-Insurance shall be established in accordance with applicable law; shall include reserves or reinsurance in amounts which the Commission determines to be adequate to protect against risks assumed under such Qualified Self-Insurance, including without limitation any potential retained liability in the event of the termination of such Qualified Self-Insurance; and shall be reviewed at least once every twelve (12) months by an Insurance Consultant who shall deliver to the Commission a report on the adequacy of the reserves established or reinsurance provided thereunder. If the Insurance Consultant determines that such reserves or reinsurance are inadequate, it shall make a recommendation as to the amount of reserves or reinsurance that should be established and maintained, and the Commission shall comply with such recommendation unless it can establish to the satisfaction of, and receive a certification from, the Insurance Consultant that a lower amount is reasonable to provide adequate protection to the Airport and the Commission.

(c) The Commission shall secure and maintain adequate fidelity insurance or bonds on all officers and employees handling or responsible for funds of the Commission, except to the extent that such insurance is provided by the City.

(d) Within 120 days after the close of each Fiscal Year, the Commission shall file with the Trustee a certificate of an Authorized Commission Representative containing a summary of all insurance policies and Qualified Self-Insurance then in effect with respect to the Airport and the Commission.

(e) The proceeds of any insurance shall be applied solely for Airport purposes.

Section 6.08. Financial Records and Statements. The Commission shall maintain proper books and records in which full and correct entries shall be made in accordance with

generally accepted accounting principles, of all its business and affairs. The Commission shall have an annual audit made by an Independent Auditor and shall within 120 days after the end of each of its Fiscal Years furnish to the Trustee copies of the audited financial statements of the Commission for such Fiscal Year.

All books of records and accounts relating to the Airport and the Revenues may be kept by the Controller for and on behalf of the Commission. All such books and records pertaining to the Airport shall be open upon reasonable notice during regular business hours to the Trustee or the representatives thereof duly authorized in writing.

Section 6.09. Tax Covenants. Except as otherwise provided herein or in any Supplemental Resolution with respect to a Series of Bonds, the Commission covenants as follows:

(a) The Commission will make no use of the proceeds of any Series of Bonds or take any other action or permit any other action to be taken that would affect adversely the exclusion from gross income of, interest on such Series of Bonds for federal income tax purposes or, if applicable, the non-preference status of such interest for federal alternative minimum income tax purposes.

(b) The Commission shall comply with covenants with respect to the use of proceeds of Bonds as provided herein or in any applicable Supplemental Resolution.

Section 6.10. Prohibition Against Issuance of Additional 1973 Resolution Bonds. The Commission hereby agrees that so long as any Bonds are Outstanding under this 1991 Resolution, it will not issue any additional bonds or other obligations under the 1973 Resolution with a pledge of and lien on Net Revenues equal to that of the 1973 Resolution Bonds, except that the Commission may issue refunding bonds pursuant to Section 3.05 of the 1973 Resolution to refund any or all of the 1973 Resolution Bonds outstanding on the original date of adoption of this 1991 Resolution; provided, that any such refunding 1973 Resolution Bonds shall be issued only if there is no increase in the aggregate principal amount of such refunding 1973 Resolution Bonds which will be scheduled to come due, either at maturity or by mandatory sinking fund redemption, over the aggregate principal amount of 1973 Resolution Bonds to be refunded which are then scheduled to come due in any Fiscal Year during which any 1991 Resolution Bonds are then scheduled to be Outstanding. The Commission further agrees that so long as the 1973 Resolution is in effect, the Commission will make full and timely payment of the 1973 Bonds in accordance with the terms of said 1973 Resolution and will comply with all the terms, conditions, covenants and agreements as set forth in said 1973 Resolution.

Section 6.11. Eminent Domain. If an Airport facility or Airport facilities are taken by eminent domain proceedings or conveyance in lieu thereof, the Commission shall, to the extent the 1973 Resolution is then in effect and such 1973 Resolution directs the use of the net proceeds, comply with the terms of the 1973 Resolution and, otherwise or to the extent such document does not control the use of such net proceeds, the Commission shall create within the Airports Revenue Fund a special account and credit the net proceeds received as a result of such taking or conveyance to such account and shall within a reasonable period of time, not to exceed three years after the receipt of such amounts, use such proceeds to (1) replace the Airport

facilities which were taken or conveyed, (2) provide additional revenue-producing Airport facilities, (3) redeem Bonds or (4) create an escrow fund pledged to pay specified Bonds and thereby cause such Bonds to be deemed to be paid as provided in Article X hereof.

Section 6.12. Conflicts with 1973 Resolution. The covenants and agreements of the Commission set forth in the 1973 Resolution shall govern over the covenants and agreements of the Commission set forth herein to the extent of any conflict and only in the event that it is not possible to comply with both, for so long as any 1973 Resolution Bonds remain Outstanding.

ARTICLE VII

DEFAULT AND REMEDIES

Section 7.01. Events of Default. Each of the following is hereby declared an “Event of Default” hereunder with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series shall not be made in full when the same becomes due and payable;

(b) if payment of the principal or Accreted Value of any Bond of such Series shall not be made in full when the same becomes due and payable, whether at maturity or by proceedings for redemption or otherwise;

(c) if payment of the purchase price of any Bond tendered for optional or mandatory purchase in accordance with the provisions of the Supplemental Resolution providing for the issuance of such Bond shall not be made in full when due;

(d) if the Commission shall fail to observe or perform any other covenant or agreement on its part under this 1991 Resolution, other than the covenant or agreement set forth in Section 6.04(a), for a period of 60 days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Commission by the Trustee, or to the Commission and the Trustee by the Owners of at least 25% in aggregate Principal Amount of Bonds of such Series then Outstanding; provided, however, that if the breach of covenant or agreement is one which cannot be completely remedied within the 60 days after written notice has been given, it shall not be an Event of Default with respect to such Series as long as the Commission has taken active steps within the 60 days after written notice has been given to remedy the failure and is diligently pursuing such remedy;

(e) subject to subsection (c) of Section 6.04, if the Commission is required pursuant to Section 6.04(b) to take measures to revise the schedule of rentals, rates, fees and charges for the use of the Airport and Net Revenues, together with any Transfer, for the Fiscal Year in which such adjustments are made are less than the amount specified in Section 6.04(a);

(f) if either the Commission or the City shall institute proceedings to be adjudicated a bankrupt or insolvent, or shall consent to the institution of bankruptcy or insolvency proceedings against it, or shall file a petition or answer or consent seeking reorganization or relief under the federal Bankruptcy Code or any other similar applicable federal or state law, or shall consent to the filing of any such petition or to the appointment of a

receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Commission or of any substantial part of its property, or shall fail to timely controvert an involuntary petition filed against it under the federal Bankruptcy Code, or shall consent to entry of an order for relief under the federal Bankruptcy Code, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due;

(g) If there is a default in the payment of principal of, premium, if any, or interest on any 1973 Resolution Bond or there occurs and continues any event of default under the 1973 Resolution which would permit the 1973 Resolution Bonds to be accelerated; or

(h) The occurrence of any other Event of Default with respect to such Series of Bonds as is provided in a Supplemental Resolution.

An Event of Default with respect to one Series of Bonds shall not in and of itself constitute an Event of Default with respect to any other Series of Bonds unless such event or condition on its own constitutes an Event of Default with respect to such other Series of Bonds pursuant to this Section 7.01.

Section 7.02. Limited Acceleration. (a) Immediately upon the acceleration of the payment of principal of and interest on the 1973 Resolution Bonds, without any action on the part of the Trustee, the principal of all of the Bonds then Outstanding, and the interest accrued thereon, shall be and shall become immediately due and payable, anything in this 1991 Resolution or in the Bonds contained to the contrary notwithstanding. The Bonds shall not be subject to acceleration under any other circumstances or for any other reason, including without limitation upon the occurrence and continuance of an Event of Default hereunder. The Bonds shall not be subject to mandatory redemption or mandatory purchase or tender for purchase as a result of the occurrence and continuance of an Event of Default to the extent the redemption or purchase price is payable from Net Revenues.

(b) Promptly after receipt by the Trustee of written notice of any acceleration of the Bonds, the Trustee shall cause a notice thereof to be mailed, first class, postage prepaid, to all Holders of registered Bonds and, if provided hereby or by a Supplemental Resolution, to one or more Credit Providers. Failure to mail any such notice, or any defect in any notice so mailed, shall not affect such acceleration.

(c) Notwithstanding subsection (a) of this Section 7.02, if at any time after the principal of the Bonds shall have become due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this 1991 Resolution, (i) the acceleration of the 1973 Resolution Bonds shall have been rescinded and annulled, (ii) sufficient moneys (other than moneys drawn by the Trustee under any Credit Facility) shall have accumulated in the Debt Service Fund to pay the principal of all matured Bonds of each Series and all arrears of interest, if any, upon all such Bonds then Outstanding (except the principal of any such Bonds not then due and payable by their terms and the interest accrued on such Bonds since the last Interest Payment Date), (iii) the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and all other amounts then payable by the Commission hereunder shall have been paid or moneys sufficient to pay the same shall have been deposited

with the Trustee, and (iv) every other default known to the Trustee in the observance or performance of any covenant, condition, agreement or provision contained in the Bonds of each Series or in the 1991 Resolution (other than a default in the payment of the principal of such Bonds then due and payable only because of a declaration under this Section) shall have been remedied to the satisfaction of the Trustee, and if provided hereby or by a Supplemental Resolution, with the consent of one or more Credit Providers, then and in every such case the Trustee shall, by a notice in writing to the Commission, rescind and annul such acceleration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

(d) Upon any acceleration of the Bonds and subsequent payment under each Credit Facility, so long as moneys sufficient to pay principal and accrued interest on the Bonds to the date of acceleration have been deposited by the Trustee and are on hand in the Debt Service Fund from and after such date, then interest on the Bonds shall cease to accrue as of the date of acceleration.

Section 7.03. Remedies and Enforcement of Remedies. (a) Subject to the provisions of Section 7.13, upon the occurrence and continuance of an Event of Default with respect to one or more Series of Bonds, the Trustee may, or upon the written request of the Holders of not less than a majority in aggregate Principal Amount of the Bonds of such Series together with indemnification of the Trustee to its satisfaction therefor shall, proceed forthwith to protect and enforce its rights and the rights of the Bondholders hereunder and under the Act and such Bonds by such suits, actions or proceedings as the Trustee, being advised by counsel, shall deem expedient, including but not limited to:

(i) Actions to recover money or damages due and owing;

(ii) Actions to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of such Bonds; and

(iii) Enforcement of any other right of such Bondholders conferred by law, including the Act, or hereby, including without limitation by suit, action, injunction, mandamus or other proceedings to enforce and compel the performance by the Commission of actions required by the Act or the 1991 Resolution, including the fixing, changing and collection of fees or other charges.

(b) Subject to the provisions of Section 7.13, regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 25% in aggregate Principal Amount of the Bonds of one or more Series, shall upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient (i) to prevent any impairment of the security hereunder by any acts or omissions to act which may be unlawful or in violation hereof, or (ii) to preserve or protect the interests of the Holders, provided that such request is in accordance with law and the provisions hereof and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Holders of Bonds of each Series not making such request.

(c) Notwithstanding anything else in this Section 7.03 to the contrary, the remedies herein provided for with respect to obtaining moneys on deposit in Funds or Accounts hereunder shall be limited to the Funds or Accounts hereunder pledged to the applicable Series of Bonds with respect to which an Event of Default exists.

Section 7.04. Application of Revenues and Other Moneys After Default. During the continuance of an Event of Default with respect to one or more Series of Bonds, all moneys held and received by the Trustee with respect to each such Series of Bonds pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings which result in the collection of such moneys and of the fees, expenses and advances incurred or made by the Trustee with respect to such Event of Default, be applied as follows; provided, however, that any proceeds of a Credit Facility if any, and amounts held in the Debt Service Fund and the Reserve Fund pledged to a particular Series of Bonds shall be applied solely to pay principal, premium, if any, purchase price, if any, of or interest, as applicable, on the related Series of Bonds:

First: To the payment to the persons entitled thereto of all installments of interest then due on such Bonds in the order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid Principal Amounts and premium, if any, of any such Bonds which shall have become due (other than Bonds previously called for redemption for the payment of which moneys are held pursuant to the provisions hereof), whether at maturity, upon purchase or acceleration or by proceedings for redemption or otherwise or upon the tender of any Bond pursuant to the terms of the Supplemental Resolution providing for the issuance of such Bonds, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds of such Series due on any date, then to the payment thereof ratably, according to the Principal Amounts due on such date, to the persons entitled thereto, without any discrimination or preference.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as the Trustee shall determine in accordance with this 1991 Resolution, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the Principal Amounts to be paid on such dates shall cease to accrue if so paid. The Trustee shall give such notice as it may deem appropriate in accordance with this 1991 Resolution of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement of any partial payment or for cancellation if fully paid.

Whenever the Principal Amount, premium, if any, purchase price, if any, and interest thereon of all Bonds of a Series have been paid under the provisions of this Section and

all expenses and charges of the Trustee have been paid, and each Credit Provider, if any, has been reimbursed for all amounts drawn under the applicable Credit Facility, if any, and used to pay principal, premium, if any, purchase price, if any, and interest on the Bonds and no Repayment Obligation shall be outstanding, any balance remaining shall be paid first to such Credit Provider to the extent any other amounts are then owing to such Credit Provider under the applicable agreement, and then to the Commission or as a court of competent jurisdiction may direct.

Section 7.05. Remedies Not Exclusive. No remedy by the terms hereof conferred upon or reserved to the Trustee or the Bondholders or any Credit Provider is intended to be exclusive of any other remedy but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or existing at law or in equity or by statute, including the Act, on or after the date hereof.

Section 7.06. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee may be brought in its name as the Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of Sections 7.03 and 7.04, any recovery or judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

Section 7.07. Control of Proceedings. (a) If an Event of Default with respect to one or more but not all Series of Bonds Outstanding shall have occurred and be continuing, the Holders of a majority in aggregate Principal Amount of the Bonds of such one or more Series then Outstanding shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken with respect to funds or assets solely securing such one or more Series in connection with the enforcement of the terms and conditions hereof; provided, that such direction is in accordance with law and the provisions hereof (including indemnity to the Trustee as provided herein) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondholders of such Series of Bonds not joining in such direction; and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action hereunder which it may deem proper and in accordance with the 1991 Resolution and which is not inconsistent with such direction by Bondholders.

(b) If an Event of Default with respect to all Series of Bonds shall have occurred and be continuing, the Holders of a majority in aggregate Principal Amount of all Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee to direct the method and place of conducting any proceeding to be taken with respect to Net Revenues or other assets securing all Bonds in connection with the enforcement of the terms and conditions hereof; provided, that such direction is in accordance with law and the provisions hereof (including indemnity to the Trustee as provided herein) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondholders not joining in such direction; and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action hereunder which it may deem proper in

accordance with this 1991 Resolution and which is not inconsistent with such direction by Bondholders.

Section 7.08. Individual Bondholder Action Restricted. (a) No Holder of any Bond of a Series shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof or for the execution of any trust hereunder or for any remedy hereunder unless:

(i) an Event of Default has occurred with respect to such Series (A) under subsection (a), (b), (c), (g) or (h) of Section 7.01 of which the Trustee is deemed to have notice, or (B) under subsection (d), (e) or (f) of Section 7.01 as to which the Trustee has actual knowledge, or (C) as to which the Trustee has been notified in writing by the Commission, or (D) as to which the Commission and the Trustee have been notified in writing by the Holders of at least 25% in aggregate Principal Amount of the Bonds of all such Series then Outstanding with respect to which an Event of Default has occurred;

(ii) the Holders of at least a majority in aggregate Principal Amount of Bonds of all such Series then Outstanding with respect to which an Event of Default has occurred shall have made written request to the Trustee to proceed to exercise the powers granted herein or to institute such action, suit or proceeding in its own name; and

(iii) such Bondholders shall have offered the Trustee indemnity as provided in Section 8.02; and

(iv) the Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity.

(b) No one or more Holders of Bonds of such Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security hereof or to enforce any right hereunder except in the manner herein provided and for the equal benefit of the Holders of all Bonds of such Series then Outstanding.

(c) Nothing contained herein shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond of such Series (i) to receive payment of the principal of, premium, if any, purchase price, if any, or interest on such Bond on or after the due date thereof, or (ii) to institute suit for the enforcement of any such payment on or after such due date; provided, however, no Holder of any Bond of such Series may institute or prosecute any such suit or enter judgment therein if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien hereof on the moneys, funds and properties pledged hereunder for the equal and ratable benefit of all Holders of Bonds of such Series.

Section 7.09. Termination of Proceedings. In case any proceeding taken by the Trustee on account of an Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or to the Bondholders, then the Commission, the Trustee and the Bondholders shall be restored to their former positions and

rights hereunder, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Section 7.10. Waiver of Event of Default. (a) No delay or omission of the Trustee, of any Holder of the Bonds or, if provided hereby or by Supplemental Resolution, any Credit Provider, to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee, the Holders of the Bonds and, if provided hereby or by Supplemental Resolution, any Credit Provider, respectively, may be exercised from time to time and as often as may be deemed expedient by them.

(b) The Trustee, with the consent of any Credit Provider if provided hereby or by Supplemental Resolution (provided, however, that such Credit Provider's consent may be required only in connection with an Event of Default on a Series of Bonds with respect to which such Credit Provider is providing a Credit Facility), may waive any Event of Default with respect to the Bonds that, in its opinion, shall have been remedied at any time, regardless of whether any suit, action or proceeding has been instituted, before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof, or before the completion of the enforcement of any other remedy hereunder.

(c) Notwithstanding anything contained herein to the contrary, the Trustee, upon the written request of (i) the Credit Provider, if any, if provided hereby or by Supplemental Resolution, with respect to an Event of Default which applies only to the related Series of Bonds, (ii) Holders of at least a majority of the aggregate Principal Amount of Bonds of a Series then Outstanding with respect to any Event of Default which applies only to such Series, with the consent of the applicable Credit Provider, if any, if provided for hereby or by Supplemental Resolution, or (iii) Holders of at least a majority of the aggregate Principal Amount of Bonds then Outstanding with respect to any Event of Default which applies to all Bonds, shall waive any such Event of Default hereunder and its consequences; provided, however, that a default in the payment of the Principal Amount of, premium, if any, purchase price, if any, or interest on any such Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all the Bonds then Outstanding of such Series to which an Event of Default applies and any consent of the applicable Credit Provider, if any, if provided for hereby or by Supplemental Resolution.

(d) In case of any waiver by the Trustee of an Event of Default hereunder, the Commission, the Trustee, the Bondholders and, if provided for hereby or by Supplemental Resolution, the Credit Provider, if any, shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with this Section.

Section 7.11. Notice of Default. (a) Promptly, but in any event within 30 days after the occurrence of an Event of Default with respect to a Series of Bonds of which the Trustee is deemed to have notice pursuant to Section 8.10 of this 1991 Resolution, the Trustee shall, unless such Event of Default shall have theretofore been cured, give written notice thereof

by first class mail to each Holder of registered Bonds of such Series then Outstanding, provided that, except in the case of a default in the payment of Principal Amounts, sinking fund installments, purchase price or the redemption price of or interest on any of the Bonds of such Series, the Trustee may withhold such notice to such Holders if, in its sole judgment in accordance with the 1991 Resolution, it determines that the withholding of such notice is in the best interests of the Holders of such Series of Bonds.

(b) The Trustee shall promptly notify the Commission, the Registrar and any Credit Provider, if required to hereby or by a Supplemental Resolution, of the occurrence of an Event of Default of which the Trustee is deemed to have notice pursuant to Section 8.10 of this 1991 Resolution.

Section 7.12. [Limitations on Remedies](#). It is the purpose and intention of this Article to provide rights and remedies to the Trustee and Bondholders which lawfully may be granted under the provisions of the Act, but should any right or remedy herein granted be held to be unlawful, the Trustee and the Bondholders shall be entitled as above set forth to every other right and remedy provided in this 1991 Resolution and by law.

Section 7.13. [Credit Providers to Control Remedies](#). While a Credit Facility with respect to any Bonds is in effect, notwithstanding anything else herein to the contrary, a Supplemental Resolution may provide that so long as the Credit Provider is not Insolvent and is not in default under its Credit Facility, no right, power or remedy hereunder with respect to such Bonds may be pursued without the prior written consent of such Credit Provider. The Supplemental Resolution may further provide that the Credit Provider shall have the right to direct the Trustee to pursue any right, power or remedy available hereunder with respect to any assets available hereunder which secure no Bonds other than the Bonds secured by such Credit Facility.

Section 7.14. [Inconsistent or Lack of Directions in Default](#). Notwithstanding anything else herein to the contrary, if any applicable Credit Providers or Holders of separate Series in default do not direct remedies or proceedings to be taken pursuant to this Article, the Trustee shall take whatever action, if any, pursuant to Section 7.03 it deems to be in the best interest of Bondholders without regard to the existence of any Credit Facility that may exist with respect to any or all Bonds.

Section 7.15. [Incontestability of Bonds](#). The provisions of this 1991 Resolution shall constitute a contract between the Commission and the Owners of the Bonds, and from and after the issuance of a Series of Bonds and their sale and delivery by the Commission, the Bonds shall be incontestable by the Commission.

Section 7.16. [Limitation on Commission's Obligation](#). The Owners of the Bonds issued hereunder expressly understand and agree by their acceptance of the Bonds, that as of the date of this 1991 Resolution the Commission has no taxing power whatsoever, and nothing herein contained shall be deemed to require the Commission to advance any moneys derived from the levy or collection of taxes by the City for the payment of the principal of, purchase price, if any, premium, if any, or interest on the Bonds. Neither the credit nor the taxing power of the City is pledged for the payment of the principal of, premium, if any, purchase price, if any,

or interest on the Bonds, and the general fund of the City is not liable for the payment of the Bonds or the interest thereon. The Owners of the Bonds cannot compel the exercise of the taxing power by the City or the forfeiture of its property or the property of the Commission.

The principal of and interest on the Bonds and any premiums upon the redemption of any thereof are not a debt of the Commission nor a legal or equitable pledge, charge, lien or encumbrance upon any of its property or on any of its income, receipts or revenues except the Net Revenues and other funds that may be legally applied, pledged or otherwise made available to their payment as in this 1991 Resolution provided.

Neither the Commission nor any officer thereof shall be liable or obligated for the payment of the principal, premium, if any, purchase price, if any, of or interest on the Bonds or for any payment agreed to be made or contemplated to be made pursuant to any of the terms of this 1991 Resolution, save and except solely and exclusively from Net Revenues and the other moneys pledged thereto pursuant to this 1991 Resolution or any Supplemental Resolution authorizing the issuance thereof. Nothing herein contained shall prevent the Commission from making advances of its funds howsoever derived to any of the uses and purposes in this 1991 Resolution mentioned, provided such funds are derived from any source legally available for such purpose and may be used by the Commission for such purpose without incurring indebtedness. No property or rights of the Commission shall ever be subject to forfeiture by reason of any default on the part of the Commission hereunder, provided, however, that nothing herein contained shall operate to excuse the Commission from making payments herein required to be made for the benefit of the Owners of the Bonds.

ARTICLE VIII

THE TRUSTEE

Section 8.01. Acceptance of Trust, General. By an instrument in writing delivered to the Commission, the Trustee shall evidence its acceptance of the powers, duties and obligations of the Trustee only as are specifically set forth herein. The Trustee shall have no duty, responsibility or obligation for the issuance of Bonds or for the validity or exactness hereof, or of any other document relating to such issuance. The Trustee shall have no duty, responsibility or obligation for the payment of Bonds except for payment in accordance with the terms and provisions hereof from, and to the extent of, funds which are held in trust by the Trustee for the purpose of such payment.

Prior to an Event of Default and after the curing or waiving of all Events of Default which may have occurred, the Trustee shall not be liable except for the performance of such duties as are specifically set forth herein. The Trustee shall have no liability for any act or omission to act hereunder, or under any other instrument or document executed pursuant hereto except for the Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Trustee shall be determined solely by the express provisions hereof, and no implied powers, duties or obligations of the Trustee shall be read into this 1991 Resolution.

During an Event of Default, the Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct.

Notwithstanding any other provision hereof, the Trustee shall have no liability for any (a) error of judgment made in good faith by an officer or officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts, or (b) action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than the Principal Amount of Bonds Outstanding specified in Section 7.03 or Section 7.07, as the case may be, then existing relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee hereunder.

Section 8.02. Trustee Not Required to Take Action Unless Indemnified. Except as expressly required herein (including the requirements of the next sentence) the Trustee neither shall be required to institute any suit or action or other proceeding in which it may be a defendant, nor to take any steps to enforce its rights and expose it to liability, nor shall the Trustee be deemed liable for failure to take any such action, unless and until it shall have been indemnified, to its satisfaction, against any and all reasonable costs, expenses, outlays, counsel and other fees, other disbursements including its own reasonable fees and against all liability and damages. The Trustee nevertheless, may begin suit, or appear in and defend suit, or do anything else which in its judgment is proper to be done by it as the Trustee, without prior assurance of indemnity, and in such case the Commission shall reimburse the Trustee for all reasonable costs, expenses, outlays, counsel and other fees, and other reasonable disbursements including its own fees, and for all liability and damages suffered by the Trustee in connection therewith, except for the Trustee's own negligent action, its own negligent failure to act, its own willful misconduct or self-dealing constituting a breach of trust under applicable law. If the Trustee begins, appears in or defends such a suit, the Trustee shall give prompt notice of such action to the Commission and shall give such notice prior to taking such action if possible. If the Commission shall fail to make such reimbursement, the Trustee may reimburse itself for any costs and expenses in accordance with Section 7.04.

Section 8.03. Employment of Experts. The Trustee is hereby authorized to employ as its agents such attorneys at law, and other qualified independent consultants (who are not employees of the Trustee), as it may deem necessary to carry out any of its obligations hereunder, and shall be reimbursed by the Commission for all reasonable expenses and charges in so doing. The Trustee shall not be responsible for any misconduct or negligence of any such agent appointed with due care by the Trustee.

Section 8.04. Enforcement of Performance by Others. It shall not be the duty of the Trustee, except as herein specifically provided, to seek the enforcement of any duties and obligations herein imposed upon the Commission.

Section 8.05. Right to Deal in Bonds and Take Other Actions. The Trustee may in good faith buy, sell or hold and deal in any Bonds with like effect as if it were not such Trustee and may commence or join in any action which a Holder is entitled to take with like effect as if the Trustee were not the Trustee. It is understood and agreed that the Trustee engages in a general banking business and no provision hereof is to be construed to limit or restrict the right of the Trustee to engage in such business with the Commission or any Holder. So engaging in such business shall not, in and of itself, and so long as the Trustee duly performs all of its duties as required hereby, constitute a breach of trust on the part of the Trustee.

Section 8.06. Removal and Resignation of Trustee. The Trustee may resign at any time. Written notice of such resignation shall be given to the Commission and such resignation shall take effect upon the later of the date 90 days after receipt of such notice by the Commission and the date of the appointment, qualification and acceptance of a successor Trustee. In the event a successor Trustee has not been appointed and qualified within 60 days after the date notice of resignation is given, the Trustee or the Commission may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

In addition, the Trustee may be removed at any time by the Commission so long as (a) no Event of Default shall have occurred and be continuing and (b) the Commission determines, that the removal of the Trustee shall not have an adverse effect upon the rights or interests of the Bondholders. Subject to clause (b) of the preceding sentence, in the event the Trustee becomes Insolvent, the Commission may remove the Trustee by written notice effective immediately upon the appointment, qualification and acceptance of a successor Trustee.

In the event of the resignation or removal of the Trustee or in the event the Trustee is dissolved, becomes Insolvent or otherwise becomes incapable to act as the Trustee, the Commission shall be entitled to appoint a successor Trustee. In such event, the successor Trustee shall cause notice to be mailed to the Holders of all Bonds then Outstanding in such manner deemed appropriate by the Commission. If the Trustee resigns, the resigning Trustee shall pay for such notice. If the Trustee is removed, is dissolved, becomes Insolvent or otherwise becomes incapable of acting as Trustee, the Commission shall pay for such notice.

Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall be a trust company or bank having the powers of a trust company as to trusts, qualified to do and doing trust business within the State of California and having an officially reported combined capital, surplus, undivided profits and reserves aggregating at least \$50,000,000, if there is such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Every successor Trustee howsoever appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Commission an instrument in writing, accepting such appointment hereunder, and thereupon such successor Trustee, without further

action, shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, and such predecessor shall execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of such predecessor. The predecessor Trustee shall execute any and all documents necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee promptly shall deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.

Each successor Trustee, not later than 10 days after its assumption of the duties hereunder, shall mail a notice of such assumption to each Holder of a registered Bond and shall publish notice of such assumption in Authorized Newspapers.

Section 8.07. Proof of Claim. The Trustee shall have the right and power to act in its name or in the name and place of the Commission or Holders to make proof of claim in any proceeding, bankruptcy, reorganization or otherwise where proof of claim may be required, including proofs of claim against Credit Providers. Any amount recovered by the Trustee as a result of any such claim, after payment of all fees (including reasonable attorneys' fees), costs, expenses and advances paid or incurred by the Trustee or its agents in pursuing such claim, shall be for the equal benefit of all holders of Outstanding Bonds of the affected Series.

Section 8.08. Trustee's Fees and Expenses. The Commission hereby agrees to pay fees to and expenses of the Trustee for its services hereunder as agreed to by the Commission and the Trustee pursuant to the terms of a separate agreement.

Section 8.09. Reliance Upon Document. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely upon and shall be protected in acting or refraining from acting in reliance upon any document, including but not limited to any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, facsimile transmission or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper officials of the Commission, the Treasurer, the City, an Airport Consultant, a Financial Consultant, an Independent Auditor, the Holders or agents or attorneys of the Holders; provided, in the case of any such document specifically required to be furnished to the Trustee hereby, the Trustee shall be under a duty to examine the same to determine whether it conforms to the requirements hereof. The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, facsimile transmission, bond or other paper or document submitted to the Trustee; provided, however, the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may deem prudent. Whenever in the administration hereof, the Trustee shall deem it desirable that a matter be provided or established prior to taking or not taking any action hereunder, the Trustee (unless other evidence be specifically prescribed herein) may rely upon any document provided for in this 1991 Resolution.

Except where other evidence is required hereby, any request or direction of the Commission mentioned herein shall be sufficiently evidenced by a certified copy of such request executed by a Authorized Commission Representative.

Section 8.10. Recitals and Representations. The recitals, statements and representations contained herein or in any Bond shall be taken and construed as made by and on the part of the Commission and not by the Trustee, and the Trustee neither assumes nor shall be under any responsibility for the correctness of the same other than the Trustee's certification of authentication of any Bonds as to which it is Authenticating Agent.

The Trustee makes no representation as to, and is not responsible for, the validity or sufficiency hereof or, except as herein required, the filing or recording or registering of any document. The Trustee shall be deemed not to have made representations as to the security afforded hereby or hereunder or as to the validity or sufficiency of such document. The Trustee shall not be concerned with or accountable to anyone for the use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof. The Trustee shall not be responsible or liable for any loss suffered in connection with the investment of any funds made by it in accordance with the provisions hereof.

Except with respect to Events of Default described in Section 7.01(a), (b) and (c) hereof, the Trustee shall have no duty of inquiry with respect to any default which constitutes or with notice or lapse of time or both would constitute an Event of Default without actual knowledge of the Trustee or receipt by the Trustee of written notice of a default which constitutes or with notice or lapse of time or both would constitute an Event of Default from the Commission or any Holder.

The Trustee shall be deemed to have knowledge of the existence of an Event of Default only in the following circumstances: (i) in the case of an Event of Default referred to in paragraphs (a), (b) and (c) of Section 7.01 of this 1991 Resolution, upon the occurrence of such Event of Default, (ii) in the case of an Event of Default referred to in paragraph (d), (e), (f) and (g) of Section 7.01 of this 1991 Resolution, when any Responsible Officer of the Trustee obtains actual knowledge of the occurrence of such Event of Default or when the Trustee receives written notice thereof from the Commission or from any Holder, and (iii) in the case of an Event of Default referred to in paragraph (h) of this 1991 Resolution, when any Responsible Officer of the Trustee obtains actual knowledge of the occurrence of such Event of Default or when the Trustee receives written notice thereof from the Commission or from any Holder, unless otherwise expressly provided in the applicable Supplemental Resolution.

Section 8.11. Reports and Records. (a) The Trustee shall at all times keep or cause to be kept proper records in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all Funds and Accounts established and maintained by the Trustee pursuant to this 1991 Resolution. Such records shall be available for inspection by the Commission on each Business Day during reasonable business hours and by any Owner or its agent or representative duly authorized in writing at reasonable hours and under reasonable circumstances. The Trustee shall not be required to maintain records with respect to transactions made by the Treasurer or the Commission or with respect to Funds and Accounts established and maintained by the Treasurer.

(b) The Trustee shall provide to the Commission each month a report of the amounts deposited in each Fund and Account held by it under this 1991 Resolution and the amount disbursed from such Funds and Accounts, the earnings thereon, the ending balance in

each of such Funds and Accounts, the investments in each such Fund and Account and the yield on each investment calculated in accordance with the directions of an Authorized Commission Representative.

(c) The Trustee shall annually, within a reasonable period after the end of the Fiscal Year, provide to the Commission and to each Owner who shall have filed its name and address with the Trustee for such purpose (at such Owner's cost) a statement, which need not be audited, covering receipts, disbursements, allocation and application of Bond proceeds, Net Revenues and any of the moneys in any of the Funds and Accounts established pursuant to this 1991 Resolution for the proceeding year.

Section 8.12. Paying Agent, Authenticating Agent and Registrar. The Commission may appoint a Paying Agent, an Authenticating Agent and a Registrar with respect to a Series of Bonds in the Supplemental Resolution pursuant to which such Series is issued. Each Paying Agent, Authenticating Agent and Registrar shall (i) designate to the Trustee its principal office and (ii) signify its acceptance of the duties and obligations imposed upon it hereunder and under such Supplemental Resolution by written instrument of acceptance delivered to the Commission and the Trustee.

Each Paying Agent, Authenticating Agent or Registrar shall exercise its duties in accordance with the terms of and shall have the protection provided to the Trustee in this 1991 Resolution.

If any Paying Agent, Authenticating Agent or Registrar shall resign or be removed, the Commission shall designate a successor. If the Commission shall designate a successor, then, upon the Trustee's receipt of the written designation and the written acceptance of such designated successor, such entity shall thereupon, without further action by the Commission, be appointed as successor Paying Agent, Authenticating Agent or Registrar, as the case may be.

In the event that any Paying Agent, Authenticating Agent or Registrar shall resign or be removed, or be dissolved, or if the property or affairs of any Paying Agent, Authenticating Agent or Registrar shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and no successor shall have been appointed, the Trustee shall, ipso facto be deemed to be Paying Agent, Authenticating Agent or Registrar, until the appointment of a successor. In each case in which the Trustee is acting as Paying Agent, Authenticating Agent or Registrar for any Series of Bonds, the Trustee in such capacities shall be entitled to all of the immunities and protections from liability that are provided in this Article VIII.

Any corporation into which any Paying Agent, Authenticating Agent or Registrar may be merged or converted or with which it may be consolidated, or any corporation resulting from any such merger, consolidation or conversion, or succeeding to the corporate trust business of Paying Agent, Authenticating Agent or Registrar, shall be the successor of the Paying Agent, the Authenticating Agent and the Registrar if such successor corporation is otherwise eligible under this Section, without the execution or filing of any further act on the part of the Trustee or

the entity serving as Paying Agent, Authenticating Agent or Registrar or such successor corporation.

Section 8.13. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Section 8.14. Other Agents. The Commission or the Trustee with the consent of the Commission may from time to time appoint other agents as may be appropriate at the time to perform duties and obligations under this 1991 Resolution or under a Supplemental Resolution all as provided by Supplemental Resolution or resolution of the Commission.

ARTICLE IX

SUPPLEMENTAL RESOLUTIONS

Section 9.01. Supplemental Resolutions Not Requiring Consent of Bondholders. The Commission may adopt, without the consent of or notice to any of the Holders, one or more Supplemental Resolutions for one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission herein;
- (b) to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising hereunder that shall not have a material adverse effect on the interests of the Holders;
- (c) to grant or confer upon the Holders any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them;
- (d) to secure additional revenues or provide additional security or reserves for payment of any Bonds;
- (e) to preserve the excludability of interest on any Bonds from gross income for purposes of federal income taxes, or to change the tax covenants set forth in Section 6.09, pursuant to an Opinion of Bond Counsel that such action will not affect adversely such excludability;
- (f) to provide for the issuance of, and to set the terms and conditions of, each additional Series of Bonds hereunder, including covenants and provisions with respect thereto which do not violate the terms of this 1991 Resolution;
- (g) to add requirements the compliance with which is required by a Rating Agency in connection with issuing a rating with respect to any Series of Bonds;

(h) to confirm, as further assurance, any interest of the Trustee in and to the Net Revenues or in and to the Funds and Accounts held by the Trustee or in and to any other moneys, securities or funds of the Commission provided pursuant to this 1991 Resolution;

(i) to comply with the requirements of the Trust Indenture Act of 1939, as amended, to the extent applicable;

(j) to provide for uncertificated Bonds or for the issuance of coupon or bearer Bonds or Bonds registered only as to principal;

(k) to accommodate the use of a Credit Facility for specific Bonds or a Series of Bonds;

(l) to designate any other airports, airfields, landing places or places for the take-off and landing of aircraft, together with related facilities or property, which are hereafter owned, controlled or operated by the Commission or over which the Commission has possession, management, supervision or control as not a part of the Airport; and

(m) to make any other change or addition hereto which, in the Opinion of Bond Counsel, shall not have a material adverse effect on the interests of the Holders.

Section 9.02. Supplemental Resolutions Requiring Consent of Bondholders.

(a) Other than Supplemental Resolutions referred to in Section 9.01 and subject to the terms, provisions and limitations contained in this Article and not otherwise, the Holders of not less than a majority in aggregate Principal Amount of the Bonds of all Series affected may consent to or approve, from time to time, which consent to or approval shall be in writing, anything contained herein to the contrary notwithstanding, the adoption by the Commission of such Supplemental Resolutions as shall be deemed necessary and desirable by the Commission for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions with respect to such Series contained in the 1991 Resolution; provided, however, nothing in this Section shall permit or be construed as permitting a Supplemental Resolution which would:

(i) extend the stated maturity of or time or change the currency for paying the principal or purchase price of, premium, if any, or interest on any Bond or reduce the Principal Amount or purchase price of or the redemption premium or rate of interest payable on any Bond without the consent of the Holder of such Bond;

(ii) except as expressly permitted by this 1991 Resolution, prefer or give a priority to any Bond over any other Bond without the consent of the Holder of each Bond then Outstanding not receiving such preference or priority; or

(iii) permit the creation of a lien not expressly permitted by this 1991 Resolution upon or pledge of the Net Revenues ranking prior to or on a parity with the lien of this 1991 Resolution or reduce the aggregate Principal Amount of Bonds then Outstanding the consent of the Holders of which is required to authorize such Supplemental Resolution, without the consent of the Holders of all Bonds then Outstanding.

(b) If at any time the Commission shall propose the adoption of a Supplemental Resolution pursuant to this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed adoption of such Supplemental Resolution to be mailed by first class mail, postage prepaid, to all Holders of registered Bonds of any affected Series then outstanding at their addresses as they appear on the registration books herein provided for. In addition, the Trustee shall publish notice of the proposed adoption of such Supplemental Resolution to be published in Authorized Newspapers. The Trustee, however, shall not be subject to any liability to any Bondholder by reason of its failure to mail, or the failure of such Bondholder to receive, the notice required by this Section, and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section. Such notice shall set forth briefly the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the office of the Trustee for inspection by all Bondholders.

(c) If within such period, not exceeding one year, as shall be prescribed by the Commission, following the first giving of a notice as provided in (b) above, the Trustee shall receive an instrument or instruments purporting to be executed by the Holders of not less than the aggregate Principal Amount of Bonds specified in subsection 9.02(a) for the Supplemental Resolution in question which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice as on file with the Trustee, thereupon, but not otherwise, the Trustee may accept such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, regardless of whether such Holder shall have consented thereto.

(d) Any such consent shall be binding upon the Holder of the Bond giving such consent and upon any subsequent Holder of such Bond and of any Bond issued in exchange therefor (regardless of whether such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bond giving such consent or by a subsequent Holder thereof by filing with the Trustee, prior to the acceptance by the Trustee of such Supplemental Resolution, such revocation. At any time after the Holders of the required Principal Amount of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Commission a written statement to that effect. Such written statement shall be conclusive that such consents have been so filed.

(e) If the Holders of the required Principal Amount of the Bonds Outstanding shall have consented to and approved the adoption by the Commission of such Supplemental Resolution as herein provided, no Holder of any Bond shall have any right to object to the adoption thereof, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or restrain the Trustee or the Commission from adopting the same or taking any action pursuant to the provisions thereof.

Section 9.03. Execution and Effect of Supplemental Resolutions. (a) The Trustee may but shall not be obligated to accept any such Supplemental Resolution which affects the Trustee's own rights, duties or immunities.

(b) Upon the adoption of any Supplemental Resolution in accordance with this Article, the provisions hereof shall be modified in accordance therewith and such Supplemental Resolution shall form a part hereof for all purposes and every Holder of a Bond theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

(c) Any Bond authenticated and delivered after the adoption of any Supplemental Resolution in accordance with this Article may, and if required by the Commission or the Trustee shall, bear a notation in form approved by the Commission and Trustee as to any matter provided for in such Supplemental Resolution. If the Commission shall so determine, new Bonds so modified as to conform in the opinion of the Trustee and the Commission to any such Supplemental Resolution may be prepared and executed by the Commission and authenticated and delivered by the Trustee and the Registrar in exchange for and upon surrender of the Bonds then outstanding.

ARTICLE X

SATISFACTION, DISCHARGE AND DEFEASANCE

Section 10.01. Discharge. If payment of all principal of, premium, if any, and interest on a Series of Bonds in accordance with their terms and as provided herein is made, or is provided for in accordance with this Article, and if all other sums payable by the Commission hereunder with respect to such Series of Bonds shall be paid or provided for, then the pledge, lien, and security interests granted hereby shall cease with respect to such Series; provided, however, that the rebate provisions, if any, hereof or of the related Supplemental Resolution shall survive so long as there is any amount due to the federal government pursuant to the provisions hereof or of such Supplemental Resolution. Thereupon, upon the request of the Commission, and upon receipt by the Trustee of an Opinion of Counsel stating that all conditions precedent to the satisfaction and discharge as provided above of the lien hereof have been satisfied with respect to such Series of Bonds, the Trustee shall execute and deliver proper instruments acknowledging such satisfaction and discharging the lien hereof with respect to such Series of Bonds. If the lien hereof has been discharged with respect to all Series of Bonds, the Trustee shall transfer all property held by it hereunder, other than moneys or obligations held by the Trustee for payment of amounts due or to become due on the Bonds, to the Commission or such other person as may be entitled thereto as their respective interests may appear. Such satisfaction and discharge shall be without prejudice to the rights of the Trustee thereafter to charge and be compensated or reimbursed for services rendered and expenditures incurred in connection herewith.

The Commission may at any time surrender to the Trustee for cancellation any Bonds previously authenticated and delivered which the Commission at its option may have acquired in any manner whatsoever and such Bond upon such surrender and cancellation shall be deemed to be paid and retired.

[The following section was amended by Section 23-60.01]

Section 10.02. Defeasance. Payment of any Bonds may be provided for by the deposit with the Trustee of moneys, noncallable Governmental Obligations, noncallable

Government Certificates or pre-refunded municipal obligations described in paragraph (c) of the definition of Permitted Investments in Section 1.01, or any combination thereof. The moneys, Government Obligations, Government Certificates and pre-funded municipal obligations shall be held by the Trustee irrevocably in trust for the Holders of such Bonds solely for the purpose of paying the principal, purchase price or redemption price of, including premium, if any, and interest on such Bonds as the same shall mature or become payable upon prior redemption. If applicable, the Commission shall simultaneously provide direction, expressed to be irrevocable, to the Trustee to give notice of redemption of such affected Bonds at the time and in the manner required by the 1991 Resolution, and stating the applicable maturity dates and/or redemption dates and prices. The Trustee shall give notice to all Owners of such affected Bonds that the deposit required by this Section 10.02 has been made and that such Bonds are deemed to be paid in accordance with the 1991 Resolution.

The Trustee shall receive a verification report from an Independent Auditor as to the sufficiency of moneys and investments to provide for payment of any Bonds in the case of a defeasance thereof.

Bonds the payment of which has been provided for in accordance with this Section 10.02 shall no longer be deemed Outstanding hereunder. The obligation of the Commission in respect of such Bonds shall nevertheless continue but the Holders thereof shall thereafter be entitled to payment only from the moneys, Government Obligations, Government Certificates and pre-refunded municipal obligations deposited with the Trustee to provide for the payment of such Bonds.

No Bond may be so provided for if, as a result thereof or of any other action in connection with which the provision for payment of such Bond is made, the interest payable on any Bond with respect to which an Opinion of Bond Counsel has been rendered that such interest is excluded from gross income for federal income tax purposes is made subject to federal income taxes. The Trustee shall receive and may rely upon an Opinion of Bond Counsel to the effect that the provisions of this paragraph will not be breached by so providing for the payment of any Bonds.

Section 10.03. [Payment of Bonds After Discharge.](#) Notwithstanding the discharge of the lien hereof as in this Article provided, the Trustee nevertheless shall retain such rights, powers and duties hereunder as may be necessary and convenient for the payment of amounts due or to become due on the Bonds, including without limitation pursuant to any mandatory sinking fund redemptions, and the registration, transfer, exchange and replacement of Bonds as provided herein. Nevertheless, any moneys held by the Trustee or any Paying Agent for the payment of the principal of, premium, if any, or interest on any Bond remaining unclaimed for one (1) years after such payment has become due and payable, or such other period provided by law, whether at maturity or upon proceedings for redemption, shall be disposed of pursuant to the provisions of Section 2.14. After discharge of the lien hereof, but prior to payment of such amounts to Holders or as provided pursuant to Section 2.14, the Trustee shall invest such amounts in Government Obligations or pre-refunded municipal obligations described in paragraph (c) of the definition of Permitted Investments in Section 1.01 for the benefit of the Commission.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Evidence of Acts of Bondholders. Any request, direction, consent or other instrument provided hereby to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by an agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes hereof and shall be conclusive in favor of the Trustee and the Commission with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the person signing such writing acknowledged before him or her the execution thereof, or by the affidavit of a witness of such execution; and

(b) The ownership of all registered Bonds shall be proved by the records maintained by the Registrar. Except as otherwise herein expressly provided, the amount of Bonds transferable by delivery held by any person executing such request, declaration or other instrument or writing as a Bondholder, and the numbers thereof, and the date of its holding such Bonds, may be proved by a certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by a trust company, bank or other depository wherever situated, showing that at the date therein mentioned such person had on deposit with, or exhibited to, such depository the Bonds described in such certificate. Continued ownership after the date of deposit stated in such certificate may be proved by the presentation of such certificate if the certificate contains a statement by the depository that the Bonds therein referred to will not be surrendered without the surrender of the certificate to the depository, except with the consent of the Trustee. The Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

Nothing in this Section 11.01 shall be construed as limiting the Trustee to the proof herein specified, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient.

Any action taken or suffered by the Trustee pursuant to any provision hereof, upon the request or with the assent of any person who at the time is the Holder of any Bond or Bonds shall be conclusive and binding upon all future Holders of the same Bond or Bonds.

Section 11.02. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this 1991 Resolution or the Bonds is intended or shall be construed to give to any person other than the Commission, the Trustee, the Holders of the Bonds and any Paying Agents, Registrars, Authenticating Agents and Credit Providers, if any, any legal or equitable right, remedy or claim under or in respect to this 1991 Resolution or any covenants, conditions and provisions herein contained. This 1991 Resolution and all of the covenants, conditions and provisions hereof are

intended to be and are for the sole and exclusive benefit of the Commission, the Trustee, the Holders of the Bonds and any Paying Agents, Registrars, Authenticating Agents and Credit Providers, if any, as herein provided.

Section 11.03. Credit Provider Defaults. Upon the failure of any Credit Provider to pay principal of, premium, if any, interest on or the purchase price of the Bonds required to be paid by the Credit Provider pursuant to its Credit Facility, such Credit Provider shall be deemed to be in default for purposes of this 1991 Resolution.

Section 11.04. Notices to Rating Agencies. The Trustee hereby agrees that if at any time (a) the Commission shall redeem the entire principal amount of the Bonds Outstanding hereunder prior to maturity, (b) a successor Trustee is appointed hereunder, or (c) the Bondholders shall consent to any amendment to this 1991 Resolution or shall waive any provision of this 1991 Resolution then, in each case, the Trustee promptly will give notice of the occurrence of such event to each Rating Agency rating the Bonds, which notice in the case of an event referred to in clause (c) hereof shall include a copy of such amendment or waiver.

Section 11.05. Partial Invalidity. If any one or more of the covenants or agreements, or portions thereof, provided in this 1991 Resolution on the part of the Commission (or the Trustee or of any Paying Agent, Registrar, Authenticating Agent or other agent pursuant to this 1991 Resolution) to be performed should be contrary to law, then such covenant or covenants, such agreement or agreements, or such portions thereof, shall be null and void and shall be deemed separable from the remaining covenants and agreements or portions thereof and shall in no way affect the validity of the 1991 Resolution or of the Bonds; but the Owners shall retain all the rights and benefits accorded to them under the Act or under any other applicable provision of law.

Section 11.06. Holidays. When the date on which principal of or interest or premium on any Bond is due and payable is a day which is not a Business Day, payment may be made on Bonds on the next Business Day with the same effect as though payment were made on the due date, and, if such payment is made, no interest shall accrue from and after such due date. When any other action is provided herein to be done on a day named or within a time period named, and the day or the last day of the period falls on a day other than a Business Day, it may be performed on the next Business Day with the same effect as though performed on the appointed day or within the specified period.

ARTICLE 1-XII

ISSUE 1 BONDS—DEFINITIONS AND GENERAL PROVISIONS

Section 1-12.01. Definitions. [All definitions are incorporated in Section 1.01.]

Section 1-12.02. General Authorization. The appropriate officers, agents and employees of the Commission are each hereby authorized and directed in the name and on behalf of the Commission to take all actions and to make and execute any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they, or any of them, might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Issue 1 Bonds and the refunding and defeasance of the Prior Bonds in accordance with the provisions hereof and of the 1991 Resolution.

Section 1-13.07. Establishment, Application and Valuation of Issue 1 Reserve Account.

[The following section was amended by Section 9-36.01.]

(a) Pursuant to Section 5.04 of the 1991 Resolution, the Issue 1 Reserve Account is hereby established within the 1991 Resolution Reserve Fund held by the Trustee. The amounts in said account shall be used solely for the purposes of paying interest, principal or mandatory sinking fund payments on the Issue 1 Bonds and any other Participating Series whenever any moneys then credited to the accounts within the 1991 Resolution Debt Service Fund for the Participating Series are insufficient for such purposes and to pay one or more Credit Providers principal due with respect to any Credit Facility deposited in the Issue 1 Reserve Account to the extent that such payment will cause the amount available to be drawn under the related Credit Facility or Credit Facilities to be reinstated in an amount at least equal to the amount of such payment. In the event that the Trustee shall be required to apply amounts in the Issue 1 Reserve Account to pay interest, principal or mandatory sinking fund payments on Participating Series, the Trustee shall apply all amounts (the “Cash Amount”) in the Issue 1 Reserve Account other than amounts available pursuant to draws on Credit Facilities deposited in the Issue 1 Reserve Account to such payments before drawing on any such Credit Facility. If after exhausting the Cash Amount, the Trustee has insufficient moneys to pay interest, principal or mandatory sinking fund payments on Participating Series, the Trustee shall draw on the Credit Facilities deposited in the Issue 1 Reserve Account on a pro rata basis to the extent required to remedy the remaining deficiency.

If at any time the balance in said account shall for any reason be diminished below an amount equal to the Aggregate Maximum Annual Debt Service on the then Outstanding Bonds of the Participating Series, the Trustee shall immediately notify the Commission of such deficiency, and the Commission shall cause the Issue 1 Reserve Account to

be replenished by transfers from available Net Revenues over a period not to exceed twelve months from the date the Commission receives notice from the Trustee of such deficiency.

(b) Within ninety (90) days after the end of each Fiscal Year and at such other times as the Commission shall request in writing, the Trustee shall determine the amount in the Issue 1 Reserve Account. Permitted Investments in the Issue 1 Reserve Account shall be valued at cost plus accreted value.

(c) In the event that the Trustee determines on any valuation date that the amount in the Issue 1 Reserve Account exceeds Aggregate Maximum Annual Debt Service on all then Outstanding Bonds of the Participating Series, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess to the Treasurer for deposit in the Revenues Account.

(d) In the event the Issue 1 Bonds are to be redeemed in whole or in part pursuant to Section 1-13.04(a) or the Commission notifies the Trustee in writing of its intention to refund the Issue 1 Bonds in whole or in part, the Trustee shall value the amount in the Issue 1 Reserve Account in accordance with Section 1-13.07(b), and if the Trustee determines that the amount in the Issue 1 Reserve Account exceeds Aggregate Maximum Annual Debt Service on the Bonds of the Participating Series to remain Outstanding after such redemption or refunding, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess in accordance with such request.

[The following section was amended by Section 6-29.03.]

(e) At its option, the Commission may at any time substitute a Credit Facility meeting the requirements of this Section 1-13.07(e) for amounts on deposit in the Issue 1 Reserve Account. The Commission shall not substitute a Credit Facility for all or any part of the amounts on deposit in the Issue 1 Reserve Account, if such substitution will cause the then current ratings on Participating Series to be downgraded or withdrawn. Any such Credit Facility provided in the form of a surety bond shall be issued by an institution then rated in the highest rating category, without regard to subcategories, by Moody's and Standard & Poor's, and any such Credit Facility provided in the form of a letter of credit shall be issued by an institution then rated in at least the second highest rating category, without regard to subcategories, by Moody's and Standard & Poor's. In the event that after the substitution of a Credit Facility for all or any part of the amounts on deposit in the Issue 1 Reserve Account, the amount in the Issue 1 Reserve Account is greater than Aggregate Maximum Annual Debt Service of the then Outstanding Bonds of Participating Series, upon the request of an Authorized Commission Representative, the Trustee shall transfer such excess to the Commission to be used solely for Airport purposes.

[The following section was added by Section 9-36.02.]

(f) Subject to Section 5.07 of the 1991 Resolution and pursuant to subsection (a) of this Section 1-13.07, the Issue 1 Reserve Account shall be replenished from available Net Revenues in the following order of priority, each requirement to be satisfied in full before the next requirement in priority:

(1) On a pro rata basis, payments to Credit Providers of principal then due with respect to any Credit Facility deposited in the Issue 1 Reserve Account to the extent that such payments will cause the amounts available to be drawn under such Credit Facility or Credit Facilities to be reinstated in an amount at least equal to such payments; and

(2) Other amounts required to be deposited in the Issue 1 Reserve Account to increase the amount therein to the Aggregate Maximum Annual Debt Service on the then Outstanding Bonds of the Participating Series.

Section 1-13.10. Permitted Investments. Amounts in the Issue 1 Debt Service Accounts shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing on or before the Payment Date on which the proceeds of such Permitted Investments are intended to be applied for the purposes of the Issue 1 Debt Service Account to which such Permitted Investments are allocated. Amounts in the Issue 1 Reserve Account shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing no later than seven years after the date of purchase of said Permitted Investment.

AUTHORIZATION AND TERMS OF REFUNDING BONDS

[The following section was amended by Section 1 of the Tenth Supplemental Resolution No. 02-0010 adopted on January 8, 2002, to replace the not-to-exceed amount of \$1,400,000,000 with \$3,400,000,000, and was subsequently amended by Section 13 of the Issue 32F Sale Resolution No. 05-0181 adopted on October 11, 2005, to replace the not-to-exceed amount of \$3,400,000,000 with \$4,300,000,000, to read as follows:]

One or more Series of Refunding Bonds to be issued under the 1991 Resolution, in the aggregate principal amount of not to exceed Four Billion Three Hundred Million Dollars (\$4,300,000,000), are hereby created. Each Series of said Refunding Bonds shall be known as the “San Francisco International Airport Second Series Revenue Refunding Bonds, Issue ___” (with the Series designation to be the Arabic number next succeeding the number used as a Series designation for the immediately preceding Series of 1991 Resolution Bonds issued) (collectively, the “Refunding Bonds”). Each Series of Refunding Bonds shall be issued only in fully registered form, shall be issued in denominations of \$5,000 or any integral multiple thereof, and shall be dated as hereinafter provided and shall bear interest from its dated date(s). The Bonds of each Series of Refunding Bonds shall be numbered in such manner as the Registrar shall determine.

[The following two paragraphs were added by Section 30-68.01 of the Eleventh Supplemental Resolution, Resolution No. 03-0220, adopted on October 21, 2003.]

Notwithstanding anything to the contrary contained in the immediately preceding paragraph, any principal amount of Refunding Bonds authorized hereunder may be issued instead under and pursuant to the Eleventh Supplemental Resolution.

If pursuant to the immediately preceding paragraph, one or more Series of Refunding Bonds are issued under the Eleventh Supplemental Resolution, the aggregate principal amount of such Series of Variable Rate Bonds shall not be counted against the principal amount of 1991 Resolution Bonds authorized to be issued under the Eleventh Supplemental Resolution, but such Series of Refunding Bonds shall be counted against the principal amount authorized to be issued under the first paragraph of Section 18-52.01 of this Seventh Supplemental Resolution.

(a) Each Series of Refunding Bonds shall bear interest at such rate or rates, not exceeding twelve percent (12%) per annum, as may be fixed by the Commission by the Refunding Series Sale Resolution for said Series of Refunding Bonds; provided, however, that all Series of Refunding Bonds designated as taxable pursuant to Section 18-52.15 shall bear interest at such rate or rates, not exceeding fifteen percent (15%) per annum, as may be fixed by the Commission by the Refunding Series Sale Resolution for said Series of Refunding Bonds. Interest on each Series of Refunding Bonds shall be payable commencing on such May 1 or November 1 as the Airport Director or his designee shall determine, and semiannually thereafter on May 1 and November 1 (each an "Interest Payment Date") in each year, by check or draft mailed to the persons shown as the registered owners of such Series of Refunding Bonds on the registration books for such Series of Refunding Bonds as of the close of business on the Record Date before such Interest Payment Date, or, upon request to the Trustee prior to the Record Date, by wire transfer to a financial institution within the continental United States to the registered owner of at least \$1,000,000 in aggregate Principal Amount of such Series of Refunding Bonds. Payment of the principal or redemption price of each Series of Refunding Bonds shall be made upon surrender thereof at the office of the Trustee in San Francisco, California. Payment of principal of, premium, if any, and interest on each Series of Refunding Bonds shall be made in any lawful currency of the United States of America. Interest on each Series of Refunding Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months.

[The following section was amended by Section 1 of the Tenth Supplemental Resolution No. 02-0010 adopted on January 8, 2002, to replace the maximum final maturity of May 1, 2030 with May 1, 2040, and subsequently amended by Section 13 of the Issue 32F Sale Resolution adopted on October 11, 2005, to replace the maximum final maturity of May 1, 2040 with May 1, 2050, to read as follows:]

(b) Each Series of Refunding Bonds shall mature on May 1 in the years and in the amounts established by the Refunding Series Sale Resolution for said Series. Principal payments, in the form either of maturities or mandatory sinking fund payments (in the latter case, attributable to certain Bonds herein called the "Term Bonds"), shall occur on May 1 in the years and in the amounts as shall be specified in the Official Notice of Sale or Bond Purchase Contract for such Series. The Airport Director or his designee is hereby authorized and directed to determine the aggregate Principal Amount of the Refunding Bonds and of each Series of Refunding Bonds, the dated date(s) of each Series of Refunding Bonds, and the years and amounts of the annual principal payments of each Series of Refunding Bonds. Notwithstanding

the preceding sentence, no Series of Refunding Bonds shall have a final maturity after May 1, 2050.

[The following paragraph was deleted by Section 27-61.02 of Resolution No. 02-0010 adopted on January 8, 2002: “A Series of Refunding Bonds may be issued to refund outstanding 1991 Resolution Bonds only if the net present value of the debt service savings on such Series of Refunding Bonds, after deducting any refunding escrow deposits or contributions, redemption premiums, costs of issuance, escrow fees and related expenses of the Commission not paid from the proceeds of such Series of Refunding Bonds, is at least equal to one percent (1%) of the Principal Amount of the 1991 Resolution Bonds to be refunded, as certified in writing by a Financial Consultant. Net present value savings may be calculated after taking into account payments to be made to or by the Commission as part of a transaction or series of transactions to be entered into in conjunction with and as a part of such refunding, including without limitation Swap Payments or Swap Receipts pursuant to an Interest Rate Swap, if and to the extent recommended in writing by a Financial Consultant. Net present value savings shall be calculated using a discount rate with respect to the Series of Refunding Bonds which is consistent with then current municipal finance industry standards, as certified in writing by a Financial Consultant.”]

[The following section was amended by Section 1 of the Tenth Supplemental Resolution No. 02-0010 adopted on January 8, 2002, to replace December 31, 2001 as the latest date for sale of Refunding Bonds with March 31, 2006, and was subsequently amended by Section 1 of the Twelfth Supplemental Resolution No. 04-0240 adopted on December 7, 2004, to replace March 31, 2006 with December 31, 2007, and by Section 13 of the Issue 32F Sale Resolution No. 05-0181 adopted on October 11, 2005, to replace December 31, 2007 with December 31, 2010, to read as follows:]

(c) The date upon which a Bond Purchase Contract shall be entered into or bids for the purchase of a Series of Refunding Bonds shall be received shall be established by the Airport Director or his designee and shall be no later than December 31, 2010. Refunding Bonds may be offered for sale in accordance with an Official Notice of Sale in such form as the Commission or the Airport Director or his designee may approve with the advice of counsel or, alternatively, may be sold pursuant to a Bond Purchase Contract in such form as the Commission or the Airport Director or his designee may approve with the advice of counsel.

(d) If the Refunding Bonds are to be sold competitively, a Notice of Intention to Sell in such form as the Airport Director or his designee may approve with the advice of counsel shall be published not less than 15 calendar days prior to the scheduled date for opening of bids, in The Wall Street Journal (Western Edition), The Bond Buyer, or such other financial publication generally circulated throughout the State of California or reasonably expected to be disseminated among prospective bidders for the Refunding Bonds, as the Airport Director or his designee may select.

(e) The Airport Director or his designee is hereby authorized and directed to cause to be circulated to potential bidders, or in the case of a negotiated sale, to potential buyers, for each Series of Refunding Bonds a preliminary official statement relating to such Series of Refunding Bonds in such form as the Commission or the Airport Director or his designee may

approve with the advice of counsel. The Airport Director or his designee is hereby authorized to certify that the preliminary Official Statement is “deemed final” by the Commission within the meaning of Rule 15c2-12 of the Securities and Exchange Commission.

(f) The Airport Director or his designee is hereby further authorized and directed to certify and agree on behalf of the Commission to provide certain financial information and operating data of the Commission annually and notices of certain events, if material, pursuant to Rule 15c2-12(b)(5) of the Securities and Exchange Commission and to execute and deliver a continuing disclosure certificate for the benefit of the holders and beneficial owners of each Series of Refunding Bonds in a form approved by the Airport Director with the advice of counsel.

[The following section was amended by Section 1 of the Tenth Supplemental Resolution No. 02-0010 adopted on January 8, 2002, to replace the not-to-exceed amount of \$1,400,000,000 with \$3,400,000,000, and was subsequently amended by Section 13 of the Issue 32F Sale Resolution No. 05-0181 adopted on October 11, 2005, to replace the not-to-exceed amount of \$3,400,000,000 with \$4,300,000,000, to read as follows:]

(g) At any time after the adoption of this Seventh Supplemental Resolution and the applicable Refunding Series Sale Resolution, the Commission may execute and deliver one or more Series of Refunding Bonds pursuant to this Seventh Supplemental Resolution to the Trustee. The Authenticating Agent shall authenticate and deliver to, or upon the written order of, the Commission, Refunding Bonds in an aggregate principal amount not exceeding Four Billion Three Hundred Million Dollars (\$4,300,000,000) minus the aggregate principal amount of Refunding Bonds previously issued.

Section 18-52.02. Form of Bonds; Execution. Each Series of Refunding Bonds and the certificate of authentication to be executed thereon shall be in substantially the form set forth in Exhibit A hereto which is hereby incorporated herein by reference, with such additions, deletions, substitutions or changes as the Airport Director or his designee may approve with the advice of counsel, such approval to be conclusively evidenced by the delivery of the Refunding Bonds to the purchasers thereof. The signatures of the officers of the Commission upon such Refunding Bonds shall be printed, lithographed or engraved facsimiles thereof.

Section 18-52.03. Book-Entry System. Unless the Airport Director or his designee determines that a Series of Refunding Bonds shall be issued in registered form other than in book-entry form, the Refunding Bonds shall initially be issued in book-entry form as further provided in this Section 18-52.03.

(a) The Refunding Bonds issued pursuant to this Seventh Supplemental Resolution shall initially be issued in the form of a separate single fully-registered Bond for each separate stated maturity of each Series of the Refunding Bonds. Except as provided in subsection (c) of this Section 18-52.03, all of the Refunding Bonds shall be registered in the name of the Nominee.

The Trustee, the Registrar, the Paying Agents and the Commission may treat the registered owner of each Refunding Bond as the sole and exclusive owner thereof for the

purposes of payment of the principal or redemption price of or interest on the Series of Refunding Bonds to which such Refunding Bond belongs, selecting the Refunding Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under the 1991 Resolution, registering the transfer of Refunding Bonds, obtaining any consent or other action to be taken by Bondholders, and for all other purposes whatsoever, and neither the Trustee, the Registrar, the Paying Agents nor the Commission shall be affected by any notice to the contrary.

Neither the Trustee, the Registrar, the Paying Agents nor the Commission shall have any responsibility or obligation to any participant in the Bond Depository (a "Participant"), any person claiming a beneficial ownership interest in the Refunding Bonds under or through the Bond Depository or any Participant, or any other person who is not shown on the registration books as being a Bondholder, with respect to (i) the accuracy of any records maintained by the Bond Depository or any Participant; (ii) the payment by the Bond Depository or any Participant of any amount in respect of the principal of, redemption price of or interest on the Refunding Bonds; (iii) the delivery of any notice which is permitted or required to be given to Bondholders under the 1991 Resolution; (iv) the selection by the Bond Depository or any Participant of any person to receive payment in the event of a partial redemption of the Refunding Bonds; (v) any consent given or other action taken by the Bond Depository as Bondholder; or (vi) any other purpose.

The Trustee or the Paying Agents, as the case may be, shall pay all principal of and premium, if any, and interest on the Refunding Bonds only to or upon the order of the Bond Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Commission's obligations with respect to the payment of the principal of and premium, if any, and interest on the Refunding Bonds to the extent of the sum or sums so paid. No person other than the Bond Depository shall receive an authenticated Bond evidencing the obligation of the Commission to make payments of principal of and premium, if any, and interest pursuant to the 1991 Resolution. Upon delivery by the Bond Depository to the Trustee of written notice to the effect that the Bond Depository has determined to substitute a new Nominee in place of the current Nominee, and subject to the provisions herein with respect to record dates, the word Nominee in this Article 18-LII shall refer to such new Nominee.

(b) In order to qualify each Series of Refunding Bonds for the Bond Depository's book-entry system, the appropriate officers or employees of the Commission are hereby authorized to execute and deliver on behalf of the Commission to the Bond Depository for each Series of Refunding Bonds, a Representation Letter from the Commission representing such matters as shall be necessary to so qualify the Refunding Bonds. The execution and delivery of the Representation Letter shall not in any way limit the provisions of this Section 18-52.03 or in any other way impose upon the Commission any obligation whatsoever with respect to persons having beneficial ownership interests in the Refunding Bonds other than the Bondholders.

(c) In the event (i) the Bond Depository determines not to continue to act as securities depository for a Series of Refunding Bonds, or (ii) the Commission determines that the Bond Depository shall no longer so act and delivers a written certificate to the Trustee to that effect, then the Commission will discontinue the book-entry system with the Bond Depository

for such Series of Refunding Bonds. If the Commission determines to replace the Bond Depository for a Series of Refunding Bonds with another qualified securities depository, the Commission shall prepare or direct the preparation of a new, single, separate, fully registered Refunding Bond of such Series for each maturity of such Series of Refunding Bonds registered in the name of such successor or substitute qualified Bond Depository or its Nominee, or make such other arrangements acceptable to the Trustee, the Paying Agents and such successor or substitute Bond Depository as are not inconsistent with the terms of this Seventh Supplemental Resolution. If the Commission fails to identify another qualified Bond Depository to replace the incumbent Bond Depository for a Series of Refunding Bonds, then such Series of Refunding Bonds shall no longer be restricted to being registered in the bond registration books in the name of the incumbent Bond Depository or its Nominee, but shall be registered in whatever name or names the incumbent Bond Depository or its Nominee transferring or exchanging such Series of Refunding Bonds shall designate.

(d) Notwithstanding any provision of the 1991 Resolution to the contrary, so long as the Refunding Bonds are registered in the name of the Nominee, all payments respect to principal of and premium, if any, and interest on the Refunding Bonds and all notices with respect to the Refunding Bonds shall be made and given, respectively, as provided in the Representation Letter for the related Series of Refunding Bonds or as otherwise instructed by the Bond Depository.

(e) The initial Bond Depository with respect to each Series of Refunding Bonds shall be DTC. The initial Nominee with respect to each Series of Refunding Bonds shall be CEDE & CO., as nominee of DTC.

[Section 18-52.04. Redemption of Bonds.](#)

(a) Optional Redemption. Refunding Bonds maturing on or before the Series Call Protection Date (determined as hereinafter provided) shall not be subject to optional redemption prior to their respective stated maturity dates. Refunding Bonds maturing after the Series Call Protection Date shall be subject to optional redemption prior to their respective stated maturity dates, at the option of the Commission, from any source of available funds, as a whole or in part on any date (and by lot within a maturity), on or after the Series Call Protection Date, at specified redemption prices (computed upon the Principal Amount of Bonds called for redemption), together with accrued interest to the date fixed for redemption.

The Airport Director or his designee is hereby authorized and directed to determine the Series Call Protection Date and the optional redemption prices for each Series of Refunding Bonds; provided, that the Series Call Protection Date shall be on the first calendar day of any month, not later than twelve (12) years from the initial principal payment date for said Series of Bonds; and further provided, that the optional redemption premiums shall not exceed five percent (5%) of the Principal Amount of the Bonds called for redemption, nor extend more than five (5) years beyond the Series Call Protection Date.

(b) Mandatory Redemption. Term Refunding Bonds, if any, shall also be subject to redemption prior to their stated maturity or maturities, in part and by lot, from mandatory sinking fund payments required by Section 18-52.06(c), on any May 1, on or after the

first date upon which mandatory sinking fund payments are to be made (as established by the related Refunding Series Sale Resolution), at the Principal Amount thereof and accrued interest thereon to the date of redemption, but without premium. No Term Refunding Bonds maturing on any date shall be redeemed from mandatory sinking fund payments until Term Bonds of the same Series maturing on preceding term maturity dates, if any, in order of term maturities, shall have been retired.

Except as in this Section 18-52.04 otherwise provided, the redemption of Refunding Bonds shall be subject to the provisions of Article III of the 1991 Resolution.

[Section 18-52.05. Establishment and Application of Refunding Series Construction Fund Accounts.](#)

(a) In accordance with Section 4.01 of the 1991 Resolution, there are hereby created within the Airport Construction Fund a separate account for each Series of Refunding Bonds to be held by the Treasurer and designated as the “Refunding Issue ___ Construction Account” (the blank to be completed with the numerical designation of the Series). Moneys in the Construction Account for each Series of Refunding Bonds shall be applied to the payment of Costs of Issuance for such Series of Refunding Bonds. The Treasurer is hereby authorized to disburse from each Refunding Series Construction Account the amount required for the payment of Costs of Issuance and is directed to make such disbursements upon receipt of a warrant drawn by the Controller. All amounts remaining in such Construction Account on the date which is 179 days after the date of issuance for such Series of Refunding Bonds shall be transferred by the Treasurer to the Revenues Account.

[Section 18-52.06. Establishment and Application of Series Debt Service Fund Accounts.](#)

(a) Establishment of Series Accounts. Pursuant to Section 5.03 of the 1991 Resolution, the following separate accounts for each Series of Refunding Bonds to be held by the Trustee are hereby created within the 1991 Resolution Debt Service Fund and designated as indicated: “Refunding Issue ___ Interest Account,” “Refunding Issue ___ Principal Account” and “Refunding Issue ___ Redemption Account,” with the blanks to be completed with the numerical designation of the particular Series of Refunding Bonds.

(b) Application of Series Interest Account. The Trustee shall apply moneys in each Series Interest Account to the payment of interest on the related Series of Refunding Bonds when due, including accrued interest on any Refunding Bonds of such Series purchased or redeemed prior to maturity.

(c) Application of Series Principal Account.

(1) The Trustee shall apply moneys in the Series Principal Account for each Series of Refunding Bonds to the payment of the Principal Amount of such Series of Refunding Bonds when due and the payment of mandatory sinking fund payments on Term Bonds of such Series of Refunding Bonds.

(2) The Commission may, from time to time, purchase any Refunding Bonds out of available moneys of the Commission at such prices as the Commission may determine in a request of an Authorized Commission Representative plus accrued interest thereon.

(3) At the discretion of the Commission, the Trustee shall apply mandatory sinking fund payments, as rapidly as may be practicable, to the purchase of Term Refunding Bonds at public or private sale as and when and at such prices (including brokerage and other expenses, but excluding accrued interest on such Refunding Bonds, which is payable from the related Series Interest Account) as the Commission may in its discretion determine, but not to exceed the par value thereof.

(4) All Bonds purchased or redeemed under the provisions of this Section 18-52.06 shall be delivered to, and canceled and destroyed by, the Trustee and shall not be reissued.

(d) Establishment and Application of Series Redemption Account. The Trustee shall apply moneys in the Series Redemption Account for each Series of Refunding Bonds to the payment of the Redemption Price of such Series of Bonds called for redemption pursuant to Section 18-52.04(a). Accrued interest on Refunding Bonds redeemed pursuant to Section 18-52.04(a) shall be paid from the Series Interest Account for such Series.

(e) Deficiencies in the Series Debt Service Accounts. In the event that the amount on deposit in any Series Debt Service Account for any Series of Refunding Bonds is insufficient to pay the interest or Principal Amount or Redemption Price coming due on such Series of Refunding Bonds, the Trustee shall transfer from the Issue 1 Reserve Account or the Refunding Series Reserve Account created pursuant to Section 5-24.07(c), as the case may be, to the Series Interest Account, Series Principal Account or Series Redemption Account, for such Series, not later than five days prior to the date on which such payment is required, the amount of such deficiency.

[Section 18-52.07. Establishment of Series of Refunding Bonds as a Participating Series; Alternative Creation of Separate Reserve Accounts.](#)

(a) Reserve Requirement. Each Series of Refunding Bonds shall be a Participating Series or shall be secured by a Refunding Series Reserve Account. The amount in each Refunding Series Reserve Account shall be established and maintained at an amount equal to the Refunding Series Reserve Requirement. The Refunding Series Reserve Requirement for each Series of Refunding Bonds secured by a Refunding Series Reserve Account shall be Maximum Series Annual Debt Service.

(b) Determination of Participating Series. The Airport Director or his designee is hereby authorized and directed to determine whether or not a Series of Refunding Bonds is to be declared to be a Participating Series with respect to the Issue 1 Reserve Account established by Section 1-13.07 of the 1991 Resolution.

(c) Valuation of Participating Series. In the event a Participating Series of Refunding Bonds is to be redeemed in whole or in part pursuant to Section 18-52.04 or the

Commission notifies the Trustee in writing of its intention to refund the said Participating Series of Refunding Bonds in whole or in part, the Trustee shall value the amount in the Issue 1 Reserve Account in accordance with Section 1-13.07(b), and if the Trustee determines that the amount in the Issue 1 Reserve Account exceeds Aggregate Maximum Annual Debt Service on the Bonds of the Participating Series to remain Outstanding after such redemption or refunding, upon the request of the Commission signed by an Authorized Commission representative, the Trustee shall transfer the amount of such excess in accordance with such request. The Trustee may request at any time, and the Commission shall deliver within 10 Business Days of such request, a certificate stating the amount of the Aggregate Maximum Annual Debt Service on the then Outstanding Bonds of the Participating Series, and the Trustee shall be entitled to rely on such certificate.

(d) Refunding Series Reserve Accounts.

(1) In the event the Airport Director or his designee determines that a Series of Refunding Bonds shall not be a Participating Series, there is hereby created for such Series of Refunding Bonds a separate reserve account within the 1991 Resolution Reserve Fund held by the Trustee to be designated as the "Refunding Issue ___ Reserve Account" (each such reserve account is herein called a "Refunding Series Reserve Account"). The moneys in said account shall be used solely for the purpose of paying interest, principal or mandatory sinking fund payments on the Series of Refunding Bonds for which such reserve account is established whenever any moneys then credited to the accounts within the 1991 Resolution Debt Service Fund for such Series of Refunding Bonds are insufficient for such purposes. If at any time the balance in said account shall for any reason be diminished below an amount equal to the Maximum Series Annual Debt Service on the then Outstanding Bonds of such Series, the Trustee shall immediately notify the Commission of such deficiency, and the Commission shall cause said Refunding Series Reserve Account to be replenished by transfers from available Net Revenues over a period not to exceed twelve months from the date the Commission receives notice from the Trustee of such deficiency. The Trustee may request at any time, and the Commission shall deliver within 10 Business Days of such request, a certificate stating the amount of the Maximum Series Annual Debt Service on the then Outstanding Bonds of any Series, and the Trustee shall be entitled to rely on such certificate.

(2) From time to time, but not less frequently than annually, the Trustee shall determine the amount in each Refunding Series Reserve Account. Permitted Investments in such Refunding Series Reserve Accounts shall be valued at cost plus accreted value.

(3) Within 90 days after the end of each Fiscal Year, and at such other times as the Commission shall request in writing, the Trustee shall determine the amount in each Refunding Series Reserve Account. In the event that the Trustee determines on any valuation date that the amount in a Refunding Series Reserve Account exceeds Maximum Series Annual Debt Service on all then Outstanding Bonds of such Series, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess to the Treasurer for deposit in the Revenues Account.

(4) In the event a Series of Refunding Bonds other than a Participating Series is to be redeemed in whole or in part pursuant to Section 18-52.04 or the Commission notifies the Trustee in writing of its intention to refund the said Series of Refunding Bonds in whole or in part, the Trustee shall value the amount in the Refunding Series Reserve Account for such Series in accordance with this Section 18-52.07(d), and if the Trustee determines that the amount in such Refunding Series Reserve Account exceeds Maximum Series Annual Debt Service on the Bonds of such Series to remain Outstanding after such redemption or refunding, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess in accordance with such request.

(5) At its option, the Commission may at any time substitute a Credit Facility meeting the requirements of this Section 18-52.07(d) for amounts on deposit in any Refunding Series Reserve Account. The Commission shall not substitute a Credit Facility for all or any part of the amounts on deposit in any such Refunding Series Reserve Account, if such substitution will cause the then current ratings on the Series of Refunding Bonds secured by such Refunding Series Reserve Account to be downgraded or withdrawn. In the event that after the substitution of a Credit Facility for all or any part of the amounts on deposit in any Refunding Series Reserve Account, the amount in such Reserve Account is greater than Maximum Series Annual Debt Service of the then Outstanding Bonds of such Series, upon the request of an Authorized Commission Representative, the Trustee shall transfer such excess to the Commission to be used solely for Airport purposes.

[Section 18-52.08. Disposition of Proceeds of the Bonds.](#) The proceeds of the sale of each Series of Refunding Bonds shall be deposited with the Treasurer and shall be held in trust and set aside by the Treasurer as follows:

(a) The Treasurer shall transfer to the Trustee for deposit in the Series Interest Account for such Series an amount equal to interest accrued on such Series of Refunding Bonds to the date of delivery thereof.

(b) The Treasurer shall transfer to the Trustee for deposit in the Issue 1 Reserve Account or separate reserve account created pursuant to Section 18-52.07(d) of this Seventh Supplemental Resolution, an amount equal to Maximum Series Annual Debt Service on such Series of Refunding Bonds, or such lesser amount as will increase the balance of the Issue 1 Reserve Account to the Aggregate Maximum Annual Debt Service.

(c) The Treasurer shall deposit in the Refunding Series Construction Account the amount specified in the Refunding Series Sale Resolution, the Bond Purchase Contract or instructions delivered by the Airport Director or his designee, for the payment of Costs of Issuance of the Series of Refunding Bonds.

(d) The remaining proceeds from the sale of the Refunding Bonds of such Series shall be transferred by the Treasurer to the Series Escrow Agent for deposit in the Series Escrow Fund. Amounts in the Series Escrow Fund shall be applied in accordance with the Series Escrow Agreement to refund outstanding 1991 Resolution Bonds or Notes.

[The following paragraph (e) was added to Section 18-52.08 by Section 23-59.01.]

(e) Any excess amounts attributable to the Escrow Fund shall be applied pursuant to instructions delivered by the Airport Director.

Section 18-52.09. Deposits of Net Revenues in Series Debt Service Accounts. In accordance with Section 5.03 of the 1991 Resolution, on the second Business Day of each month, the Treasurer shall allocate and transfer to the Trustee for deposit in the Series Debt Service Accounts amounts from the Net Revenues, as follows:

(a) In the Series Interest Account for each Series of Refunding Bonds, in approximately equal monthly installments, an amount equal to at least one-sixth (1/6) of the aggregate amount of interest becoming due and payable on such Series of Refunding Bonds on the next succeeding semiannual interest payment date; provided, however, that no moneys need be deposited in a Series Interest Account except to the extent that such moneys are required for the payment of interest to become due on such Series of Refunding Bonds on the next succeeding semiannual interest payment date, after the application of the moneys then on deposit in the Series Interest Account; and provided, further, that subject to the preceding proviso, during the period preceding the first interest payment date on a Series of Refunding Bonds, the amount of each monthly installment shall be equal to the product of a fraction the numerator of which is one and the denominator of which is the number of whole calendar months from the date of issuance of the Series of Refunding Bonds to the first interest payment date on such Series of Refunding Bonds minus one, and the aggregate amount of interest becoming due and payable on such Series of Refunding Bonds on said interest payment date.

(b) In the Series Principal Account for each Series, in approximately equal monthly installments, commencing on the second day of the month determined pursuant to the Refunding Series Sale Resolution or Bond Purchase Contract, an amount equal to at least one twelfth (1/12) of the aggregate Principal Amount becoming due and payable on the Outstanding Serial Bonds of such Series on the next succeeding Principal Payment Date, until there shall have been accumulated in the Series Principal Account for such Series an amount sufficient to pay the Principal Amount of all Serial Bonds of such Series maturing by their terms on the next Principal Payment Date.

(c) The Treasurer shall also transfer to the Trustee for deposit in the Series Principal Account for each Series, in approximately equal monthly installments, commencing on or before the second day of the month determined pursuant to the Refunding Series Sale Resolution or Bond Purchase Contract, prior to the first mandatory sinking fund payment date, an amount equal to at least one-twelfth (1/12) of the mandatory sinking fund payment required to be made pursuant to the Refunding Series Sale Resolution for such Series on the next succeeding mandatory sinking fund payment date, as such mandatory sinking fund payments and mandatory sinking fund payment dates may be set forth in the Refunding Series Sale Resolution or Bond Purchase Contract for such Series.

Section 18-52.10. Permitted Investments. Amounts in the Series Debt Service Accounts for each Series of Refunding Bonds shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing on or before

the Payment Date on which the proceeds of such Permitted Investments are intended to be applied for the purposes of the Series Debt Service Account to which such Permitted Investments are allocated. Amounts in the Issue 1 Reserve Account or any Refunding Series Reserve Account shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing no later than seven years after the date of purchase of said Permitted Investment. Amounts in Refunding Series Construction Accounts may be invested in any Permitted Investment. Amounts in the Series Escrow Funds shall be invested as provided in the corresponding Series Escrow Agreements.

Section 18-52.11. Transfer and Exchange of Refunding Bonds; Authenticating Agent: Paving Agents. Any Refunding Bond may be transferred only as provided in this Section, upon the books required to be kept by the Registrar pursuant hereto, by the person in whose name it is registered, in person or by duly authorized attorney, upon surrender of such Refunding Bond to the Registrar for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Registrar, duly executed. Whenever any Refunding Bond shall be surrendered for transfer, the Commission shall execute and the Authenticating Agent shall cause to be authenticated and delivered a new Refunding Bond of the same Series and maturity and interest rate and for a like aggregate principal amount. The Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Refunding Bonds may be exchanged at the principal office of the Registrar in San Francisco, California for a like aggregate principal amount of Refunding Bonds of such Series of other authorized denominations of the same maturity and interest rate. The Registrar shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee is hereby appointed as Registrar and Authenticating Agent for all Series of the Refunding Bonds. The Trustee will keep or cause to be kept at its principal corporate trust office in San Francisco, California, sufficient books for the registration, transfer and exchange of the Refunding Bonds, which shall at all times be open to inspection by the Commission; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or exchange on said register, Refunding Bonds as herein provided.

The Trustee is hereby appointed as Paying Agent for the purpose of paying the principal or Redemption Price of the Refunding Bonds.

Section 18-52.12. No Arbitrage. The Commission shall not take, nor permit to be taken by the Trustee or otherwise, any action which, if such action had been reasonably expected to have been taken or had been deliberately and intentionally taken on the date of the issuance of any Series of the Refunding Bonds, would have caused such Series of the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and Regulations. To that end, the Commission will comply with all requirements of Section 148 of the Code to the extent applicable to each Series of Refunding Bonds. In the event that at any time the Commission is of the opinion that for purposes of this Section 18-52.12 it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Article 18-III, the

Commission shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

[Section 18-52.13. Rebate to United States.](#) The Commission will pay or cause to be paid to the United States Government the amounts required by Section 148(f) of the Code and any Regulations promulgated thereunder at the times required thereby. To further the satisfaction of such rebate requirement, there is hereby created, to be held by the Trustee as a separate fund for each Series of Refunding Bonds distinct from all other funds and accounts held by the Trustee under the 1991 Resolution, a fund designated as the "Issue_ Rebate Account". The Trustee shall hold any payments received from the Commission for deposit into the Refunding Series Rebate Account for each Series of Refunding Bonds for purposes of ultimate rebate to the United States, all as more particularly described in the Tax Certificate for such Series. Pending payment to the United States, moneys held in the Refunding Series Rebate Account are hereby pledged to secure such payments to the United States as provided herein and in the Tax Certificate, and neither the Commission, the Bondholders nor any other person shall have any rights in or claim to such moneys. The Trustee shall invest all amounts held in the Refunding Series Rebate Accounts in Nonpurpose Investments (as defined in the applicable Tax Certificate), as directed by the Commission in the applicable Tax Certificate.

Computations of the rebate amount and all calculations under this Section and the Tax Certificate shall be furnished by or on behalf of the Commission. The Trustee shall be deemed conclusively to have complied with the provisions of this Section if it follows the directions of the Commission consistent with the provisions of the Tax Certificate. The Trustee shall have no liability or responsibility to enforce compliance by the Commission with the Rebate Requirement. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section, other than from moneys required to be held in the funds and accounts created under the 1991 Resolution, including the Refunding Series Rebate Accounts, or from other moneys provided to it by the Commission.

The Commission and the Trustee shall keep and retain, for a period of six (6) years following the retirement of the related Series of Refunding Bonds, records of the determinations made pursuant to this Section 18-52.13.

In order to provide for the administration of this Section 18-52.13, the Commission may provide for the employment of independent attorneys, accountants and consultants, who shall be selected by the Commission with reasonable care and compensated on such reasonable basis as the Commission may deem appropriate, and the Trustee may rely conclusively upon the opinions, calculations, determinations and advice of such attorneys, accountants and consultants employed hereunder.

[Section 18-52.14. Tax Covenant.](#) The Commission shall not use or knowingly permit the use of any proceeds of the Refunding Bonds or any other funds of the Commission, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Refunding Bonds being treated as an obligation not described in Section 103(a) of the Code. Without limiting the generality of the foregoing, the Commission will comply with all the requirements and covenants contained in the Tax

Certificate. This covenant shall survive the payment in full or defeasance of the Refunding Bonds.

Section 18-52.15. Taxable Bonds. Notwithstanding anything in this Supplemental Resolution to the contrary, in the event the Airport Director or his designee designates a Series of Refunding Bonds as obligations not described in Section 103(a) of the Code, the provisions of Sections 18-52.12, 18-52.13 and 18-52.14 shall not apply to such Series of Bonds.

Section 18-52.16. Continuing Disclosure. The Commission covenants to comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed and delivered in connection with the issuance of each Series of the Refunding Bonds, as it may be amended from time to time in accordance with its terms. Notwithstanding any other provision of the 1991 Resolution, failure of the Commission to comply with any Continuing Disclosure Certificate shall not be considered an Event of Default; *provided, however*, the Trustee may (and at the written request of the Holders of at least 25% of the aggregate principal amount of the related Series of Refunding Bonds Outstanding, and if such Holders shall have furnished to the Trustee indemnity satisfactory to it, shall) or any Holder or beneficial owner of such Series of Refunding Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Commission to comply with its obligations under this Section 18-52.16.

ARTICLE 30-LXV

AUTHORIZATION AND TERMS OF VARIABLE RATE BONDS

Section 30-65.01. Authorization and Terms of Variable Rate Bonds. (a) One or more Series of Variable Rate Bonds to be issued under the 1991 Resolution, in the aggregate principal amounts specified in one or more Series Sale Resolutions, are hereby created. Each Series of said Variable Rate Bonds shall be known as the “San Francisco International Airport Second Series Variable Rate Revenue Bonds, Issue ___” (with the Series designation to be the Arabic number next succeeding the number used as a Series designation for the immediately preceding Series of 1991 Resolution Bonds issued and such other descriptive words or letters to be added as provided in a Series Sale Resolution) (collectively, the “Variable Rate Bonds”). Each Series of Variable Rate Bonds shall be numbered in such manner as the Registrar shall determine.

(b) A Series of Variable Rate Bonds may be offered for sale in accordance with an Official Notice of Sale in such form as the Commission or the Airport Director or his designee may approve with the advice of the City Attorney or, alternatively, may be sold pursuant to a Bond Purchase Contract in such form as the Commission or the Airport Director or his designee may approve with the advice of the City Attorney.

(c) If a Series of Variable Rate Bonds is to be sold competitively, a Notice of Intention to Sell in such form as the Airport Director or his designee may approve with the advice of the City Attorney shall either (i) be published not less than 15 calendar days prior to the scheduled date for opening of bids, in such financial publications as are generally circulated throughout the State or reasonably expected to be disseminated among prospective bidders for such Variable Rate Bonds, or (ii) be disseminated by Electronic Means in a manner reasonably expected to be disseminated among prospective bidders for the Variable Rate Bonds, as the Airport Director or his designee may determine.

(d) The Airport Director or his designee is hereby authorized and directed to cause to be circulated, including without limitation by Electronic Means, to potential bidders, or in the case of a negotiated sale, to potential buyers, for each Series of Variable Rate Bonds a preliminary official statement relating to such Series of Variable Rate Bonds in such form as the Commission or the Airport Director or his designee may approve with the advice of the City Attorney. The Airport Director or his designee is hereby authorized to certify that the preliminary Official Statement is “deemed final” by the Commission within the meaning of Rule 15c2-12 of the Securities and Exchange Commission.

(e) The Airport Director or his designee is hereby further authorized and directed to certify and agree on behalf of the Commission to provide certain financial information and operating data of the Commission annually and notices of certain events, if material, pursuant to Rule 15c2-12(b)(5) of the Securities and Exchange Commission and to

execute and deliver a Continuing Disclosure Certificate for the benefit of the Holders and beneficial owners of each Series of Variable Rate Bonds in a form approved by the Airport Director with the advice of the City Attorney.

(f) At any time after the adoption of this Eleventh Supplemental Resolution and any applicable Series Sale Resolution, the Commission may execute and deliver one or more Series of Variable Rate Bonds pursuant to this Eleventh Supplemental Resolution to the Trustee. The Authenticating Agent shall authenticate and deliver to, or upon the written order of, the Commission, Variable Rate Bonds in an aggregate principal amount not exceeding the amounts specified in each such Series Sale Resolution minus the aggregate principal amount of such Variable Rate Bonds previously issued (excluding the principal amount of any Refunding Bonds issued hereunder that are deemed to be issued under the Seventh Supplemental Resolution in accordance with Section 30-68.01(a)).

[The following subsection (g) was amended by Section 31-73.03 of the Twelfth Supplemental Resolution, and subsequently amended by Section 32-78.06 of the Issue 32 Sale Resolution No. 05-0181 to read as follows:]

(g) Anything in this Eleventh Supplemental Resolution to the contrary notwithstanding, the day or time of day specified herein for the taking or foregoing of any action provided for herein with respect to a Series of Variable Rate Bonds may be changed by a Series Sale Resolution or Supplemental Resolution with the prior written consent of the Trustee, the Auction Agent, if any, the Broker-Dealers, if any, the Market Agent, if any, the Remarketing Agent, if any, the Credit Provider, if any, the Liquidity Provider, if any, and the Paying Agent, whose rights or obligations are affected thereby, in each case with respect to such Series of Variable Rate Bonds.

Section 30-65.02. Denominations, Medium, Method and Place of Payment and Dating of Variable Rate Bonds. Each Series of Variable Rate Bonds shall initially be issued in the Mode selected by the Commission and designated in a Series Sale Resolution relating to such Series of Variable Rate Bonds. Each Series of Variable Rate Bonds shall be issued in the form of fully registered Variable Rate Bonds in Authorized Denominations. The principal of and premium, if any, and interest on the Variable Rate Bonds shall be payable in lawful money of the United States of America. The interest on the Variable Rate Bonds shall be paid by the Paying Agent on the Interest Payment Dates (i) in the case of a Series of Variable Rate Bonds in a Commercial Paper Mode, a Daily Mode or a Weekly Mode, by wire transfer of immediately available funds to an account specified by the Owner of record thereof on the applicable Record Date in a writing delivered to the Paying Agent and (ii) in the case of a Series of Variable Rate Bonds in an Auction Mode, a Term Rate Mode or a Fixed Rate Mode, by check mailed by the Paying Agent to the respective Owners of record thereof on the applicable Record Date at their addresses as they appear on the applicable Record Date in the registration books required to be kept by the Paying Agent pursuant to Section 30-65.13, except that in the case of such an Owner of \$1,000,000 or more in aggregate principal amount of a Series of Variable Rate Bonds, upon the written request of such Owner to the Paying Agent, specifying the account or accounts to which such payment shall be made, payment of interest shall be made by wire transfer of immediately available funds on the Interest Payment Date following such Record Date. Any such request shall remain in effect until revoked or revised by such Owner by an instrument in

writing delivered to the Paying Agent. The principal of and premium, if any, on each Variable Rate Bond shall be payable on the Principal Payment Date, upon surrender thereof at the office of the Paying Agent.

The Paying Agent, the Trustee, the Remarketing Agent and the Commission may treat the Owner of a Variable Rate Bond as the absolute owner thereof for all purposes, whether or not such Variable Rate Bond shall be overdue, and the Paying Agent, the Trustee, the Remarketing Agent and the Commission shall not be affected by any knowledge or notice to the contrary; and payment of the principal of and premium, if any, and interest on such Variable Rate Bond shall be made only to such Owner, which payments shall be valid and effectual to satisfy and discharge the liability of such Variable Rate Bond to the extent of the sum or sums so paid. All Variable Rate Bonds paid pursuant to the provisions of this Section 30-65.02 shall be cancelled by the Paying Agent.

Each Series of Variable Rate Bonds shall be dated the date of authentication thereof and shall bear interest during each Interest Accrual Period until the entire principal amount of such Series of Variable Rate Bonds has been paid.

Section 30-65.03. Payment of Principal and Interest of Variable Rate Bonds; Acceptance of Terms and Conditions. (a) The interest on each Series of Variable Rate Bonds shall become due and payable on the Interest Payment Dates for such Series of Variable Rate Bonds in each year to and including the Maturity Date, and on each Redemption Date for such Series of Variable Rate Bonds. The principal of each Series of Variable Rate Bonds shall become due and payable on the Principal Payment Dates.

(b) By the acceptance of its Variable Rate Bond, the Owner thereof shall be deemed to have agreed to all the terms and provisions of such Variable Rate Bond as specified in such Variable Rate Bond and the 1991 Resolution including, without limitation, the applicable Interest Periods, interest rates (including any applicable Alternate Rate), Purchase Dates, Mandatory Purchase Dates, Purchase Prices, mandatory and optional purchase and redemption provisions applicable to such Variable Rate Bond, method and timing of purchase, redemption and payment. Such Owner further agrees that if, on any date upon which one of its Variable Rate Bonds is to be purchased, redeemed or paid at maturity or earlier due date, funds are on deposit with the Paying Agent or the Trustee to pay the full amount due on such Variable Rate Bond, then such Owner shall have no rights under the 1991 Resolution other than to receive such full amount due with respect to such Variable Rate Bond and that interest on such Variable Rate Bond shall cease to accrue as of such date.

Section 30-65.04. Calculation and Payment of Interest; Maximum Rate. (a) When a Commercial Paper Mode, a Daily Mode or a Weekly Mode is in effect for a Series of Variable Rate Bonds, interest on such Variable Rate Bonds shall be calculated on the basis of a 365/366 day year for the actual number of days elapsed. When a Term Rate Mode or a Fixed Rate Mode is in effect for a Series of Variable Rate Bonds, interest on such Variable Rate Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months. When an Auction Mode is in effect in an Auction Period of 180 days or less for a Series of Variable Rate Bonds, interest on such Variable Rate Bonds shall be calculated on the basis of actual days over 360 and when the Auction Period is greater than 180 days for a Series of Variable Rate Bonds,

on the basis of a 360-day year of twelve 30-day months. Payment of interest on each Variable Rate Bond shall be made on each Interest Payment Date for such Variable Rate Bond for unpaid interest accrued during the Interest Accrual Period to the Owner of record of such Variable Rate Bond on the applicable Record Date.

(b) A Series of Variable Rate Bonds in any Mode, other than a Fixed Rate Mode, may be changed to any other Mode at the times and in the manner hereinafter provided. Subsequent to such change in Mode (other than a change to a Fixed Rate Mode), such Variable Rate Bond may again be changed to a different Mode at the times and in the manner hereinafter provided. A Fixed Rate Mode shall be in effect until the Maturity Date or the Redemption Date, if any, and may not be changed to any other Mode.

[The following subsection (c) was amended by Section 31-73.04 of the Twelfth Supplemental Resolution to read as follows:]

(c) Absent manifest error, the interest rates contained in the records of the Paying Agent shall be conclusive and binding upon the Commission, the Remarketing Agent, the Paying Agent, the Trustee, the Credit Provider, the Liquidity Provider and the Owners, and with respect to a Series of Variable Rate Bonds in an Auction Mode, the Auction Agent, the Market Agent, if any, and the Broker-Dealers.

(d) No Variable Rate Bonds shall bear interest at an interest rate higher than the Maximum Rate.

[The following subsection (e) was amended by Section 31-73.04 of the Twelfth Supplemental Resolution to read as follows:]

(e) In the absence of manifest error, the determination of interest rates and Interest Periods by the Remarketing Agent shall be conclusive and binding, upon the Remarketing Agent, the Paying Agent, the Trustee, the Credit Provider, the Liquidity Provider, the Commission and the Owners.

Section 30-65.05. Determination of Commercial Paper Rates and Interest Periods During the Commercial Paper Mode. An Interest Period for a Commercial Paper Bond shall be of such duration, ending on a Business Day (but not later than the current Expiration Tender Date), of from one to 360 calendar days, as the Remarketing Agent shall determine in accordance with the provisions of this Section 30-65.05. A Commercial Paper Bond of a Series can have an Interest Period, and bear interest at a rate, different than other Commercial Paper Bonds of the same Series. In making the determinations with respect to Interest Periods, subject to limitations imposed by the second preceding sentence and in Section 30-65.04, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall select for such Variable Rate Bond the Interest Period which would result in the Remarketing Agent being able to remarket such Variable Rate Bond at par in the secondary market at the lowest interest rate then available and for the longest Interest Period available at such rate, provided that if on any Rate Determination Date, the Remarketing Agent determines that current or anticipated future market conditions or anticipated future events are such that a different Interest Period would result in a lower average interest cost on such Variable Rate Bond, then the Remarketing Agent

shall select the Interest Period which in the judgment of the Remarketing Agent would permit such Variable Rate Bond to achieve such lower average interest cost; provided, however, that if the Remarketing Agent has received notice from the Commission that any Variable Rate Bond is to be changed from the Commercial Paper Mode to any other Mode or is to be purchased in accordance with a mandatory purchase pursuant to Section 30-65.17(e), the Remarketing Agent shall, with respect to such Variable Rate Bond, select Interest Periods which do not extend beyond the Mandatory Purchase Date.

On or after 4:00 p.m., New York City time, on the Business Day next preceding each Rate Determination Date for a Commercial Paper Bond, any Owner of such Variable Rate Bond may telephone the Remarketing Agent and receive notice of the anticipated next Interest Period and the anticipated Commercial Paper Rate for such Interest Period for such Variable Rate Bond.

By 12:30 p.m., New York City time, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall determine the Commercial Paper Rate for the Interest Period then selected for such Variable Rate Bond and shall give notice by Electronic Means to the Paying Agent of the new Owner, the Interest Period, the Purchase Date and the Commercial Paper Rate.

By 1:00 p.m., New York City time, on each Rate Determination Date, the Remarketing Agent will assign CUSIP numbers for each Commercial Paper Bond for which a Commercial Paper Rate and Interest Period have been determined on such date and notify the Paying Agent of such assignment by Electronic Means.

Section 30-65.06. Determination of Interest Rate During the Daily Mode and the Weekly Mode. The interest rate for any Series of Variable Rate Bonds in the Daily Mode or Weekly Mode shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of such Variable Rate Bond on the Rate Determination Date at a price equal to the principal amount thereof, plus accrued and unpaid interest, if any.

(a) During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m., New York City time, on each Rate Determination Date. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Rate Determination Date. The Remarketing Agent shall make the Daily Rate available by telephone to any Owner or Notice Party requesting such rate, and on the last Business Day of each month, shall give notice to the Paying Agent of the Daily Rates that were in effect for each day of such month by Electronic Means.

[The following subsection (b) was amended by Section 32-78.03 (Issue 32F Sale Resolution No. 05-0181) to read as follow.]

(b) During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 p.m., New York City time, on each Rate Determination Date. The Weekly Rate shall be in effect (i) initially, from and including the first day the Variable Rate Bonds

become subject to the Weekly Mode to and including the following Rate Determination Date, and (ii) thereafter, from and including the day following each Rate Determination Date to and including the following Rate Determination Date. The Remarketing Agent shall make the Weekly Rate available (i) after 4:00 p.m., New York City time, on the Rate Determination Date by telephone to any Owner or Notice Party requesting such rate, and (ii) by Electronic Means to the Paying Agent not later than 1:00 p.m., New York City time, on the second Business Day immediately succeeding the Rate Determination Date. The Paying Agent shall give notice of such interest rates to the Trustee by Electronic Means not later than 4:00 p.m., New York City time, on the second Business Day immediately succeeding the Rate Determination Date.

Section 30-65.07. Determination of Term Rate and Fixed Rate.

(a) Term Rates. Once a Series of Variable Rate Bonds is changed to the Term Rate Mode, such Variable Rate Bonds shall continue in the Term Rate Mode until changed to another Mode in accordance with Section 30-65.10. The Term Rate shall be determined by the Remarketing Agent not later than 4:00 p.m., New York City time, on the Rate Determination Date, and the Remarketing Agent shall make the Term Rate available by telephone to any Notice Party requesting such rate. The Remarketing Agent shall give prompt written notice of the Term Rate to the Commission and the Paying Agent. The Term Rate shall be the minimum rate which, in the sole judgment of the Remarketing Agent, will result in a sale of the Series of Variable Rate Bonds at a price equal to the principal amount thereof on the Rate Determination Date for the Interest Period selected by the Commission in writing delivered to the Remarketing Agent before such Rate Determination Date. If a new Interest Period is not selected by the Commission prior to such Rate Determination Date (for a reason other than a court prohibiting such selection) the new Interest Period shall be the same length as the current Interest Period (or such lesser period as shall be necessary to comply with the next sentence and paragraph). No Interest Period in the Term Rate Mode may extend beyond the applicable Maturity Date.

A Series of Variable Rate Bonds, on the date such Variable Rate Bonds are changed to the Term Rate Mode and while such Variable Rate Bonds are in the Term Rate Mode, do not have to be secured by a Credit Facility if so determined by the Commission as provided by Section 30-65.10(a). If, however, such Series of Variable Rate Bonds are secured by the Credit Facility, then, notwithstanding anything to the contrary contained herein, no Interest Period for such Variable Rate Bond may extend beyond the Expiration Tender Date.

(b) Fixed Rate. The Remarketing Agent shall determine the Fixed Rate for each Variable Rate Bond in the Fixed Rate Mode in the manner and at the times as follows: Not later than 4:00 p.m., New York City time, on the Rate Determination Date for such Variable Rate Bond, the Remarketing Agent shall determine the Fixed Rate for such Variable Rate Bond. The Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such Variable Rate Bond at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall give written notice of the Fixed Rate promptly to the Paying Agent and shall make the Fixed Rate available by Electronic Means to any other Notice Party requesting such Fixed Rate. Upon request of any Notice Party, the Paying Agent shall give notice of such rate by Electronic Means.

Section 30-65.08. Alternate Rates. (a) The following provisions shall apply in the event (i) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period for any Variable Rate Bond or Series of Variable Rate Bonds or (ii) the method by which the Remarketing Agent determines the interest rate or Interest Period with respect to a Variable Rate Bond or Series of Variable Rate Bonds (or the selection by the Commission of the Interest Periods for a Series of Variable Rate Bonds in the Term Rate Mode) shall be held to be unenforceable by a court of law of competent jurisdiction. These provisions shall continue to apply until such time as the Remarketing Agent (or the Commission if applicable) again makes such determinations. In the case of clause (ii) above, the Remarketing Agent (or the Commission, if applicable) shall again make such determination at such time as there is delivered to the Remarketing Agent and the Commission an Opinion of Bond Counsel to the effect that there are no longer any legal prohibitions against such determinations. The following shall be the methods by which the interest rates and, in the case of the Commercial Paper Mode and the Term Rate Mode, the Interest Periods, shall be determined for a Series of Variable Rate Bonds as to which either of the events described in clauses (i) or (ii) shall be applicable. Such methods shall be applicable from and after the date either of the events described in clauses (i) or (ii) first become applicable to such Variable Rate Bond or Variable Rate Bonds until such time as the events described in clauses (i) or (ii) are no longer applicable to such Variable Rate Bond or Variable Rate Bonds. These provisions shall not apply if the Commission fails to select an Interest Period for a Series of Variable Rate Bonds in the Term Rate Mode for a reason other than as described in clause (ii) above.

(b) For a Commercial Paper Bond, the next Interest Period shall be from, and including, the last day of the current Interest Period for such Variable Rate Bond to, but excluding, the next succeeding Business Day and thereafter shall commence on each Business Day and extend to, but exclude, the next succeeding Business Day. For each such Interest Period, the interest rate for such Variable Rate Bond shall be the BMA Municipal Swap Index in effect on the Business Day that begins an Interest Period.

(c) If such Variable Rate Bond is in the Daily Mode, then such Variable Rate Bond shall bear interest during each subsequent Interest Period at the last lawful interest rate for such Variable Rate Bond set by the Remarketing Agent pursuant to Section 30-65.06.

(d) If such Variable Rate Bond is in the Weekly Mode, then such Variable Rate Bond shall bear interest during each subsequent Interest Period at the BMA Municipal Swap Index in effect on the first day of such Interest Period.

(e) If such Variable Rate Bond is in the Term Rate Mode and if (i) such Variable Rate Bond is secured by a Credit Facility, it will be changed automatically to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent in accordance with Section 30-65.05, or (ii) if such Variable Rate Bond is not secured by a Credit Facility, then such Variable Rate Bond shall stay in the Term Rate Mode for subsequent Interest Periods, each beginning on the last Stated Interest Payment Date and ending on the next Stated Interest Payment Date, and shall bear interest at the Alternate Term Rate in effect at the beginning of each such Interest Period.

Section 30-65.09. Determination and Notice of Auction Rates. The Auction Rate applicable to a Series of Variable Rate Bonds during each Auction Period shall be determined by the Auction Agent and notice thereof shall be given as provided in Article 30-LXVI hereof, except that if such Series of Variable Rate Bonds has an Initial Period, the Auction Rate for such Initial Period shall be specified in a Series Sale Resolution for such Series of Variable Rate Bonds.

Section 30-65.10. Changes in Mode. Subject to the provisions of this Section, the Commission may effect a change in Mode with respect to a Series of Variable Rate Bonds (other than a Series of Variable Rate Bonds in an Auction Mode which is set forth under Section 30-65.11 below) by following the procedures set forth in this Section. If a change in Mode will make a Series of Variable Rate Bonds subject to Rule 15c2-12 promulgated under the Securities Act of 1934, as amended, a Continuing Disclosure Certificate shall be executed by the Commission satisfying the requirements of said Rule.

(a) Changes to a Mode Other Than the Fixed Rate Mode or the Auction Mode. A Series of Variable Rate Bonds (other than a Series of Variable Rate Bonds in the Fixed Rate Mode or the Auction Mode) may be changed from one Mode to another Mode (other than the Fixed Rate Mode or the Auction Rate Mode) as follows:

(i) Mode Change Notice; Notice to Owners. No later than the forty-fifth (45th) day (or such shorter time as may be agreed to by the Commission, the Trustee, the Paying Agent and the Remarketing Agent) preceding the proposed Mode Change Date, the Commission shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (for purposes of this Section, the "Current Mode") to another Mode (for purposes of this Section, the "New Mode") specified in such written notice, and, if the change is to a Term Rate Mode, the length of the initial Interest Period as set by the Commission and whether or not the Series of Variable Rate Bonds to be changed to the Term Rate Mode will be secured by a Credit Facility (if it will be secured, then the initial Interest Period for such Variable Rate Bonds selected by the Commission cannot extend beyond the Expiration Tender Date). Notice of the proposed change in Mode shall be given to the Owners pursuant to Section 30-65.17(c).

(ii) Determination of Interest Rates. The New Mode for a Series of Variable Rate Bonds shall commence on the Mode Change Date for such Variable Rate Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Variable Rate Bond) shall be determined by the Remarketing Agent (or the Commission in the case of the Interest Period for a Variable Rate Bond changed to the Term Rate Mode) in the manner provided in Sections 30-65.05, 30-65.06 or 30-65.07, as applicable.

(iii) Conditions Precedent. The following are conditions precedent to any Mode Change:

- (A) The Mode Change Date shall be a Business Day.
- (B) Additionally, the Mode Change Date in the case of a change:

(1) from the Commercial Paper Mode, shall be the next Purchase Date for the Series of Commercial Paper Bonds to be changed to the New Mode; and

(2) from a Term Rate Mode, shall be the last day of the current Interest Period for the Series of Variable Rate Bonds being changed to a New Mode.

(C) The following items shall have been delivered to the Trustee, the Paying Agent and the Remarketing Agent on or prior to the Mode Change Date:

(1) in the case of a change from a Short-Term Mode to a Term Rate Mode or from a Term Rate Mode to a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Trustee, the Paying Agent and the Remarketing Agent;

(2) a Rating Confirmation Notice;

[The following subsection (3) was amended by Section 31-73.05 of the Twelfth Supplemental Resolution to read as follows:]

(3) a Credit Facility and/or Liquidity Facility providing, collectively, for the payment of principal of, premium, if any, interest on, and Purchase Price of such Series of Variable Rate Bonds with a principal component equal to the principal amount of the Series of Variable Rate Bonds being changed, with an interest component in the case of such Credit Facility and/or Liquidity Facility equal to or greater than the Credit Facility Interest Amount for the applicable Mode, and with an Expiration Date not earlier than five (5) Business Days prior to the end of the initial Interest Period for such Variable Rate Bonds; provided, however, that if a Series of Variable Rate Bonds is changed to the Term Rate Mode, no Credit Facility or Liquidity Facility need be applicable to such Variable Rate Bonds while in the Term Rate Mode if the Commission so elects by the time it gives the notice to the Notice Parties required by subsection (a)(i) of this Section.

(D) If the Series of Variable Rate Bonds to be changed is in the Commercial Paper Mode, no Interest Period set after delivery by the Commission to the Remarketing Agent of the notice of the intention to effect a change in Mode with respect to such Variable Rate Bonds shall extend beyond the proposed Mode Change Date.

(b) Change to Fixed Rate Mode. At the option of the Commission, a Series of Variable Rate Bonds may be changed to the Fixed Rate Mode as provided in this Section 30-65.10(b) (except for Auction Bonds changed to the Fixed Rate Mode for which provision is made in Section 30-65.11(d)). Not less than forty-five (45) days (or such shorter time as may be agreed to by the Commission, the Trustee and the Remarketing Agent) before the proposed Mode Change Date for such Variable Rate Bonds, the Commission shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change Date. Such Notice shall also state whether or not some or all of the Series of Variable Rate Bonds to be changed shall be Serial Bonds and, if so, the applicable Serial Maturity Dates and Serial Payments, all as determined pursuant to the provisions of subsection (v) of this subsection (b). Any such change in Mode shall be made as follows:

(i) Conditions Precedent. The Mode Change Date shall be:

(A) a Business Day;

(B) in the case of a change from the Commercial Paper Mode, the Purchase Date for the Series of Commercial Paper Bonds to be changed to the Fixed Rate Mode; and

(C) in the case of a change from the Term Rate Mode, the last day of the current Interest Period for the Series of Variable Rate Bonds being changed to the Fixed Rate Mode.

(ii) Notice to Owners. Not less than the thirtieth (30th) day next preceding the Mode Change Date, the Paying Agent shall mail, in the name of the Commission, a notice of such proposed change to the Owners of the Series of Variable Rate Bonds being changed stating that the Mode will be changed to the Fixed Rate Mode, the proposed Mode Change Date and that such Owner is required to tender such Owner's Variable Rate Bonds for purchase on such proposed Mode Change Date.

(iii) General Provisions Applying to Change to Fixed Rate Mode. The change to the Fixed Rate Mode shall not occur unless the following items shall have been delivered to the Trustee and the Remarketing Agent on the Mode Change Date:

(A) if the change is from a Short-Term Mode, a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Trustee and the Remarketing Agent; and

(B) a Rating Confirmation Notice.

(iv) Determination of Interest Rate. The Fixed Rate for each Variable Rate Bond of a Series of Variable Rate Bonds to be changed to the Fixed Rate Mode shall be established by the Remarketing Agent pursuant to the provisions of Section 30-65.07(b).

(v) Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates and Mandatory Sinking Fund Payments. Upon the change in a Series of Variable Rate Bonds to the Fixed Rate Mode, the Remarketing Agent shall determine the Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates and Mandatory Sinking Fund Payments for such Series of Variable Rate Bonds as provided in Section 30-65.11(d)(vii).

(c) Failure to Satisfy Conditions Precedent to a Mode Change. In the event the conditions described above in subsections (a) or (b), as applicable, of this Section have not been satisfied by the applicable Mode Change Date, then the New Mode or Fixed Rate Mode, as the case may be, for a Series of Variable Rate Bonds shall not take effect. If the failed change in Mode was from the Commercial Paper Mode, the applicable Variable Rate Bond shall remain in the Commercial Paper Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the failed Mode Change Date in accordance with Section 30-65.05. If the failed change in Mode was from the Daily Mode, the applicable Variable Rate Bond shall remain

in the Daily Mode, and if the failed change in Mode was from the Weekly Mode, the applicable Variable Rate Bond shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 30-65.06 on and as of the failed Mode Change Date. If the failed change in Mode was from the Term Rate Mode and for which the Credit Facility was in effect for the Variable Rate Bond to be changed, the applicable Variable Rate Bond shall be changed to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent on the failed Mode Change Date in accordance with Section 30-65.05. If, however, there was no Credit Facility in effect for such Variable Rate Bond to have been changed from the Term Rate Mode, then such Variable Rate Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternate Rate.

Section 30-65.11. Auction Rates; Changes to and from Auction Mode.

(a) Determination and Notice of Auction Rates. The Auction Rate to be applicable to the Auction Bonds during each Auction Period shall be determined by the Auction Agent pursuant to Section 30-66.04. Notice of such Auction Rates shall be given as provided in Section 30-66.06 or by the Broker-Dealer for such Series of Auction Bonds as set forth in subsection (b)(ii) hereof with respect to the first Auction Rate after a Mode Change Date.

(b) Changes to an Auction Mode. At the option of the Commission, a Series of Variable Rate Bonds (in an amount which is an Authorized Denomination for the new Interest Period) may be changed from another Mode (except from a Fixed Rate Mode) to an Auction Mode. Any such change shall be made as follows:

(i) In any such change from another Mode, the Mode Change Date shall be a regularly scheduled Interest Payment Date on which interest is payable for the Interest Period from which the change is to be made; provided, however, that if the change is from a Term Rate Mode, the Mode Change Date shall be a regularly scheduled Interest Payment Date on which a new Term Rate Mode would otherwise have commenced, and in any such change from a Commercial Paper Rate Mode, the Mode Change Date shall be the last regularly scheduled Interest Payment Date on which interest is payable for any Interest Period theretofore established for the Series of Variable Rate Bonds to be changed.

(ii) The Commission shall give written notice of any such change to the Remarketing Agent, the Trustee, the Auction Agent, the Market Agent, if any, the Broker-Dealer and the Credit Provider not less than seven (7) Business Days prior to the date on which the Trustee is required to notify the Owners of the change pursuant to subsection (iii) below. Such notice shall specify the Mode Change Date and the length of the initial Auction Period. Together with such notice, the Commission shall file with the Trustee an Opinion of Bond Counsel to the effect that the change of such Series of Variable Rate Bonds to an Auction Mode shall not adversely affect the validity of such Variable Rate Bonds or any exclusion from gross income for federal income tax purposes to which interest on such Variable Rate Bonds would otherwise be entitled. No such change to an Auction Mode shall become effective unless the Commission shall also file, with the Trustee, an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(iii) Not less than fifteen (15) days prior to the Mode Change Date, the Trustee shall mail a written notice of the change to the Owners of each Series of Variable Rate Bonds to be changed to an Auction Mode; provided, however, that the Trustee shall not mail such written notice of such change from a Commercial Paper Rate Period until it has received a written confirmation from the Remarketing Agent for such Series of Variable Rate Bonds that no Interest Period for such Variable Rate Bonds extends beyond the Mode Change Date.

The Auction Rate for the Auction Period commencing on the Mode Change Date for a Series of Variable Rate Bonds shall be the lowest rate which, in the judgment of the Broker-Dealer for such Series of Variable Rate Bonds, is necessary to enable such Variable Rate Bonds to be remarketed at a price equal to the principal amount thereof, plus accrued interest, if any, on the Mode Change Date. Such determination shall be conclusive and binding upon the Commission, the Trustee, the Auction Agent, the Market Agent and the Owners of such Variable Rate Bonds to which such rate will be applicable.

Not later than 5:00 p.m., New York City time, on the date of determination of the Auction Rate for a Series of Variable Rate Bonds, the Broker-Dealer shall notify the Trustee, the Commission, the Market Agent and the Auction Agent of the Auction Rate by telephone, promptly confirmed in writing or by other Electronic Means.

The Commission may revoke its election to effect a change in Mode for any Series of Variable Rate Bonds to the Auction Mode by giving written notice of such revocation to the Trustee, the Remarketing Agent, the initial Credit Provider, the Auction Agent, the Market Agent and the Broker-Dealer at any time prior to the setting of the initial Auction Rate by the initial Broker-Dealer.

No Series of Variable Rate Bonds may be changed to the Auction Mode when such Series of Variable Rate Bonds are not held by a depository in book-entry form.

(c) Changes from Auction Mode. At the option of the Commission, all (but not less than all) of a Series of Auction Bonds in an Auction Mode (in an amount which is an Authorized Denomination for the new Rate Period) may be changed to another Mode (except a Fixed Rate Mode, which is provided for in subsection (d) below). Any such change shall be made as follows:

(i) If the Auction Bonds are in an Auction Period other than the daily Auction Period, the Mode Change Date shall be the second regularly scheduled Interest Payment Date following the final Auction Date. If the Auction Bonds are in a daily Auction Period, the Mode Change Date shall be the next regularly scheduled Interest Payment Date.

(ii) The Commission shall give written notice of any change in Mode to the Trustee, the Remarketing Agent, if any, the Auction Agent, the Market Agent, if any, and the Broker-Dealer not less than seven (7) Business Days prior to the date on which the Trustee is required to notify the Owners of the change in Mode pursuant to subsection (iii) below. Such notice shall specify the Mode Change Date and the Mode to which the change will be made (and the length of any Term Rate Period). Together with such notice, the Commission shall file with the Trustee an Opinion of Bond Counsel to the effect that the change in Mode of such Series of

Auction Bonds will not adversely affect the validity of such Auction Bonds or any exclusion from gross income for federal income tax purposes to which interest on such Auction Bonds would otherwise be entitled. No change in Mode from the Auction Mode shall become effective unless the Commission shall also file with the Trustee an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(iii) Not less than fifteen (15) days prior to the Mode Change Date, the Trustee shall mail a written notice of the change in Mode to the Owners of all Auction Bonds to be changed to another Mode, specifying the Mode Change Date.

[The following subsection (iv) was amended by Section 31-73.06 of the Twelfth Supplemental Resolution to read as follows:]

(iv) Except in the case of a change to a Fixed Rate Mode or a Term Rate Mode, a Credit Facility or Liquidity Facility meeting the requirements of Section 30-65.18 shall be in effect on the Mode Change Date.

(v) On the Mode Change Date applicable to a Series of Auction Bonds to be changed to another Mode, such Series of Auction Bonds shall be subject to mandatory tender for purchase at a Purchase Price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest. The Purchase Price of such Auction Bonds so tendered shall be payable solely from the proceeds of the remarketing of such Auction Bonds in the New Mode.

(vi) If on the Mode Change Date any condition precedent to such change in Mode required hereunder is not satisfied, the Trustee will give written notice by first class mail postage prepaid as soon as practicable and in any event not later than the next succeeding Business Day to the Owners of such Auction Bonds to have been changed to another Mode and the Commission that such change has not occurred, that such Auction Bonds will not be purchased on the failed Mode Change Date, that the Auction Agent will continue to implement the Auction Procedures on the Auction Dates with respect to such Auction Bonds which otherwise would have been changed to another Mode, excluding, however, the Auction Date falling on the Business Day next preceding the failed Mode Change Date, and that the interest rate will continue to be the Auction Rate; provided, however, that the interest rate borne by such Auction Bonds during the Auction Period commencing on such failed Mode Change Date will be the Maximum Auction Rate, and the Auction Period will be the seven (7)-day Auction Period. The Trustee shall give the notice required by this subsection (vi) by Electronic Means if an Owner so requests in writing and the Trustee receives such request no later than five (5) Business Days before the Trustee is required to give such notice.

(d) Change from Auction Mode to Fixed Rate Mode. At the option of the Commission, all (but not less than all) of a Series of Auction Bonds in an Auction Mode (in an amount which is an Authorized Denomination for the new Mode) may be changed to a Fixed Rate Mode to bear interest at a Fixed Rate as follows:

(i) The Mode Change Date shall be, in the case of a change from an Auction Mode in other than a daily Auction Period, the second regularly scheduled Interest

Payment Date following the final Auction Date and in the case of a change from a daily Auction Period, the first Business Day of any calendar month.

(ii) Not less than seven (7) Business Days prior to the date on which the Trustee is required to notify the Owners of the change to a Fixed Rate Mode pursuant to subsection (iii) below, the Commission shall give written notice of the change to the Trustee, the Remarketing Agent, if any, the Credit Provider, if any, the Auction Agent, the Market Agent, if any, and the Broker-Dealer setting forth the Mode Change Date. Together with such notice, the Commission shall file with the Trustee an Opinion of Bond Counsel to the effect that the change of such Series of Auction Bonds to the Fixed Mode, including the determination of Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates and Mandatory Sinking Fund Payments pursuant to subsection (vii) of this Section 30-65.11(d), will not adversely affect the validity of such Auction Bonds or any exclusion from gross income for federal income tax purposes to which interest on such Auction Bonds would otherwise be entitled. No change to the Fixed Rate Mode shall occur unless the Commission shall also file with the Trustee an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(iii) The Trustee shall mail a notice of the proposed change to the Owners of the Series of Auction Bonds to be changed not less than fifteen (15) days prior to the Mode Change Date.

(iv) Not later than 12:00 noon, New York City time, on the Business Day prior to the Mode Change Date, the Remarketing Agent shall determine the Fixed Rate for the Series of Auction Bonds to be changed to a Fixed Rate Mode.

(v) Such determination shall be conclusive and binding upon the Commission, the Trustee, the Credit Provider, if any, the Broker-Dealer, if any, the Auction Agent, if any, the Market Agent, if any, and the Owners of the Auction Bonds to which such rate will be applicable. Not later than 5:00 p.m., New York City time, on the date of determination of the Fixed Rate, the Remarketing Agent shall notify the Trustee, the Credit Provider and the Commission of such rate by telephone, promptly confirmed in writing, or by other Electronic Means.

(vi) The Commission may revoke its election to effect a change in Mode for any Series of Auction Bonds to the Fixed Rate Mode by giving written notice of such revocation to the Trustee, the Remarketing Agent, if any, the Credit Provider, if any, the Auction Agent, if any, the Market Agent, if any, and the Broker-Dealer, if any, at any time prior to the determination of the Fixed Rate by the Remarketing Agent.

(vii) Prior to the change in Mode of a Series of Auction Bonds to the Fixed Rate Mode pursuant to this Section 30-65.11, and except as shall otherwise be specified by the Commission in a Series Sale Resolution, the Remarketing Agent or Broker-Dealer shall deliver to the Trustee and the Commission a schedule specifying the Serial Maturity Dates, the Serial Payments, the Mandatory Sinking Fund Redemption Dates, the Mandatory Sinking Fund Payments, in each case if any, and the interest rates for such Bonds. Such Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates, Mandatory Sinking Fund

Payments and interest rates for such Series of Bonds shall be determined by the Remarketing Agent or Broker-Dealer as follows:

(A) The Remarketing Agent or Broker-Dealer shall determine the schedule of Serial Payments and/or Mandatory Sinking Fund Payments on such Series of Bonds to achieve approximately level annual debt service with respect to such Series of Bonds. In making such schedule, the Remarketing Agent or Broker-Dealer shall, to the extent necessary, alternately round down and up to the nearest \$5,000 the amount of Serial Payments or Mandatory Sinking Fund Payments coming due on each May 1;

(B) The Remarketing Agent or Broker-Dealer shall allocate the principal amount of such Bonds between Serial Payments and Mandatory Sinking Fund Payments in such manner as shall produce the lowest aggregate interest payable with respect to such Bonds; and

(C) The Remarketing Agent or Broker-Dealer shall set the interest rate on such Bonds coming due on each Serial Maturity Date and Maturity Date at the lowest interest rate that will enable such Auction Bonds, upon the change in Mode, to be remarketed at par (plus any accrued interest) taking into account the Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates and Mandatory Sinking Fund Payments or such Bonds.

The foregoing notwithstanding, the Commission may provide by a Series Sale Resolution for another method of determining the Serial Maturity Dates, Serial Payments, Mandatory Sinking Fund Redemption Dates and Mandatory Sinking Fund Payments for a Series of Auction Bonds after the Mode Change Date if (i) there is delivered to the Trustee by the Commission an Opinion of Bond Counsel to the effect that utilization of such other method will not adversely affect the validity of any Auction Bonds or any exclusion from federal income taxation to which the interest on such Bonds would otherwise be entitled, and (iii) the Remarketing Agent or Broker-Dealer consents in writing thereto.

(viii) With respect to a Series of Auction Bonds changed to the Fixed Rate Mode, mandatory redemption by operation of Mandatory Sinking Fund Payments shall be without premium. A Series of Auction Bonds changed to the Fixed Rate Mode shall be redeemed by the Trustee pursuant to the provisions of this Section, Section 30-65.16 and Article III or Section 18-52.04 of the 1991 Resolution without any notice from or direction by the Commission.

Section 30-65.12. Form of Variable Rate Bonds. Each Series of Variable Rate Bonds and the assignment to appear thereon shall each be in substantially the forms respectively set forth in Exhibit A attached hereto and incorporated herein, with appropriate or necessary insertions, omissions and variations as permitted or required hereby. Upon any change in Mode, if and to the extent necessary, a new form of Variable Rate Bonds shall be prepared which contains the terms of such Variable Rate Bonds applicable in the new Mode.

Section 30-65.13. Transfer and Exchange of Variable Rate Bonds; Appointment of Registrar, Authenticating Agent and Paying Agent.

(a) Except as in this Section 30-65.13 otherwise provided, the transfer and exchange of Variable Rate Bonds shall be subject to the provisions of Article II of the 1991 Resolution. During the Term Rate Mode and the Fixed Rate Mode, the Paying Agent shall not be required to transfer or exchange (i) any Variable Rate Bonds during the period commencing on the date ten (10) days prior to the date of selection of Variable Rate Bonds for redemption and ending on such date of selection, (ii) any Variable Rate Bond selected for redemption in whole or in part or (iii) any Variable Rate Bonds during the period of fifteen (15) days preceding any Interest Payment Date.

(b) The Paying Agent for a Series of Bonds shall serve as Registrar and Authenticating Agent for all Series of Variable Rate Bonds. The Paying Agent will keep or cause to be kept at its principal corporate trust office in San Francisco, California, sufficient books for the registration, transfer and exchange of the Variable Rate Bonds, which shall at all times be open to inspection by the Commission and the Trustee; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or exchange on said register, Variable Rate Bonds as herein provided.

(c) The Trustee is hereby appointed as the initial Paying Agent for each Series of Variable Rate Bonds for the purpose of paying the principal or Purchase Price or Redemption Price of the Variable Rate Bonds. At all times the Paying Agent shall have a corporate trust office in New York, New York.

Section 30-65.14. Book-Entry System. (a) Unless the Airport Director or his designee determines that a Series of Variable Rate Bonds shall be issued in registered form other than in book-entry form, a Series of Variable Rate Bonds in any Mode shall initially be issued in book-entry form as further provided in this Section 30-65.14.

(b) The Variable Rate Bonds issued pursuant to this Eleventh Supplemental Resolution shall initially be issued in the form of a separate single fully-registered Variable Rate Bond for each separate stated maturity of each Series of Variable Rate Bonds. Except as provided in subsection (c) of this Section 30-65.14, all of the Variable Rate Bonds of a Series shall be registered in the name of the Nominee.

The Trustee, the Registrar, the Paying Agents, the Auction Agent, the Broker-Dealers, the Remarketing Agents and the Commission may treat the registered owner of each Variable Rate Bond as the sole and exclusive owner thereof for the purposes of payment of the principal or Redemption Price of or interest on the Series of Variable Rate Bonds to which such Variable Rate Bond belongs, selecting the Variable Rate Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under the 1991 Resolution, registering the transfer of Variable Rate Bonds, obtaining any consent or other action to be taken by Bondholders, and for all other purposes whatsoever, and neither the Trustee, the Registrar, the Paying Agents nor the Commission shall be affected by any notice to the contrary.

Neither the Trustee, the Registrar, the Paying Agents, the Auction Agent, the Broker-Dealers, the Remarketing Agents nor the Commission shall have any responsibility or obligation to any participant in the Bond Depository (a "Participant"), any person claiming a beneficial ownership interest in the Variable Rate Bonds under or through the Bond Depository

or any Participant, or any other person who is not shown on the registration books as being a Bondholder, with respect to (i) the accuracy of any records maintained by the Bond Depository or any Participant; (ii) the payment by the Bond Depository or any Participant of any amount in respect of the principal of, Purchase Price or Redemption Price of or interest on the Variable Rate Bonds; (iii) the delivery of any notice which is permitted or required to be given to Bondholders under the 1991 Resolution; (iv) the selection by the Bond Depository or any Participant of any person to receive payment in the event of a partial redemption of the Variable Rate Bonds; (v) any consent given or other action taken by the Bond Depository as Bondholder; or (vi) any other purpose.

The Trustee or the Paying Agents, as the case may be, shall pay all principal or Purchase Price of, premium, if any, or interest on the Variable Rate Bonds only to or upon the order of the Bond Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Commission's obligations with respect to the payment of the principal or Purchase Price of, premium, if any, or interest on the Variable Rate Bonds to the extent of the sum or sums so paid. No person other than the Bond Depository shall receive an authenticated Variable Rate Bond evidencing the obligation of the Commission to make payments of principal or Purchase Price of, premium, if any, or interest pursuant to the 1991 Resolution. Upon delivery by the Bond Depository to the Trustee of written notice to the effect that the Bond Depository has determined to substitute a new Nominee in place of the current Nominee, and subject to the provisions herein with respect to record dates, the word Nominee in this Article 30-LXV shall refer to such new Nominee.

(c) In order to qualify each Series of Variable Rate Bonds for the Bond Depository's book-entry system, the appropriate officers or employees of the Commission are hereby authorized to execute and deliver on behalf of the Commission to the Bond Depository for each Series of Variable Rate Bonds a Representation Letter from the Commission representing such matters as shall be necessary to so qualify the Variable Rate Bonds. The execution and delivery of the Representation Letter shall not in any way limit the provisions of this Section 30-65.14 or in any other way impose upon the Commission any obligation whatsoever with respect to persons having beneficial ownership interests in the Variable Rate Bonds other than the Bondholders.

(d) In the event (i) the Bond Depository determines not to continue to act as securities depository for a Series of Variable Rate Bonds, or (ii) the Commission determines that the Bond Depository shall no longer so act and delivers a written certificate to the Trustee to that effect, then the Commission will discontinue the book-entry system with the Bond Depository for such Series of Variable Rate Bonds. If the Commission determines to replace the Bond Depository for a Series of Variable Rate Bonds with another qualified securities depository, the Commission shall prepare or direct the preparation of a new, single, separate, fully registered Variable Rate Bond of such Series for each maturity of such Series of Variable Rate Bonds registered in the name of such successor or substitute qualified Bond Depository or its Nominee, or make such other arrangements acceptable to the Trustee, the Paying Agents and such successor or substitute Bond Depository as are not inconsistent with the terms of this Eleventh Supplemental Resolution. If the Commission fails to identify another qualified Bond Depository to replace the incumbent Bond Depository for a Series of Variable Rate Bonds, then such Series of Variable Rate Bonds shall no longer be restricted to being registered in the bond registration

books in the name of the incumbent Bond Depository or its Nominee, but shall be registered in whatever name or names the incumbent Bond Depository or its Nominee transferring or exchanging such Series of Variable Rate Bonds shall designate.

(e) To exercise any optional tender pursuant to Section 30-65.17(a) or 30-65.17(b), in addition to notifying the Remarketing Agent and the Paying Agent, as the case may be, a beneficial owner must notify its Participant, if the Remarketing Agent is not such Owner's Participant, of its decision to demand the purchase of its Variable Rate Bonds as provided herein.

[The following subsection (f) was amended by Section 31-73.07 of the Twelfth Supplemental Resolution to read as follows:]

(f) In the event that the Remarketing Agent fails to remarket all Variable Rate Bonds on a Purchase Date, such beneficial owner's Participant shall cause to be transferred such Variable Rate Bonds to an account of the Trustee at DTC and the Trustee, upon receipt of the proceeds paid under the Credit Facility or Liquidity Facility, as the case may be, shall cause the Purchase Price of such Variable Rate Bonds to be transferred to an account of such beneficial owner's Participant against receipt of such Variable Rate Bonds.

(g) Upon remarketing of Variable Rate Bonds, payment of the Purchase Price thereof shall be made to DTC and no physical delivery or surrender of Variable Rate Bonds is expected to be required; such delivery or surrender of the Variable Rate Bonds shall be accomplished through DTC's book entry system. Such sales shall be made through Participants (which may include the Remarketing Agent) and the Participants shall transmit payment to the beneficial owners whose Variable Rate Bonds were purchased pursuant to a remarketing. The Commission, the Trustee, the Paying Agent and the Remarketing Agent are not responsible for transfers of payment to Participants or beneficial owners.

(h) Notwithstanding any provision of the 1991 Resolution to the contrary, so long as the Variable Rate Bonds are registered in the name of the Nominee, all payments respect to principal or Purchase Price of, premium, if any, or interest on the Variable Rate Bonds and all notices with respect to the Variable Rate Bonds shall be made and given, respectively, as provided in the Representation Letter for the related Series of Variable Rate Bonds or as otherwise instructed by the Bond Depository.

(i) The initial Bond Depository with respect to each Series of Variable Rate Bonds shall be The Depository Trust Company ("DTC"). The initial Nominee with respect to each Series of Variable Rate Bonds shall be CEDE & CO., as nominee of DTC.

[The following Section 30-65.15 was amended by Section 31-73.08 of the Twelfth Supplemental Resolution to read as follows:]

Section 30-65.15. Interest on Credit Provider Bonds and Liquidity Provider Bonds.

(a) Credit Provider Bonds. Each Credit Provider Bond shall bear interest on the outstanding principal amount thereof at the Credit Provider Interest Rate for each day from and including the date such Variable Rate Bond becomes a Credit Provider Bond to, but not

including, the date such Variable Rate Bond is paid in full or is remarketed. Interest on Credit Provider Bonds shall be payable as provided in the Credit Facility Agreement. Credit Provider Bonds shall not bear interest at the Credit Provider Interest Rate after such Variable Rate Bonds have been remarketed unless such Variable Rate Bonds shall again become Credit Provider Bonds. Interest on Credit Provider Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

(b) Liquidity Provider Bonds. Each Liquidity Provider Bond shall bear interest on the outstanding principal amount thereof at the Liquidity Provider Interest Rate for each day from and including the date such Variable Rate Bond becomes a Liquidity Provider Bond to, but not including, the date such Variable Rate Bond is paid in full or is remarketed. Interest on Liquidity Provider Bonds shall be payable as provided in the Liquidity Facility Agreement.

Liquidity Provider Bonds shall not bear interest at the Liquidity Provider Interest Rate after such Variable Rate Bonds have been remarketed unless such Variable Rate Bonds shall again become Liquidity Provider Bonds. Interest on Liquidity Provider Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

Section 30-65.16. Redemption of Variable Rate Bonds. Except as in this Section 30-65.16 otherwise provided, the redemption of Variable Rate Bonds shall be subject to the provisions of Article III of the 1991 Resolution. The Redemption Price of any Series of Variable Rate Bonds secured by a Credit Facility (other than a Bond Insurance Policy or a reserve fund surety policy) shall be paid with Seasoned Funds.

(a) Mandatory Sinking Fund Redemption. Variable Rate Bonds of each Series shall be subject to redemption prior to their respective Maturity Dates, in part and by lot, from Mandatory Sinking Fund Payments required by Section 30-65.22(c), on any May 1, on or after the first date upon which Mandatory Sinking Fund Payments are to be made (as established by the related Series Sale Resolution or pursuant to Section 30-65.11(d)(vii)), at the Principal Amount thereof and accrued interest thereon to the Redemption Date, but without premium. No Variable Rate Bonds of any Series maturing on any date shall be redeemed from Mandatory Sinking Fund Payments until Variable Rate Bonds of the same Series maturing on preceding term maturity dates, if any, in order of term maturities, shall have been retired.

Upon any redemption of Variable Rate Bonds pursuant to subsection (b) of this Section, an amount equal to the aggregate principal amount of Variable Rate Bonds so redeemed shall be credited towards a part or all of any one or more yearly Mandatory Sinking Fund Payments required by the foregoing subsection (a), as directed in writing by the Commission, provided that such direction is received by the Trustee at least seventy-five (75) days before the related Mandatory Sinking Fund Redemption Date. Any such direction shall state the years in which and the amounts by which such Mandatory Sinking Fund Payments are to be reduced. The portion of any such Mandatory Sinking Fund Payment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Mandatory Sinking Fund Payment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Mandatory Sinking Fund Payment for the purpose of the calculation of principal payments due on any future Principal Payment Date.

After a Series of Variable Rate Bonds is changed to a Fixed Rate Mode, such Variable Rate Bonds shall not be redeemed pursuant to this subsection (a) in any year which, as a result of the change to a Fixed Rate, a Mandatory Sinking Fund Payment due on any Mandatory Sinking Fund Redemption Date has been changed to a Serial Payment due on a Serial Maturity Date.

If the Mandatory Sinking Fund Redemption Date for a Series of Variable Rate Bonds in an Auction Mode is not an Interest Payment Date, such Variable Rate Bonds will be redeemed on the Interest Payment Date immediately succeeding the scheduled Mandatory Sinking Fund Redemption Date.

(b) Optional Redemption.

(i) Optional Redemption of Commercial Paper Bonds. Variable Rate Bonds in the Commercial Paper Mode are not subject to optional redemption prior to their respective Purchase Dates. Variable Rate Bonds in the Commercial Paper Mode shall be subject to redemption at the option of the Commission in whole or in part on their respective Purchase Dates at a Redemption Price equal to the principal amount thereof.

[The following subsection (b)(ii) was amended by Section 32-78.04 (Issue 32F Sale Resolution No. 05-0181) to read as follow.]

(ii) Optional Redemption of Variable Rate Bonds in the Daily Mode or the Weekly Mode. Variable Rate Bonds in the Daily Mode or the Weekly Mode are subject to optional redemption by the Commission, in whole or in part, in Authorized Denominations on any Business Day, at a Redemption Price equal to the principal amount thereof, plus accrued and unpaid interest, if any.

(iii) Optional Redemption of Variable Rate Bonds in the Auction Mode. Variable Rate Bonds in the Auction Mode are subject to optional redemption by the Commission, in whole or in part, in Authorized Denominations on the Business Day immediately following the end of an Auction Period, at a Redemption Price equal to the principal amount thereof, plus accrued and unpaid interest, if any.

(iv) Optional Redemption of Variable Rate Bonds in the Term Rate or the Fixed Rate Mode. Variable Rate Bonds in the Term Rate Mode or Fixed Rate Mode are subject to redemption in whole on any date or in part on any Interest Payment Date (and if in part, in such order of maturity as the Commission shall specify and within a maturity by lot or by such other method as the Paying Agent determines to be fair and reasonable and in Authorized Denominations) at the Redemption Prices set forth below:

(A) If, on the Mode Change Date, the remaining term of such Series of Variable Rate Bonds, in the case of Fixed Rate Bonds, or the length of the Interest Period, in the case of Term Rate Bonds, is greater than fifteen (15) years, then such Variable Rate Bonds will not be subject to optional redemption until the first Stated Interest Payment Date to follow the tenth (10th) anniversary of the Mode Change Date. On such Stated Interest Payment Date, such Variable Rate Bonds will be subject to redemption at a Redemption Price

equal to one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to the Redemption Date.

(B) If, on the Mode Change Date, the remaining term of such Series of Variable Rate Bonds, in the case of Fixed Rate Bonds, or the length of the Interest Period, in the case of Term Rate Bonds, is equal to or less than fifteen (15) years, but greater than ten (10) years, then such Variable Rate Bonds will not be subject to optional redemption until the first Stated Interest Payment Date to follow the seventh (7th) anniversary of the Mode Change Date. On such Stated Interest Payment Date, such Variable Rate Bonds will be subject to redemption at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest, if any, to the Redemption Date.

(C) If, on the Mode Change Date, the remaining term of such Series of Variable Rate Bonds, in the case of Fixed Rate Bonds, or the length of the Interest Period, in the case of Term Rate Bonds, is equal to or less than ten (10) years but greater than five (5) years, then such Variable Rate Bonds will not be subject to optional redemption until the first Stated Interest Payment Date to follow the third (3rd) anniversary of the Mode Change Date. On such Stated Interest Payment Date, such Variable Rate Bonds will be subject to redemption at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest, if any, to the Redemption Date.

(D) If, on the Mode Change Date, the remaining term of a Series of Variable Rate Bonds, in the case of Fixed Rate Bonds, or the length of the Interest Period, in the case of Term Rate Bonds, is equal to or less than 5 years, such Variable Rate Bonds will be subject to redemption on or after the first Stated Interest Payment Date (whichever is earlier) to follow the second (2nd) anniversary of the Mode Change Date at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest, if any, to the Redemption Date, and prior thereto will not be subject to optional redemption.

The Commission, in connection with a change to a Term Rate or a Fixed Rate Mode, may waive or otherwise alter its rights to direct the redemption of any such Variable Rate Bonds so changed to a Term Rate Mode or a Fixed Rate Mode at any time without premium; provided that, notice describing the waiver or alteration shall be submitted to the Paying Agent, the Trustee and the Remarketing Agent, together with a Favorable Opinion of Bond Counsel, addressed to them.

[The following subsection (c) was amended by Section 31-73.09 of the Twelfth Supplemental Resolution to read as follows:]

(c) Redemption of Credit Provider Bonds and Liquidity Provider Bonds. Anything in the 1991 Resolution to the contrary notwithstanding, Credit Provider Bonds shall be redeemed first and Liquidity Provider Bonds shall be redeemed second, prior to the optional redemption of any other Variable Rate Bonds, except as otherwise provided in a Series Sale Resolution with respect thereto.

(d) Notice of Redemption. Except as otherwise provided herein, in addition to the parties referenced in Section 3.03 of the 1991 Resolution, notice of redemption shall be

given by mail or Electronic Means by the Trustee to the Remarketing Agent, the Paying Agent, the Auction Agent, the Broker-Dealers, the Market Agent, if any, and the Credit Provider, if any.

[The following subsection (e) was amended by Section 31-73.09 of the Twelfth Supplemental Resolution to read as follows:]

(e) Effect of Redemption on Credit Provider Bonds and Liquidity Provider Bonds. Anything in the 1991 Resolution to the contrary notwithstanding, any Credit Provider Bonds shall remain Outstanding until the Credit Provider is paid all amounts due under the Credit Facility Agreement with respect to such Credit Provider Variable Rate Bonds or the portion thereof to be redeemed, and any Liquidity Provider Bonds shall remain Outstanding until the Liquidity Provider is paid all amounts due under the Liquidity Facility Agreement with respect to such Liquidity Provider Bonds or the portion thereof to be redeemed. After payment to the Credit Provider of all amounts due on Credit Provider Bonds, the Credit Provider shall surrender such Variable Rate Bonds to the Paying Agent for cancellation. After payment to the Liquidity Provider of all amounts due on Liquidity Provider Bonds, the Liquidity Provider shall surrender such Variable Rate Bonds to the Paying Agent for cancellation.

Section 30-65.17. Purchase of Variable Rate Bonds.

(a) Optional Tenders of Variable Rate Bonds in the Daily Mode or the Weekly Mode. The Owners of Variable Rate Bonds in a Daily Mode or a Weekly Mode may elect to have their Variable Rate Bonds (or portions of those Variable Rate Bonds in amounts equal to an Authorized Denomination) purchased on any Business Day at a price equal to the Purchase Price, (i) in the case of Variable Rate Bonds in a Daily Mode, upon delivery of an irrevocable notice of tender to the Paying Agent and the Remarketing Agent by telephone, e-mail or other means acceptable to the Remarketing Agent not later than 11:00 a.m., New York City time, on the Purchase Date specified by the Owner; and (ii) in the case of Variable Rate Bonds in a Weekly Mode, upon delivery of an irrevocable written notice of tender to the Paying Agent and the Remarketing Agent by telephone, e-mail or other means acceptable to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, not later than 4:00 p.m., New York City time, on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner in such notice. Such notices of tender shall state the CUSIP number, Variable Rate Bond number and the principal amount of such Variable Rate Bond and that such Variable Rate Bond shall be purchased on the Purchase Date specified above. Such Variable Rate Bond shall be delivered (with all necessary endorsements) at or before 12:00 noon, New York City time, on the Purchase Date at the office of the Paying Agent in New York, New York; provided, however, that payment of the Purchase Price shall be made pursuant to this subsection (a) only if the Variable Rate Bond so delivered to the Paying Agent conforms in all respects to the description thereof in the notice described in this subsection (a). Payment of the Purchase Price with respect to purchases under this subsection (a) shall be made to the Owners of tendered Variable Rate Bonds by wire transfer in immediately available funds by the Paying Agent by the close of business in New York, New York, on the Purchase Date. An Owner who gives the notice of tender as set forth above may repurchase the Variable Rate Bonds so tendered on such Purchase Dates if the Remarketing Agent agrees to sell the Variable Rate Bonds so tendered to such Owner. If such Owner decides to repurchase such Variable Rate Bonds and the Remarketing

Agent agrees to sell the specified Variable Rate Bonds to such Owner, the delivery requirements set forth above shall be waived.

(b) Mandatory Purchase at End of Commercial Paper Rate Periods. Each Commercial Paper Bond shall be subject to mandatory purchase on the Purchase Date for the current Interest Period applicable to such Variable Rate Bond at the Purchase Price. Variable Rate Bonds purchased pursuant to this Section shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon on such Purchase Date, and payment of the Purchase Price shall be made by wire transfer in immediately available funds by the close of business on such Purchase Date. No notice of such mandatory purchase shall be given to the Owners.

(c) Mandatory Purchase on Mode Change Date.

(i) Variable Rate Bonds to be changed from one Mode to another Mode (other than a change to the Fixed Rate Mode or the Auction Mode) are subject to mandatory purchase on the Mode Change Date as provided in this subsection (i) at the Purchase Price. Variable Rate Bonds purchased pursuant to this Section shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon on the Mode Change Date and payment of the Purchase Price shall be made by wire transfer in immediately available funds by the close of business on the Mode Change Date. The Paying Agent shall give notice of such mandatory purchase by mail to the Owners of the Variable Rate Bonds subject to mandatory purchase no less than thirty (30) days prior to the Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price, the numbers of the Variable Rate Bonds to be purchased if less than all of the Variable Rate Bonds owned by such Owner are to be purchased and that interest on Variable Rate Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The Trustee shall give the notice required by this subsection (i) by Electronic Means if an Owner so requests in writing and the Trustee receives such request no later than five (5) Business Days before the Trustee is required to give such notice. The failure to send such notice with respect to any Variable Rate Bond as provided in this subsection (i) shall not affect the validity of the mandatory purchase of any other Variable Rate Bond with respect to which notice was so sent. Any notice sent as provided in this subsection (i) will be conclusively presumed to have been given, whether or not actually received by any Owner.

(ii) Variable Rate Bonds to be changed to the Fixed Rate Mode or the Auction Mode are subject to mandatory purchase on the Mode Change Date as provided in this subsection (ii) at the Purchase Price. Variable Rate Bonds purchased pursuant to this subsection (ii) shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon on the Mode Change Date and payment of the Purchase Price shall be made by wire transfer of immediately available funds by the close of business on the Mode Change Date. The Paying Agent shall give notice of such mandatory purchase as part of the notice of change of Mode to be sent to the Owners pursuant to Section 30-65.10(b)(ii) with regard to the Fixed Rate Mode and Sections 30-65.11(b)(iii) and (d) with regard to the Auction Mode.

(iii) Variable Rate Bonds in an Auction Mode to be changed to another Mode shall be subject to mandatory tender at the Purchase Price. In the event that the conditions of a change in Mode are not satisfied as set forth herein under Section 30-65.11, including the failure to remarket all applicable Variable Rate Bonds on a mandatory tender date, the Variable Rate Bonds to have been changed will not be subject to mandatory tender, will be returned to their owners, will automatically change to a seven (7)-day Auction Period and will bear interest at the Maximum Auction Rate.

(d) Optional Purchase at End of Interest Period for Term Rate Mode. The Owner of a Variable Rate Bond in the Term Rate Mode may elect to have its Variable Rate Bond (or portions thereof in Authorized Denominations) purchased on the last day of the current Interest Period applicable to such Variable Rate Bond (or the next Business Day if such last day is not a Business Day) at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by not later than 5:00 p.m. on a Business Day not less than seven (7) days before such last day. Such notice of tender shall state the CUSIP number, Variable Rate Bond number and the principal amount of such Variable Rate Bond to be purchased. Variable Rate Bonds purchased pursuant to this Section shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon on such Purchase Date and payment of the Purchase Price of such Variable Rate Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Business Day.

[The following subsection (e) was amended by Section 31-73.10 of the Twelfth Supplemental Resolution to read as follows:]

(e) Mandatory Purchase Upon Substitution, Modification or Reduction of Credit Facility or Liquidity Facility. Except as otherwise provided in a Series Sale Resolution with respect thereto, in the event that on or prior to the forty-fifth (45th) day next preceding the Substitution Date, the Commission has failed to deliver to the Paying Agent and the Trustee a Rating Confirmation Notice in connection with the delivery of an Alternate Credit Facility or an Alternate Liquidity Facility Facility, together with a written statement of Moody's, Standard & Poor's and Fitch, as applicable, indicating that the substitution, modification (including, without limitation, any modification that would have a material adverse effect on the Owners of the applicable Series of Variable Rate Bonds) or reduction of the Credit Facility or Liquidity Facility will not result in a lowering of their ratings on the Series of Variable Rate Bonds payable from and/or secured by the Credit Facility or Liquidity Facility as a result of its substitution, modification or reduction, the Variable Rate Bonds payable from and/or secured by such Credit Facility or Liquidity Facility shall be subject to mandatory purchase on the Substitution Tender Date at a price equal to the Purchase Price. The Paying Agent shall give notice of such mandatory purchase by mail to the Owners of such Variable Rate Bonds subject to mandatory purchase no less than thirty (30) days prior to the Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on such Variable Rate Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The Trustee shall give the notice required by this subsection (e) by Electronic Means if an Owner so requests in writing and the Trustee receives such request no later than five (5) Business Days before the Trustee is required to give such notice. The failure to send such

notice with respect to any Variable Rate Bond as provided in this subsection (e) shall not affect the validity of the mandatory purchase of any other Variable Rate Bond with respect to which notice was so sent. Any notice sent as provided in this subsection (e) will be conclusively presumed to have been given, whether or not actually received by any Owner. Variable Rate Bonds purchased pursuant to this subsection (e) shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such Variable Rate Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Mandatory Purchase Date.

[The following subsection (f) was amended by Section 31-73.10 of the Twelfth Supplemental Resolution to read as follows:]

(f) Mandatory Purchase Due to Default Under Credit Facility Agreement or Liquidity Facility Agreement. A Series of Variable Rate Bonds, excluding any Credit Provider or Liquidity Provider Bonds, payable from and/or secured by a Credit Facility or Liquidity Facility shall be subject to mandatory purchase at a Purchase Price equal to the principal amount thereof, plus accrued interest, if any, if the Trustee receives a notice from the Credit Provider or Liquidity Provider in writing (i) not later than the close of business on the sixth (6th) day after the day on which a Draw was made under the Credit Facility or Liquidity Facility to pay interest on such Variable Rate Bonds, that the interest portion of the Credit Facility or Liquidity Facility will not be reinstated as provided in the Credit Facility or Liquidity Facility, or (ii) that an Event of Default, as defined in the Credit Facility Agreement or Liquidity Facility, has occurred and is continuing and the Credit Provider or Liquidity Provider has exercised its option to terminate the Credit Facility or Liquidity Facility. Such Variable Rate Bonds subject to mandatory purchase shall be purchased on the Mandatory Purchase Date specified by the Credit Provider or Liquidity Provider in such written notice (or if such date is not a Business Day, the next succeeding Business Day). Such Mandatory Purchase Date shall be not more than ten (10) nor less than five (5) days after the date such notice is given and on or prior to the Expiration Tender Date. Variable Rate Bonds purchased pursuant to this subsection (f) shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in New York, New York, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on the Mandatory Purchase Date.

The Paying Agent shall give notice by mail to all Owners and the Notice Parties prior to the close of business on the Business Day after receipt by the Trustee of such notice from the Credit Provider or Liquidity Provider stating (i) the mandatory purchase of such Variable Rate Bonds; (ii) the Mandatory Purchase Date; (iii) the Purchase Price; (iv) that such Variable Rate Bonds must be surrendered to collect the Purchase Price; (v) that the Credit Facility or Liquidity Facility will terminate on the date specified in such notice; (vi) that interest on such Variable Rate Bonds will cease to accrue to such Owner from and after the Mandatory Purchase Date and such Owner will be entitled only to the Purchase Price on the Mandatory Purchase Date.

[The following subsection (g) was amended by Section 31-73.10 of the Twelfth Supplemental Resolution to read as follows:]

(g) Mandatory Purchase Due to Failure to Extend Credit Facility or Liquidity Facility. If by the Renewal Date (i) an extension of a Credit Facility or Liquidity Facility, if any, has not been obtained or an Alternate Credit Facility or Alternate Liquidity Facility, as the case may be, has not been delivered to the Trustee, and (ii) the Commission has not delivered a Mode Change Notice with respect to a change to a Mode for which a Credit Facility or Liquidity Facility is not required, then such Variable Rate Bonds payable from and/or secured by such Credit Facility or Liquidity Facility (not including Credit Provider Bonds, Liquidity Provider Bonds and Fixed Rate Bonds) shall be subject to mandatory purchase on the Expiration Tender Date. The Trustee shall give notice by mail to all Owners of such Variable Rate Bonds payable from and/or secured by such Credit Facility or Liquidity Facility (other than Fixed Rate Bonds) and the Notice Parties prior to the close of business on the third (3rd) Business Day after the Renewal Date of the fact that (i) such Variable Rate Bonds will be purchased pursuant to the provisions of this subsection, (ii) the Mandatory Purchase Date on which such Variable Rate Bonds will be purchased, which Date shall be the Expiration Tender Date, (iii) the Purchase Price, (iv) that such Variable Rate Bonds must be surrendered to collect the Purchase Price and (v) that interest on such Variable Rate Bonds will cease to accrue from and after such Mandatory Purchase Date and that the Owner will be entitled only to the Purchase Price on the Mandatory Purchase Date. (i) Source of Funds for Purchase of Variable Rate Bonds. By the close of business on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall purchase tendered Variable Rate Bonds from the tendering Owners at the Purchase Price by wire transfer in immediately available funds. (k) Undelivered Variable Rate Bonds. If Variable Rate Bonds to be purchased are not delivered by the Owners to the Paying Agent by 12:00 noon, New York City time, on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall hold any funds received for the purchase of such Variable Rate Bonds in trust in a separate account and shall pay such funds to the former Owners of such Variable Rate Bonds upon presentation of such Variable Rate Bonds. Such undelivered Variable Rate Bonds shall cease to accrue interest as to the former Owners on the Purchase Date or the Mandatory Purchase Date, as the case may be, and moneys representing the Purchase Price shall be available against delivery of such Variable Rate Bonds at the principal corporate trust office of the Paying Agent; provided, however, that any funds which shall be so held by the Paying Agent and which remain unclaimed by the former Owner of such Variable Rate Bond not presented for purchase for a period of one (1) year after delivery of such funds to the Paying Agent, shall, to the extent permitted by law be paid to the Commission free of any trust or lien and thereafter the former Owner of such Variable Rate Bond shall look only to the Commission and then only to the extent of the amounts so received by the Commission without any interest thereon and the Paying Agent shall have no further responsibility with respect to such moneys or payment of the Purchase Price of such Variable Rate Bonds. The Paying Agent shall authenticate a replacement Variable Rate Bond for any undelivered Variable Rate Bond which may then be remarketed by the Remarketing Agent.

(l) No Purchases or Sales After Payment Default. Anything in this Eleventh Supplemental Resolution to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default described in subsection (a), (b) or (c) of Section 7.01 of the 1991 Resolution, the Remarketing Agent shall not remarket any Variable Rate Bonds.

[The following subsection (m) was amended by Section 31-73.11 of the Twelfth Supplemental Resolution to read as follows:]

(m) Limitations on Mandatory Purchases. Anything in this Eleventh Supplemental Resolution to the contrary notwithstanding, Variable Rate Bonds of a Series shall not be subject to mandatory purchase pursuant to this Section 30-65.17 unless the payment of the Purchase Price is limited to payments made by a Credit Provider under a Credit Facility, payments made by a Liquidity Provider under a Liquidity Facility, proceeds of remarketing such Variable Rate Bonds, or to other amounts that do not constitute Revenues of the Commission.

[The following Section 30-65.18 was amended by Section 31-73.12 of the Twelfth Supplemental Resolution to read as follows:]

Section 30-65.18. Credit Facility; Liquidity Facility. The proceeds of such Draws under this subsection (a) shall be deposited in the Credit Facility Account established for such Series of Variable Rate Bonds pursuant to Section 30-65.21(a).

(b) On each Purchase Date or Mandatory Purchase Date, as the case may be, the Trustee, at the direction of the Paying Agent, shall Draw on the Credit Facility or Liquidity Facility, as the case may be, for a Series of Variable Rate Bonds, by no later than the time provided in such Credit Facility or Liquidity Facility for presentation of documents in order to received payment in immediately available funds by 2:00 p.m., New York City time, on each Purchase Date and Mandatory Purchase Date, as the case may be, an amount which, together with the proceeds of the remarketing of such Variable Rate Bonds on such date, is sufficient to enable the Paying Agent to pay the Purchase Price of such Variable Rate Bonds in connection therewith. The proceeds of such Draws under this subsection (b) under a Credit Facility shall be paid to the Paying Agent, who shall deposit said proceeds in the Credit Facility Purchase Account established for such Series of Variable Rate Bonds pursuant to Section 30-65.21(b). The Commission shall give the Trustee, the Paying Agent, the Remarketing Agent and the Credit Provider written notice of the proposed substitution of an Alternate Credit Facility for the Credit Facility then in effect no less than forty-five (45) days prior to the proposed Substitution Date. The Trustee shall give notice of such proposed substitution by mail to the Owners of the Variable Rate Bonds subject to mandatory purchase no less than thirty (30) days prior to the proposed Substitution Date.

(e) If at any time there shall have been delivered to the Trustee (i) an Alternate Liquidity Facility in substitution for the Liquidity Facility then in effect, (ii) a Favorable Opinion of Bond Counsel, (iii) a Rating Confirmation Notice from Moody's, if the Variable Rate Bonds payable from such Alternate Liquidity Facility are rated by Moody's, Standard & Poor's, if such Variable Rate Bonds are rated by Standard & Poor's, and from Fitch, if such Variable Rate Bonds are rated by Fitch, together with a written statement of Moody's, Standard & Poor's and Fitch, as applicable, indicating that the substitution of the Alternate Liquidity Facility will not result in a lowering of their ratings on such Variable Rate Bonds to be payable from the Alternate Liquidity Facility as a result of its substitution for the current Liquidity Facility, and (iv) written evidence satisfactory to the Liquidity Provider of the provision for purchase from the Liquidity Provider of all Liquidity Provider Bonds, at a price equal to the principal amount thereof plus accrued and unpaid interest, and payment of all amounts due it under the Liquidity Facility Agreement on or before the effective date of such Alternate Liquidity Facility, then the Trustee shall accept such Alternate Liquidity Facility on the Substitution Tender Date and shall surrender the Liquidity Facility then in effect to the Liquidity Provider on the Substitution Date. The Commission shall give the Trustee, the Paying Agent, the Remarketing Agent and the Liquidity Provider written notice of the proposed substitution of an Alternate Liquidity Facility for the Liquidity Facility then in effect no less than forty-five (45) days prior to the proposed Substitution Date. The Trustee shall give notice of such proposed substitution by mail to the Owners of the Variable Rate Bonds subject to mandatory purchase no less than thirty (30) days prior to the proposed Substitution Date.

(f) The Trustee shall not sell, assign or otherwise transfer any Credit Facility or Liquidity Facility, except to a successor Trustee hereunder and in accordance with the terms of the Credit Facility or Liquidity Facility, as the case may be, this Eleventh Supplemental Resolution and the 1991 Resolution.

(g) The obligation of the Commission to reimburse a Credit Provider for Draws on a Credit Facility with respect to a Series of Variable Rate Bonds in accordance with the Credit Facility Agreement shall constitute a Repayment Obligation within the meaning and with the effect set forth in Section 2.15 of the 1991 Resolution in the event and to the extent so provided in a Series Sale Resolution with respect to such Series of Variable Rate Bonds and in the Credit Facility Agreement.

(h) The obligation of the Commission to reimburse a Liquidity Provider for Draws on a Liquidity Facility with respect to a Series of Variable Rate Bonds in accordance with the Liquidity Facility Agreement shall constitute a Repayment Obligation within the meaning and with the effect set forth in Section 2.15 of the 1991 Resolution in the event and to the extent so provided in a Series Sale Resolution with respect to such Series of Variable Rate Bonds and in the Liquidity Facility Agreement.

(b) Application of Series Interest Account. The Trustee shall apply moneys in each Series Interest Account to the payment of interest on the related Series of Variable Rate Bonds when due, including accrued interest on any Variable Rate Bonds of such Series purchased or redeemed prior to maturity. If a Credit Facility is in effect with respect to a Series of Variable Rate Bonds, the Trustee, on such due date, shall withdraw and apply moneys in the Series Interest Account relating to such Series of Variable Rate Bonds to reimburse the Credit Provider for Draws on the Credit Facility pursuant to Section 30-65.18(a) to pay interest on Variable Rate Bonds of the related Series.

(iv) All Variable Rate Bonds purchased or redeemed under the provisions of this Section 30-65.22(c) shall be delivered to, and canceled and destroyed by, the Trustee and shall not be reissued.

(d) Establishment and Application of Series Redemption Account. The Trustee shall apply moneys in the Series Redemption Account for each Series of Variable Rate Bonds to the payment of the Redemption Price of such Series of Variable Rate Bonds called for redemption pursuant to Section 30-65.16(b). Accrued interest on Variable Rate Bonds redeemed pursuant to Section 30-65.16(b) shall be paid from the Series Interest Account for such Series. If a Credit Facility is in effect with respect to a Series of Variable Rate Bonds, the Trustee, on the Redemption Date, shall withdraw and apply moneys in the Series Redemption Account relating to such Series of Variable Rate Bonds to reimburse the Credit Provider for Draws on the Credit Facility pursuant to Section 30-65.18(a) to pay the Redemption Price of Variable Rate Bonds of the related Series.

Section 30-65.23. Establishment of Series of Variable Rate Bonds as a Participating Series; Alternative Creation of Separate Reserve Accounts.

(a) Reserve Requirement. Each Series of Variable Rate Bonds shall be a Participating Series or shall be secured by a Series Reserve Account. The amount in each Series Reserve Account shall be established and maintained at an amount equal to the Series Reserve Requirement. The Series Reserve Requirement for each Series of Variable Rate Bonds secured by a Series Reserve Account shall be Maximum Series Annual Debt Service or such other amount as shall be set forth in a Series Sale Resolution.

(b) Determination of Participating Series. The Airport Director or his designee is hereby authorized and directed to determine whether or not a Series of Variable Rate Bonds is to be declared to be a Participating Series with respect to the Issue 1 Reserve Account established by Section 1-13.07 of the 1991 Resolution.

(c) Valuation of Participating Series. In the event a Participating Series of Variable Rate Bonds is to be redeemed in whole or in part pursuant to Section 30-65.16 or the Commission notifies the Trustee in writing of its intention to refund the said Participating Series of Variable Rate Bonds in whole or in part, the Trustee shall value the amount in the Issue 1 Reserve Account in accordance with Section 1-13.07(b), and if the Trustee determines that the amount in the Issue 1 Reserve Account exceeds Aggregate Maximum Annual Debt Service on the Variable Rate Bonds of the Participating Series to remain Outstanding after such redemption

or refunding, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess in accordance with such request. The Trustee may request at any time, and the Commission shall deliver within ten (10) Business Days of such request, a certificate stating the amount of the Aggregate Maximum Annual Debt Service on the then Outstanding Variable Rate Bonds of the Participating Series, and the Trustee shall be entitled to rely on such certificate.

(d) Series Reserve Accounts.

(i) In the event the Airport Director or his designee determines that a Series of Variable Rate Bonds shall not be a Participating Series, there is hereby created for such Series of Variable Rate Bonds a separate reserve account within the 1991 Resolution Reserve Fund held by the Trustee to be designated as the "Issue ___ Reserve Account," with the blank to be completed with the alpha-numerical designation of the particular Series of Variable Rate Bonds (each such reserve account is herein called a "Series Reserve Account"). The moneys in said account shall be used solely for the purpose of paying interest, principal or Mandatory Sinking Fund Payments on the Series of Variable Rate Bonds for which such reserve account is established or to reimburse the Credit Provider for Draws on the Credit Facility pursuant to Section 30-65.18(a) whenever any moneys then credited to the accounts within the 1991 Resolution Debt Service Fund for such Series of Variable Rate Bonds are insufficient for such purposes. If at any time the balance in said account shall for any reason be diminished below an amount equal to the Series Reserve Requirement, the Trustee shall immediately notify the Commission of such deficiency, and the Commission shall cause said Series Reserve Account to be replenished by transfers from available Net Revenues over a period not to exceed twelve months from the date the Commission receives notice from the Trustee of such deficiency. The Trustee may request at any time, and the Commission shall deliver within ten (10) Business Days of such request, a certificate stating the amount of the Series Reserve Requirement, and the Trustee shall be entitled to rely on such certificate.

(ii) From time to time, but not less frequently than annually, the Trustee shall determine the amount in each Series Reserve Account. Permitted Investments in such Series Reserve Accounts shall be valued at cost plus accreted value.

(iii) Within 90 days after the end of each Fiscal Year, and at such other times as the Commission shall request in writing, the Trustee shall determine the amount in each Series Reserve Account. In the event that the Trustee determines on any valuation date that the amount in a Series Reserve Account exceeds the Series Reserve Requirement, upon the request of the Commission signed by an Authorized Commission Representative, the Trustee shall transfer the amount of such excess to the Treasurer for deposit in the Revenues Account.

(iv) In the event a Series of Variable Rate Bonds other than a Participating Series is to be redeemed in whole or in part pursuant to Section 30-65.16 or the Commission notifies the Trustee in writing of its intention to refund said Series of Variable Rate Bonds in whole or in part, the Trustee shall value the amount in the Series Reserve Account for such Series in accordance with this Section 30-65.23(d), and if the Trustee determines that the amount in such Series Reserve Account exceeds the Series Reserve Requirement for such Series after such redemption or refunding, upon the request of the Commission signed by an Authorized

Commission Representative, the Trustee shall transfer the amount of such excess in accordance with such request.

(v) At its option, the Commission may at any time substitute a Credit Facility meeting the requirements of this Section 30-65.23(d) for amounts on deposit in any Series Reserve Account. The Commission shall not substitute a Credit Facility for all or any part of the amounts on deposit in any such Series Reserve Account, if such substitution will cause the then current ratings on the Series of Variable Rate Bonds secured by such Series Reserve Account to be downgraded or withdrawn. In the event that after the substitution of a Credit Facility for all or any part of the amounts on deposit in any Series Reserve Account, the amount in such Reserve Account is greater than the Series Reserve Requirement, upon the request of an Authorized Commission Representative, the Trustee shall transfer such excess to the Commission to be used solely for Airport purposes.

Section 30-65.24. Disposition of Proceeds of the Variable Rate Bonds. The proceeds of the sale of each Series of Variable Rate Bonds shall be deposited with the Treasurer and shall be held in trust and set aside by the Treasurer as follows:

(a) The Treasurer shall transfer to the Trustee for deposit in the Series Interest Account for such Series an amount equal to interest accrued on such Series of Variable Rate Bonds to the date of delivery thereof.

(b) The Treasurer shall transfer to the Trustee for deposit in the Issue 1 Reserve Account an amount equal to Maximum Series Annual Debt Service on such Series of Variable Rate Bonds, or such lesser amount as will increase the balance of the Issue 1 Reserve Account to the Aggregate Maximum Annual Debt Service, or for deposit in the Series Reserve Account created pursuant to Section 30-65.23(d) of this Eleventh Supplemental Resolution in an amount equal to the Series Reserve Requirement.

(c) The Treasurer shall deposit or cause to be deposited in the Series Costs of Issuance Account the amount specified in a Series Sale Resolution, the Bond Purchase Contract or instructions delivered by the Airport Director or his designee, for the payment of Costs of Issuance of the Series of Variable Rate Bonds.

(d) The remaining proceeds from the sale of the Variable Rate Bonds of such Series shall, as specified in a Series Sale Resolution, the Bond Purchase Contract or instructions delivered by the Airport Director or his designee, be either (i) transferred by the Treasurer to the Series Escrow Agent for deposit in the Series Escrow Fund and applied in accordance with the Series Escrow Agreement to refund outstanding 1991 Resolution Bonds or Notes (ii) deposited by the Treasurer in the Series Construction Account for application to the payment of the Project Costs.

Section 30-65.25. Deposits of Net Revenues in Series Debt Service Accounts. In accordance with Section 5.03 of the 1991 Resolution, the Treasurer shall allocate and transfer to the Trustee for deposit in the Series Debt Service Accounts amounts from the Net Revenues, as follows:

[The following paragraph (a) was amended by Section 31-73.14 of the Twelfth Supplemental Resolution to read as follows:]

(a) With respect to Variable Rate Bonds in a Daily Mode, Weekly Mode or an Auction Mode with an Auction Period of forty (40) days or less, and any Interest Rate Swaps payable from a Series Interest Account with forty (40) days or less between regularly scheduled payment dates, Net Revenues and any Swap Receipts shall be deposited into the applicable Series Interest Accounts on or before the Interest Payment Dates for Variable Rate Bonds in such Modes and the regularly scheduled payment dates for any such Interest Rate Swaps.

With respect to Variable Rate Bonds in a Term Rate Mode, Fixed Rate Mode, Commercial Paper Mode or an Auction Mode with an Auction Period of more than forty (40) days, and any Interest Rate Swaps payable from a Series Interest Account with more than forty (40) days between regularly scheduled payment dates, Net Revenues and any Swap Receipts shall be deposited in the applicable Series Interest Accounts on or before the second Business Day of each month, in approximately equal monthly installments, so that the aggregate amount on deposit in such Series Interest Accounts on the next succeeding Interest Payment Date for such Variable Rate Bonds and regularly scheduled payment date for such Interest Rate Swaps is at least equal to the aggregate net amount of interest due and payable on such Interest Payment Date and the net amount due and payable on such regularly scheduled payment date for such Interest Rate Swaps; provided, however, that no moneys need be deposited in a Series Interest Account except to the extent that such moneys are required for the payment of interest to become due on such Series of Variable Rate Bonds on the next succeeding Interest Payment Date or on such Interest Rate Swaps on the next regularly scheduled payment date therefor, after the application of the moneys then on deposit in the Series Interest Account; and provided, further, that subject to the preceding proviso, during the period preceding the first Interest Payment Date with respect to a Series of Variable Rate Bonds and the first regularly scheduled payment date with respect to any Interest Rate Swaps, the amount of each monthly installment of Net Revenues and Swap Receipts, if applicable, with respect to the Series of Variable Rate Bonds shall be equal to the product of a fraction the numerator of which is one and the denominator of which is the number of whole calendar months from the date of issuance of the Series of Variable Rate Bonds to the first Interest Payment Date on such Series of Variable Rate Bonds minus one, and the aggregate amount of interest becoming due and payable on such Series of Variable Rate Bonds on said Interest Payment Date, and with respect to any Interest Rate Swaps shall be equal to the product of a fraction the numerator of which is one and the denominator of which is the number of whole calendar months from the date of execution of such Interest Rate Swap to the first regularly scheduled payment date on such Interest Rate Swap minus one, and the aggregate amount of becoming due and payable on such Interest Rate Swap on such regularly scheduled payment date thereon.

(b) In the Series Principal Account for each Series, in approximately equal monthly installments, commencing on the second Business Day of the month determined pursuant to a Series Sale Resolution or Bond Purchase Contract, an amount equal to at least one twelfth (1/12) of the aggregate Principal Amount becoming due and payable on the Outstanding Serial Bonds of such Series on the next succeeding Principal Payment Date, until there shall have been accumulated in the Series Principal Account for such Series an amount sufficient to pay the

Principal Amount of all Serial Bonds of such Series maturing by their terms on the next Principal Payment Date.

(c) The Treasurer shall also transfer to the Trustee for deposit in the Series Principal Account for each Series, in approximately equal monthly installments, commencing on or before the second Business Day of the month determined pursuant to a Series Sale Resolution or Bond Purchase Contract, prior to the first Mandatory Sinking Fund Redemption Date, an amount equal to at least one-twelfth (1/12) of the Mandatory Sinking Fund Payment required to be made pursuant to a Series Sale Resolution for such Series on the next succeeding Mandatory Sinking Fund Redemption Date, as such Mandatory Sinking Fund Payments and Mandatory Sinking Fund Redemption Dates may be set forth in a Series Sale Resolution or Bond Purchase Contract for such Series or pursuant to Section 30-65.11(d)(vii).

[The following Section 30-65.26 was amended by Section 31-73.15 of the Twelfth Supplemental Resolution to read as follows:]

Section 30-65.26. Permitted Investments.

(a) Amounts in the Series Debt Service Accounts for each Series of Variable Rate Bonds shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing on or before the Payment Date on which the proceeds of such Permitted Investments are intended to be applied for the purposes of the Series Debt Service Account to which such Permitted Investments are allocated. Amounts in any Series Reserve Account shall be invested in Permitted Investments described in clauses (a) or (b) of the definition of Permitted Investments maturing no later than seven years after the date of purchase of said Permitted Investment. Amounts in Series Construction Accounts may be invested in any Permitted Investment. Amounts in the Series Escrow Funds shall be invested as provided in the corresponding Series Escrow Agreements. Amounts in a Series Remarketing Proceeds Account, Series Credit Facility Account, Series Credit Facility Purchase Account and Liquidity Facility Purchase Account shall be held uninvested unless otherwise provided in a Series Sale Resolution.

(b) The Trustee or the Paying Agent, as the case may be, may commingle any moneys held by it under this Eleventh Supplemental Resolution, except moneys derived from a Draw under a Credit Facility, a Liquidity Facility or Seasoned Funds, and amounts held in a Series Remarketing Proceeds Account, Series Credit Facility Account, Series Credit Facility Purchase Account and Series Liquidity Facility Purchase Account, each of which shall be held separate and apart of all other Funds and Accounts and not commingled with any other Funds or Accounts or investments of moneys therein.

Section 30-65.27. No Arbitrage. The Commission shall not take, nor permit to be taken by the Trustee or the Paying Agent or otherwise, any action which, if such action had been reasonably expected to have been taken or had been deliberately and intentionally taken on the date of the issuance of any Series of Variable Rate Bonds, would have caused such Series of the Variable Rate Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and Regulations. To that end, the Commission will comply with all requirements of Section 148 of the Code to the extent applicable to each Series of Variable Rate Bonds. In the event that at

any time the Commission is of the opinion that for purposes of this Section 30-65.26 it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Article 30-LXV, the Commission shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

Section 30-65.28. Rebate to United States. The Commission will pay or cause to be paid to the United States Government the amounts required by Section 148(f) of the Code and any Regulations promulgated thereunder at the times required thereby. To further the satisfaction of such rebate requirement, there is hereby created, to be held by the Trustee as a separate fund for each Series of Variable Rate Bonds distinct from all other funds and accounts held by the Trustee under the 1991 Resolution, a fund designated as the "Issue_ Rebate Account" (with the blank to be completed with the alpha-numerical designation of the particular Series of Bonds). The Trustee shall hold any payments received from the Commission for deposit into the Series Rebate Account for each Series of Variable Rate Bonds for purposes of ultimate rebate to the United States, all as more particularly described in the Tax Certificate for such Series. Pending payment to the United States, moneys held in the Series Rebate Account are hereby pledged to secure such payments to the United States as provided herein and in the Tax Certificate, and neither the Commission, the Bondholders nor any other person shall have any rights in or claim to such moneys. The Trustee shall invest all amounts held in the Series Rebate Accounts in Nonpurpose Investments (as defined in the applicable Tax Certificate), as directed by the Commission in the applicable Tax Certificate.

Computations of the rebate amount and all calculations under this Section and the Tax Certificate shall be furnished by or on behalf of the Commission. The Trustee shall be deemed conclusively to have complied with the provisions of this Section if it follows the directions of the Commission consistent with the provisions of the Tax Certificate. The Trustee shall have no liability or responsibility to enforce compliance by the Commission with the Rebate Requirement. Section 30-66.02. Auction Procedures.

(a) Orders by Existing Owners and Potential Owners. Prior to the Submission Deadline on each Auction Date for Auction Bonds of a Series:

(i) each Existing Owner of Auction Bonds of a Series may submit to a Broker-Dealer, in writing or by such other method as shall be reasonably acceptable to such Broker-Dealer, information as to:

(A) the principal amount of Auction Bonds of a Series, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period without regard to the rate determined by the Auction Procedures for such Auction Period,

(B) the principal amount of Auction Bonds of a Series, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period if the rate determined by the Auction Procedures for such Auction Period shall not be less than the rate per annum then specified by such Existing Owner (and which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date (or the same day in the case of a daily Auction Period) if the rate determined by the Auction Procedures for the next succeeding Auction Period shall be less than the rate per annum then specified by such Existing Owner), and/or

(C) the principal amount of Auction Bonds of a Series, if any, held by such Existing Owner which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date (or on the same day in the case of a daily Auction Period) without regard to the rate determined by the Auction Procedures for the next succeeding Auction Period; and

(ii) for the purpose of implementing the Auctions and thereby to achieve the lowest possible interest rate on a Series of Variable Rate Bonds, the Broker-Dealers shall contact Potential Owners, including Persons that are Existing Owners, to determine the principal amount of Auction Bonds of a Series, if any, which each such Potential Owner irrevocably offers to purchase if the rate determined by the Auction Procedures for the next succeeding Auction Period is not less than the rate per annum then specified by such Potential Owner.

For the purposes of this Eleventh Supplemental Resolution, an Order containing the information referred to in clause (i)(A) above is herein referred to as a “Hold Order”, an Order containing the information referred to in clause (i)(B) or (ii) above is herein referred to as a “Bid”, and an Order containing the information referred to in clause (i)(C) above is herein referred to as a “Sell Order.”

(b) Effect of Order by Existing Owners and Potential Owners.

(i) A Bid by an Existing Owner shall constitute an irrevocable offer to sell:

(A) the principal amount of Auction Bonds of a Series specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be less than the rate specified therein; or

(B) such principal amount or a lesser principal amount of Auction Bonds of a Series to be determined as set forth in subsection (a)(v) of Section 30-66.05 if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate; or

(C) a lesser principal amount of Auction Bonds of a Series to be determined as set forth in subsection (b)(iv) of Section 30-66.05 if such specified rate shall be higher than the Maximum Auction Rate and Sufficient Clearing Bids do not exist.

(ii) A Sell Order by an Existing Owner shall constitute an irrevocable offer to sell:

(A) the principal amount of Auction Bonds of a Series specified in such Sell Order; or

(B) such principal amount or a lesser principal amount of Auction Bonds of a Series as set forth in subsection (b)(iv) of Section 30-66.05 if Sufficient Clearing Bids do not exist.

(iii) A Bid by a Potential Owner shall constitute an irrevocable offer to purchase:

(A) the principal amount of Auction Bonds of a Series specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be higher than the rate specified therein; or

(B) such principal amount or a lesser principal amount of Auction Bonds of a Series as set forth in subsection (a)(vi) of Section 30-66.05 if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate.

(c) Anything herein to the contrary notwithstanding:

(i) for purposes of any Auction, any Order which specifies Auction Bonds of a Series to be held, purchased or sold in a principal amount which is not \$25,000 or an integral multiple thereof shall be rounded down to the nearest \$25,000, and the Auction Agent shall conduct the Auction Procedures as if such Order had been submitted in such lower amount;

(ii) for purposes of any Auction other than during a daily Auction Period, any portion of an Order of an Existing Owner which relates to Auction Bonds of a Series which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be invalid with respect to such portion and the Auction Agent shall conduct the Auction Procedures as if such portion of such Order had not been submitted;

(iii) for purposes of any Auction other than during a daily Auction Period, no portion of an Auction Bond which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be included in the calculation of Available Bonds for such Auction; and

(iv) the Auction Procedures shall be suspended during the period commencing on the date of the Auction Agent's receipt of notice from the Trustee or the Commission of the occurrence of an Event of Default resulting from a failure to pay principal, premium or interest on any Series of Auction Bonds when due (provided, however, that for purposes of this provision only, payment by the Bond Insurer shall be deemed to cure such Event of Default and no suspension of the Auction Procedures shall occur) but shall resume two Business Days after the date on which the Auction Agent receives notice from the Trustee that such Event of Default has been waived or cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter.

Section 30-66.03. Submission of Orders by Broker-Dealers to Auction Agent.

(a) The Broker-Dealers for each Series of Auction Bonds shall submit to the Auction Agent in writing or by such other method as shall be reasonably acceptable to the Auction Agent, prior to the Submission Deadline on each Auction Date, all Orders with respect to Auction Bonds of such Series obtained by such Broker-Dealer and specifying, if requested, with respect to each Order:

(i) the aggregate principal amount of Auction Bonds of such Series, if any, that are the subject of each Order;

(ii) to the extent that such Bidder is an Existing Owner:

(A) the principal amount of Auction Bonds of such Series, if any, subject to any Hold Order placed by such Existing Owner;

(B) the principal amount of Auction Bonds of such Series, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

(C) the principal amount of Auction Bonds of such Series, if any, subject to any Sell Order placed by such Existing Owner; and

(iii) to the extent such Bidder is a Potential Owner, the rate specified in such Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth of one percent (0.001%).

(c) If an Order or Orders covering all Auction Bonds of a Series held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of Auction Bonds of such Series held by such Existing Owner and not subject to Orders submitted to the Auction Agent; provided, however, that if there is a change from one Auction Period to another Auction Period and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of Auction Bonds of such Series to be changed to another Auction Period held by such Existing Owner, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of Variable Rate Bonds to be so changed held by such Existing Owner not subject to Orders submitted to the Auction Agent.

(d) If one or more Orders covering in the aggregate more than the principal amount of Auction Bonds of a Series Outstanding held by any Existing Owner are submitted to the Auction Agent, such Orders shall be considered valid as follows:

(i) all Hold Orders shall be considered Hold Orders, but only up to and including in the aggregate the principal amount of Auction Bonds of such Series held by such Existing Owner;

(ii) (A) any Bid of an Existing Owner shall be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount of Auction Bonds of such Series held by such Existing Owner over the principal amount of such Variable Rate Bonds subject to Hold Orders referred to in subsection (i) above;

(B) subject to clause (A) above, all Bids of an Existing Owner with the same rate shall be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of Auction Bonds of such Series held by such Existing Owner over the principal amount of such Auction Bonds of such Series held by such Existing Owner subject to Hold Orders referred to in subsection (i) above;

(C) subject to clause (A) above, if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids shall be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of Auction Bonds of a Series held by such Existing Owner over the principal amount of such Auction Bonds held by such Existing Owner subject to Hold Orders referred to in subsection (i) above; and

(D) the principal amount, if any, of such Auction Bonds of a Series subject to Bids not considered to be Bids of an Existing Owner under this subsection (ii) shall be treated as the subject of a Bid by a Potential Owner; and

(iii) all Sell Orders shall be considered Sell Orders, but only up to and including a principal amount of Auction Bonds of such Series equal to the excess of the principal amount of Auction Bonds of such Series held by such Existing Owner over the sum of the principal amount of such Auction Bonds of such Series considered to be subject to Hold Orders pursuant to subsection (i) above and the principal amount of Auction Bonds of such Series considered to be subject to Bids of such Existing Owner pursuant to subsection (ii) above.

(e) If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate shall be aggregated and considered a single Bid and each Bid submitted with a different rate shall be considered a separate Bid with the rate and the principal amount of Auction Bonds of the Series specified therein.

(f) Neither the Commission, the Trustee nor the Auction Agent shall be responsible for the failure of any Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

Section 30-66.04. Determination of Auction Rate.

(a) Not later than 9:30 a.m., New York City time, on each Auction Date for Auction Bonds of a Series, the Auction Agent shall advise the Broker-Dealers and the Trustee by telephone of the All Hold Rate, the Maximum Auction Rate and the Reference Rate.

(b) Promptly after the Submission Deadline on each Auction Date for Auction Bonds of a Series, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, and collectively as a "Submitted Order") and shall determine for such Series (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and (iii) the Auction Rate.

(c) Promptly after the Auction Agent has made the determinations pursuant to subsection (b) above, the Auction Agent shall advise the Trustee by telephone (promptly confirmed in writing), or other Electronic Means of the Auction Rate for the next succeeding Auction Period and the Trustee shall promptly notify DTC of such Auction Rate.

(d) In the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Auction Period, (i) if the preceding Auction Period was a period of thirty-five (35) days or less, the new Auction Period shall be the same as the preceding Auction Period and the Auction Rate for the New Auction Period shall be the same as the Auction Rate for the preceding Auction Period, and (ii) if the preceding Auction Period was a period of greater than thirty-five (35) days, the preceding Auction Period shall be extended to the seventh (7th) day following the day that would have been the last day of such Auction Period had it not been extended (or if such seventh (7th) day is not followed by a Business Day then to the next succeeding day which is followed by a Business Day) and the Auction Rate in effect for the preceding Auction Period will continue in effect for the Auction Period as so extended. In the event an Auction Period is extended as set forth in clause (ii) of the preceding sentence, an Auction shall be held on the last Business Day of the Auction Period as so extended to take

effect for an Auction Period beginning on the Business Day immediately following the last day of the Auction Period as extended which Auction Period will end on the date it would otherwise have ended on had the prior Auction Period not been extended.

(e) In the event the Auction Procedures are suspended due to the failure to pay principal of, premium or interest on any Series of Auction Bonds, the Auction Rate for the next succeeding Auction Period shall be the Default Rate.

(f) In the event of a failure to change from an Auction Mode to another Mode or in the event of a failure to change the length of the current Auction Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Period, the Auction Rate for the next Auction Period shall be the Maximum Auction Rate and the Auction Period shall be a seven (7)-day Auction Period.

(g) If a Series of Auction Bonds is not rated or if a Series of Auction Bonds is no longer maintained in book-entry-only form by the Bond Depository, then the Auction Procedures shall be suspended and the Auction Rate shall be the Maximum Rate.

Section 30-66.05. Allocation of a Series of Auction Bonds.

(a) With respect to Auction Bonds of each Series, in the event of Sufficient Clearing Bids, subject to the further provisions of subsections (c) and (d) below, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold Auction Bonds that are the subject of such Submitted Hold Order;

(ii) the Submitted Sell Order of each Existing Owner shall be accepted and the Submitted Bid of each Existing Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected, thus requiring each such Existing Owner to sell such Existing Owner's Auction Bonds that are the subject of such Submitted Sell Order or Submitted Bid;

(iii) the Submitted Bid of each Existing Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold such Existing Owner's Auction Bonds that are the subject of such Submitted Bid;

(iv) the Submitted Bid of each Potential Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase Auction Bonds that are the subject of such Submitted Bid;

(v) the Submitted Bid of each Existing Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold such Existing Owner's Auction Bonds that are the subject of such Submitted Bid, but only up to and including the principal amount of such Auction Bonds obtained by multiplying (A) the aggregate principal amount of such Auction Bonds Outstanding which are

not the subject of Submitted Hold Orders described in subsection (i) above or of Submitted Bids described in subsections (iii) or (iv) above by (B) a fraction the numerator of which shall be the principal amount of such Auction Bonds Outstanding held by such Existing Owner subject to such Submitted Bid and the denominator of which shall be the aggregate principal amount of such Auction Bonds Outstanding subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate, and the remainder, if any, of such Submitted Bid shall be rejected, thus requiring each such Existing Owner to sell any excess amount of such Auction Bonds;

(vi) the Submitted Bid of each Potential Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the Auction Bonds that are the subject of such Submitted Bid, but only in an amount equal to the principal amount of such Auction Bonds obtained by multiplying (A) the aggregate principal amount of such Auction Bonds Outstanding which are not the subject of Submitted Hold Orders described in subsection (i) above or of Submitted Bids described in subsections (iii), (iv) or (v) above by (B) a fraction the numerator of which shall be the principal amount of such Auction Bonds Outstanding subject to such Submitted Bid and the denominator of which shall be the sum of the aggregate principal amount of such Auction Bonds Outstanding subject to such Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate, and the remainder of such Submitted Bid shall be rejected; and

(vii) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected.

(b) In the event there are not Sufficient Clearing Bids, subject to the further provisions of subsections (c) and (d) below, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold such Auction Bonds that are the subject of such Submitted Hold Order;

(ii) the Submitted Bid of each Existing Owner specifying any rate that is not higher than the Maximum Auction Rate shall be accepted, thus requiring each such Existing Owner to continue to hold such Auction Bonds that are the subject of such Submitted Bid;

(iii) the Submitted Bid of each Potential Owner specifying any rate that is not higher than the Maximum Auction Rate shall be accepted, thus requiring each such Potential Owner to purchase such Auction Bonds that are the subject of such Submitted Bid;

(iv) the Submitted Sell Orders of each Existing Owner shall be accepted as Submitted Sell Orders and the Submitted Bids of each Existing Owner specifying any rate that is higher than the Maximum Auction Rate shall be deemed to be and shall be accepted as Submitted Sell Orders, in both cases only up to and including the principal amount of such Auction Bonds obtained by multiplying (A) the aggregate principal amount of such Auction Bonds subject to Submitted Bids described in subsection (iii) of this subsection (b) by

(B) a fraction the numerator of which shall be the principal amount of such Auction Bonds Outstanding held by such Existing Owner subject to such Submitted Sell Order or such Submitted Bid deemed to be a Submitted Sell Order and the denominator of which shall be the principal amount of such Auction Bonds Outstanding subject to all such Submitted Sell Orders and such Submitted Bids deemed to be Submitted Sell Orders, and the remainder of each such Submitted Sell Order or Submitted Bid shall be deemed to be and shall be accepted as a Hold Order and each such Existing Owner shall be required to continue to hold such excess amount of such Auction Bonds; and

(v) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum Auction Rate shall be rejected.

(c) If, as a result of the procedures described in subsection (a) or (b) above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of Auction Bonds of a Series which is not an integral multiple of \$25,000 on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole discretion, round up or down the principal amount of such Auction Bonds to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of such Auction Bonds purchased or sold by each Existing Owner or Potential Owner on such Auction Date shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any such Auction Bonds on such Auction Date.

(d) If, as a result of the procedures described in subsection (a) above, any Potential Owner would be required to purchase less than \$25,000 in principal amount of such Auction Bonds on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole discretion, allocate such Auction Bonds for purchase among Potential Owners so that the principal amount of Auction Bonds purchased on such Auction Date by any Potential Owner shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Potential Owners not purchasing such Auction Bonds on such Auction Date.

Section 30-66.06. Notice of Auction Rate.

(a) On each Auction Date for Auction Bonds of a Series, the Auction Agent shall notify by telephone or other telecommunication device or in writing each Broker-Dealer that participated in the Auction held on such Auction Date of the following:

(i) the Auction Rate determined on such Auction Date for the succeeding Auction Period;

(ii) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;

(iii) if such Broker-Dealer submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected and the principal amount of Auction Bonds, if any, to be sold by such Existing Owner;

(iv) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected and the principal amount of a Auction Bonds of a Series, if any, to be purchased by such Potential Owner;

(v) if the aggregate principal amount of Auction Bonds of a Series to be sold by all Existing Owners of such Series on whose behalf such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of such Auction Bonds to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker-Dealer) and the principal amount of such Auction Bonds to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and

(vi) the immediately succeeding Auction Date.

(b) On each Auction Date for Auction Bonds of a Series, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner shall: (i) advise each Existing Owner and Potential Owner on whose behalf such Broker-Dealer submitted an Order as to (A) the Auction Rate determined on such Auction Date, (B) whether any Bid or Sell Order submitted on behalf of each such Owner was accepted or rejected, and (C) the immediately succeeding Auction Date; (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Existing Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through the Bond Depository the amount necessary to purchase the principal amount of Auction Bonds of such Series to be purchased pursuant to such Bid (including, with respect to Auction Bonds in a daily Auction Period, accrued interest if the purchase date is not an Interest Payment Date for such Auction Bonds) against receipt of such Auction Bonds; and (iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted or a Bid that was rejected in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Bond Depository the principal amount of such Auction Bonds to be sold pursuant to such Bid or Sell Order against payment therefor.

Section 30-66.07. Reference Rate.

(a) Unless otherwise specified in a Series Sale Resolution with respect to a Series of Variable Rate Bonds, the Reference Rate on any Auction Date with respect to a Series of Variable Rate Bonds in any Auction Period of less than 180 days shall be the greater of LIBOR or the Thirty-Day "AA" Composite Commercial Paper Rate on such date. Unless otherwise specified in a Series Sale Resolution with respect to a Series of Variable Rate Bonds, the Reference Rate with respect to a Series of Variable Rate Bonds in any Auction Period of 180 days or more shall be the greater of LIBOR or the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Period, as last published in The Wall Street Journal; provided that if either rate is unavailable, the Reference Rate shall be an index or rate agreed to by all Broker-Dealers and consented to by the Commission.

(b) If for any reason on any Auction Date the Reference Rate shall not be determined as hereinabove provided in this Section, the Reference Rate shall be the Reference Rate for the Auction Period ending on such Auction Date.

(c) The determination of the Reference Rate for Auction Bonds of a particular Series as provided herein shall be conclusive and binding upon the Commission, the Trustee, the Broker-Dealers, the Auction Agent, the Market Agent, if any, and the Owners of such Auction Bonds.

Section 30-66.08. Miscellaneous Provisions Regarding Auctions.

(a) In this Article, each reference to the purchase, sale or holding of Auction Bonds of a Series shall refer to beneficial interests in such Auction Bonds, unless the context clearly requires otherwise.

(b) If the Bond Depository notifies the Commission that it is unwilling or unable to continue as owner of a Series of Auction Bonds or if at any time the Bond Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to the Bond Depository is not appointed by the Commission within 90 days after the Commission receives notice or becomes aware of such condition, as the case may be, the Commission shall execute and the Trustee shall authenticate and deliver certificates representing such Auction Bonds. Such Auction Bonds shall be registered in such names and authorized denominations as the Bond Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the Commission and the Trustee.

While any Series of Variable Rate Bonds is in the Auction Mode, so long as the ownership of such Series of Auction Bonds is maintained in book-entry form by the Bond Depository, an Existing Owner or a beneficial owner may sell, transfer or otherwise dispose of such Auction Bond only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer, provided that (i) in the case of all transfers other than pursuant to Auctions, such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer and (ii) a sale, transfer or other disposition of such Auction Bonds from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such Auction Bonds to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this subsection if such Broker-Dealer remains the Existing Owner of such Auction Bonds so sold, transferred or disposed of immediately after such sale, transfer or disposition.

Section 30-66.09. Changes in Auction Period or Auction Date.

(a) Changes in Auction Period. (i) While any Series of Variable Rate Bonds is in the Auction Mode, the Commission may, from time to time on any Interest Payment Date, change the length of the Auction Period with respect to a Series of Variable Rate Bonds among daily, seven (7)-day, twenty-eight (28)-day, thirty-five (35)-day and six-month Auction Periods, and a Special Rate Period in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by such

Auction Bonds. The Commission shall initiate the change in the length of the Auction Period by giving written notice to the Trustee, the Auction Agent, the Market Agent, if any, the Broker-Dealers and the Bond Depository that the Auction Period shall change if the conditions described herein are satisfied and the proposed effective date of the change, at least ten (10) Business Days prior to the Auction Date for such Auction Period.

(ii) Any such changed Auction Period shall be for a period of one (1) day, seven (7) days, twenty-eight (28) days, thirty-five (35) days, six (6) months or a Special Rate Period and shall be for all of the Auction Bonds of a Series in the Auction Mode.

(iii) The change in the length of the Auction Period shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided in this subsection (a) and the Auction immediately preceding the proposed change.

(iv) The change in length of the Auction Period shall take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Period, a certificate from the Commission consenting to the change in the length of the Auction Period specified in such certificate and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. For purposes of the Auction for such first Auction Period only, each Existing Owner shall be deemed to have submitted Sell Orders with respect to all of its Auction Bonds except to the extent such Existing Owner submits an Order with respect to such Auction Bonds. If the condition referred to in clause (A) above is not met, the Auction Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in clause (B) above is not met, the Auction Rate for the next Auction Period shall be the Maximum Auction Rate, and the Auction Period shall be a seven (7)-day Auction Period.

(b) Changes in Auction Date. While any Series of Variable Rate Bonds is in the Auction Mode, the Auction Agent, with the written consent of the Commission may specify an earlier Auction Date (but in no event more than five (5) Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in order to conform with then current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne by a Series of Auction Bonds. The Auction Agent shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least forty-five (45) days prior to the proposed changed Auction Date to the Trustee, the Commission, the Broker-Dealers, the Market Agent, if any, and the Bond Depository.

Section 30-66.10. Auction Agent.

(a) The Auction Agent shall be appointed by the Commission, to perform the functions specified herein. The Auction Agent shall designate its principal corporate trust office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written

instrument, delivered to the Trustee, the Commission and each Broker-Dealer which shall set forth such procedural and other matters relating to the implementation of the Auction Procedures as shall be satisfactory to the Commission and the Trustee.

(b) Subject to any applicable governmental restrictions, the Auction Agent may be or become the owner of or trade in Variable Rate Bonds with the same rights as if such entity were not the Auction Agent.

Section 30-66.11. Qualifications of Auction Agent; Resignation; Removal. The Auction Agent shall be (a) a bank or trust company organized under the laws of the United States or any state or territory thereof having a combined capital stock, surplus and undivided profits of at least \$30,000,000, or (b) a member of the National Association of Securities Dealers, Inc. having a capitalization of at least \$30,000,000 and, in either case, authorized by law to perform all the duties imposed upon it by this Eleventh Supplemental Resolution and a member of or a participant in, the Bond Depository. The Auction Agent may at any time resign and be discharged of the duties and obligations created by this Eleventh Supplemental Resolution by giving at least ninety (90) days written notice to the Commission and the Trustee. The Auction Agent may be removed at any time by the Commission by written notice, delivered to the Auction Agent, the Market Agent, if any, the Credit Provider and the Trustee. Upon any such resignation or removal, the Commission shall appoint a successor Auction Agent meeting the requirements of this section. In the event of the resignation or removal of the Auction Agent, the Auction Agent shall pay over, assign and deliver any moneys and Variable Rate Bonds held by it in such capacity to its successor. The Auction Agent shall continue to perform its duties until its successor has been appointed by the Commission. In the event that the Auction Agent has not been compensated for its services, the Auction Agent may resign by giving thirty (30) days notice to the Commission and the Trustee even if a successor Auction Agent has not been appointed.

Section 30-66.12. Market Agent. If a Series Sale Resolution for a Series of Variable Rate Bonds provides, the Commission may appoint a Market Agent to perform the duties to be specified in a Market Agent Agreement. The Market Agent shall be a member of the National Association of Securities Dealers, Inc. having capitalization of at least \$30,000,000, and be authorized by law to perform all the duties imposed upon it by the Market Agent Agreement. The Market Agent may at any time resign and be discharged of the duties and obligations created by this Eleventh Supplemental Resolution by giving at least ninety (90) days written notice to the Commission and the Trustee. The Market Agent may be removed at any time by the Commission by written notice, delivered to the Market Agent, the Credit Provider and the Trustee. Upon any such resignation or removal, the Trustee shall appoint a successor Market Agent meeting the requirements of this Section. The Market Agent shall continue to perform its duties until its successor has been appointed by the Commission. In the event that the Market Agent has not been compensated for its services, the Market Agent may resign by giving thirty (30) days notice to the Commission and the Trustee even if a successor Market Agent has not been appointed. Subject to any applicable governmental restrictions, the Market Agent may be or become the owner of or trade in Variable Rate Bonds with the same rights as if such entity were not the Market Agent.
